**#2 RUTGERS vs. #6 GEORGE WASHINGTON**

**GEORGE WASHINGTON STUDENT-ATHLETE QUOTES  
GREENSBORO REGIONAL**

**JUNIOR CENTER/FORWARD JESSICA ADAIR**

*On the second half rally*

"We came here believing it was going to happen. It wasn't a they were going to beat us type of thing. We came here believing it was going to happen. We were down further in the first half (in the first meeting), and we knew we had to fight to get back and that's what we did. They just made a lot of shots."

*On losing Beck and Lawrence next year*

"It's very hard. I love these guys. Playing with them in these past few years has been great. They know me well. I know them well. I'm going to miss it a lot, but you know its part of the game."

**SENIOR GUARD KIMBERLY BECK**

*On what did Rutgers do to make it tough*

"They were more aggressive then we were during their run. We sat around a lot on offense. I felt that when we got stops, we didn't go down and score. You couldn't trade like that."

*On what Rutgers did to limit her offensively*

"Rutgers came out and then denied me the ball once I gave it up. I think we got our teammates involved a little bit more and Jess started hitting. Then SJ started being more aggressive. I definitely should have looked for my shot a lot more. My teammates did a great job of being aggressive even when I couldn't get touches."

*On what she will take from the last four seasons*

"Definitely relationships I've made with teammates and coaches. We really are a close knit family out there and its going to be hard leaving. I think they will be alright. Jess says I need to come back every game and help her out. I don't know if I can do that. (smiling) Coach McKeown also and all the coaching staff, they are just a great staff."

**SENIOR GUARD SARAH JO LAWRENCE**

*On reflecting upon the last four years*

"I think I'm in the same boat as most of us - our relationship with my teammates. When you play in games like this, you have runs and you have times when you are down. It's those people, those teammates you are out there on the court with you that really make it a special, special time here, a special four years. We really are a tight knit group and its going to be tough to have us four leave. But I think we have had a lot of great games here at GW and I had some not so good games. So I think I'm going to remember the great times much more then the not so great."
