## Did You Know ...

In 1999, Florida State's Marshall McDougall had six home runs, 16 RBI and 25 total bases in a game, all of which set new NCAA single-game records. What is even more amazing is that all three of these records were broken in the same game. McDougall set these three records during the Maryland game on May 9, 1999 in a 26-2 win for the Seminoles.
