Following is a listing of players from ACC schools that have been selected in the annual draft of the National Football League (NFL). The NFL's inaugural draft was held on February 8, 1936 while the AFL conducted its own draft from 1960 through 1966. The two leagues merged their player drafts into one player draft in 1967. Since that 1936 draft, **1,528 players from ACC schools have been selected in the two drafts**, including 109 first round selections.
