SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

A new rule expands the ability of a head coach to challenge a reviewable play on the field. The head coach now retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game (CBS Sports, ESPN, ESPN2, Raycom Sports) or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Reviewable

1. Plays governed by Sideline, Goal Line, End Zone, and End Line:
   a. Scoring Plays, including a runner breaking the plane of the goal line
   b. Pass complete/incomplete/intercepted at sideline, goal line and end line
   c. Runner/receiver in or out of bounds
   d. Recovery of loose ball in and out of bounds
2. Passing Plays:
   a. Pass ruled complete/ incomplete/ intercepted in the field of play and end zones
   b. Touching of a forward pass by an ineligible receiver
   c. Touching of a forward pass by a defensive player
   d. Quarterback (Passer) forward pass or fumble (if ruled incomplete, play is finalized)
   e. Illegal forward pass or illegal handing off beyond the line of scrimmage
   f. Illegal forward pass or illegal handing off after change of possession
   g. Forward or backward pass thrown from behind the line of scrimmage
3. Other Detectable Infractions:
   a. Runner ruled not down.
   b. Runner ruled down (new in 2008 / when ball carrier is judged down by rule and the ball is fumbled, play may be reviewed if recovery of ball occurs in the immediate action following fumble and is prior to any official signaling ball is dead. Also reviewable when runner is ruled out of bounds near goal line.)
   c. Forward progress with respect to first down
   d. Touching of a kick
   e. Number of players on field
   f. Clock adjustments (in conjunction with overturned plays)
   g. Fourth-down/try fumble plays
   h. Field Goal Attempts (new in 2008 / only when ball is ruled below or above the crossbar, inside or outside the uprights when it is lower than the top of the uprights.)

4. Roughing passer/kicker
5. Illegal formations
6. Taunting/excessive celebrations
7. Face mask

10. Holding
11. Personal fouls

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with a DVSport Digital Replay System. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official is selected and assigned by the Conference Office.

A live video feed is sent directly to the replay booth. The Technician watches the feed on an input monitor while capturing/digitizing it into the DVSport Digital Replay System. The Technician also marks the beginning of each play as well as any replays as they occur in real time.

Each play and subsequent replay then appears on a touch screen in front of the Communicator. As the Technician marks the incoming video, each view (by mark) will appear as a small picture on the computer touch screen. At any time, the Communicator can touch/click on a thumbnail and immediately send that play/replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a remote device controlled by the Replay Official. All replays/video are viewed on an output monitor. The touch screen is only used to select the replays.

While most plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

THE EQUIPMENT

Each SEC member institution uses the Digital Replay System developed by DVSport of Pittsburgh, Pa. The replay systems are maintained by the home institution with technical support from DVSport.

SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2008 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One (2nd), will then make its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The Outback, Chick-fil-A and AT&T Cotton Bowls will work with the conference office to determine picks 3-5. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference. The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls.

In selections 6-7, the AutoZone Liberty and Gaylord Hotels Music City Bowls will make their selections, not in any specific order, but in consultation with the SEC Office. The Bowls will rank available qualified teams in order of preference. If there are no similarities in the order of selection, the bowls will be granted its selection. If the bowls rank the same teams in preference, the team involved in the process would get its preference of which bowl to participate.

The Independence Bowl will receive the eighth selection and the Papajohns.com Bowl will have the ninth pick of available SEC teams.

2009 BOWL CHAMPIONSHIP SERIES SCHEDULE

Following the 2008 college football regular season, the Bowl Championship Series will determine the National Championship. The BCS National Championship Game, which will stand alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS consists of the FedEx Orange, Allstate Sugar, Rose presented by Citi, Tostitos Fiesta Bowl and the Allstate BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

FOX Sports will televise all of the Bowl Championship Series games, with the exception of the Rose Bowl, which will be televised by ABC Sports.

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

At the conclusion of the 2008 regular season, the FedEx BCS National Championship Game will be hosted in Miami on Jan. 8 at 8 p.m. EST. The FedEx BCS National Championship Game will have the top two teams ranked in the BCS final regular season standings.

The BCS uses regional consideration regarding team selection. Specifically, as a member of the BCS, the Rose Bowl will host the Big Ten and Pac-10 champions in those years in which either the Rose Bowl does not have the national championship game or the Big Ten and Pac-10 champion is not ranked No. 1 or No. 2. Other "regional consideration" tie-ins include the SEC champion in the Sugar Bowl, the ACC champion in the Orange Bowl and the Big 12 champion in the Fiesta Bowl.

Other BCS games following the 2008 regular season include the Rose Bowl on Jan. 1 at 4:30 p.m. EST, FexEd Orange Bowl on Jan. 1 at 8:30 p.m. EST, Allstate Sugar Bowl on Jan. 2 at 8 p.m. EST, and the Tostitos Fiesta Bowl on Jan. 5 at 8 p.m. ET.

2008 SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

TWO-TEAM TIE. In the event two teams are tied for a division title, the following procedure will be used in the following order:

A. Head-to-head competition between the two tied teams;
B. Records of the tied teams within the division;
C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
D. Overall record against non-divisional teams;
E. Combined record against all common non-divisional teams;
F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

THREE-TEAM TIE (OR MORE). If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

A. Combined head to head record among the tied teams;
B. Record of the tied teams within the division;
C. Head to head competition against the team within the division with the best over all Conference record (divisional and non divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
D. Overall Conference record against non divisional teams;
E. Combined record against all common non divisional teams;
F. Record against the common non divisional team with the best overall Conference record (divisional and non divisional) and proceeding through other common non divisional teams based on their order of finish within their division; and
G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

SEC COACHES JOIN FIGHT AGAINST MUSCULAR DYSTROPHY

This Saturday, college football coaches across the country, including all SEC coaches participating on Oct. 25, are joining together to fight one opponent - Duchenne Muscular Dystrophy. By wearing an arm band with the Coach to Cure MD insignia, coaches will show their support for Coach to Cure MD, the American Football Coaches Association's (AFCA) newest charitable project.

Football fans will be able to donate to muscular dystrophy research either online at CoachToCureMD.org or by texting the word "CURE" to 90999 to automatically donate $5 from their mobile phones.

Duchenne Muscular Dystrophy is the most common fatal genetic disorder diagnosed during childhood. Because the Duchenne gene is found on the X-chromosome, it primarily effects boys and occurs across all races and cultures.

Boys and young men with Duchenne lack dystrophin, a protein critical to the structural stability of muscle fibers. Currently, there is no cure for Duchenne and limited therapeutic options exist.

The AFCA is joining with the Parent Project for Muscular Dystrophy (PPMD) to make Coach to Cure MD a reality and generate support for research using the nationwide, one-day, game-day event.
