13.6.2.1 One-Visit Limitation. A member institution may finance only one visit to its campus for a prospective student-athlete.

13.6.2.2 Number of Official Visits—Prospective Student-Athlete Limitation. A prospective student-athlete may take a maximum of five expense-paid visits, with no more than one permitted to any single institution. This restriction applies regardless of the number of sports in which the prospective student-athlete is involved and only for expense paid visits to Divisions I or II institutions.

13.6.2.2.1 First Opportunity to Visit. A prospective student-athlete may not be provided an expense paid visit earlier than the opening day of classes of the prospective student-athlete's senior year in high school. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility.

13.6.3 Requirements for Official Visit. The following requirements must be met before an institution may provide an official visit to a prospective student-athlete:

(a) A high school or preparatory school prospective student-athlete must present the institution with a score from a PSAT, SAT, PLAN or ACT taken on a national testing date under national testing conditions, except that a state-administered ACT may be used to meet the requirement. The score must be presented through a testing agency document, on a high school or preparatory school academic transcript (official or unofficial) or through the use of the applicable testing agency's automated-voice system. A foreign prospect who requires a special administration of the PSAT, SAT, PLAN or ACT may present such a score upon the approval of the Academics/Eligibility/ Compliance Cabinet or the Initial-Eligibility Waiver Committee;

(b) A prospective student-athlete must present the institution with a high school (or college) academic transcript;

(c) A high school or preparatory school prospective student-athlete must register with the NCAA Eligibility Center; and

(d) A high school or preparatory school prospective student-athlete must be placed on the institution's institutional request list (IRL) with the NCAA Eligibility Center.

13.6.3.1 NCAA Eligibility Center. A prospective student-athlete's fulfillment of these academic requirements may be certified by the NCAA Eligibility Center approved by the Executive Committee.
