## Bobby Bowden

The winningest coach in college football history with 342 career victories, the 2004 season will mark Bobby Bowden's 29th season as the head coach at Florida State and 39th overall. One of the most innovative and successful coaches in the history of college football, Bowden has turned the Seminoles into perennial contenders for the national championship. Since his arrival in Tallahassee in 1976, the Seminoles have been to 25 bowl games, including a string of 22 in a row and 19 New Year's Day trips. Under Bowden, Florida State has played in three BCS national championship games, winning the national title in 1999 with a 46-29 win over Virginia Tech in the Nokia Sugar Bowl.

Bowden has coached FSU to 16 Top Five finishes and has 178 victories over the past 17 years. Bowden is the only coach in NCAA history to win 10-or-more games 14 straight seasons, from 1987-2000, and is 18-8-1 in post season play over the past 27 years. Florida State was the nation's winningest program in the 90's with a 109-13-1 record (.891). In 2003, Bowden led Florida State to an 10-3 overall mark - its 18th 10-win season in his 28 years in Tallahassee - and a 7-1 league record clinching the school's 11th ACC championship in 12 years and a return to the familiar 10-win season landmark. Bowden took over a program prior to the 1976 season that had won just four games over the previous three seasons. Bowden's record at Florida State is 269-67-4, which includes a 140-20-2 record in Tallahassee, a 31-8-1 mark at neutral sites and a 98-39-1 record in an opponent's stadium. He has built those numbers against some of the nation's toughest schedules. Bowden achieved impressive numbers in his previous coaching stops including a 31-6 record at his alma mater Samford University between 1959 and 1962, and 42-26 at West Virginia from 1970-75.
