#1 CONNECTICUT vs. #5 OLD DOMINION

OLD DOMINION STUDENT-ATHLETE QUOTES
GREENSBORO REGIONAL

SENIOR FORWARD SHAHIDA WILLIAMS

On buckling down defensively after being down 28

"I can honestly say that some of us were frustrated on the bench. Coach decided to make subs at that point and the freshmen played like they had nothing to lose. They went out there and played with energy and heart. "

SENIOR GUARD TJ JORDAN

Was Connecticut better defensively than the last meeting

"I knew they would be pretty much aggressive, switching every screen. We just needed to find the opening person and knock down some shots and get more than one shot. I don't think they did anything that we didn't expect them to do."

On UConn pushing the ball in transition

"There were a couple of times when we got caught not getting back in transition. There was a lot of over the top passing. We didn't do a really good job of talking in getting back defensively. They are just a great transition team and we just can't have that against a team like them."

JUNIOR FORWARD TIFFANY GREEN

On low post play

"They were very physical down low. It was our business to limit their touches in the low post. But they were real low down there and got behind us."

"We were playing against the top team in the nation. We came into the game knowing what we were up against since we had played against teams like UConn in the past. I felt we didn't do too bad in the post competing against each other."
