All individual rankings include regular season and post-season (NCAA & WNIT) games only. Career totals for players from Georgia Tech and Florida State, who joined the ACC with the 1980 and 1992 seasons, respectively, will reflect only those years played in the ACC. To be eligible for per game consideration, a player must have played a minimum of two years and in 75% of her team's games over that period. Must have made 80 three-point field goals to qualify. **Bold** denotes returning players.
