

*Dear Parent,*

*Thank you for considering our camps! We invite your young athlete to be part of the 2012 Falcon Summer Sports Camps in beautiful Colorado Springs. We think you'll agree that the Air Force Academy's athletic facilities are second to none!*

*Falcon Sports Camps provide young athletes the opportunity to improve their skills while experiencing one of the great sports venues in America. From basketball to wrestling, your son or daughter will learn from the Academy's head coaching staffs.*

*Whether you're a boarder or commuter, all camps are designed to challenge campers and improve their skills while still having fun! Our camps also encourage teamwork, build self-esteem and promote the practice of good character qualities.*

*Please take a look and see what our camps have to offer. With 21 sports to choose from, there is something for everyone! With options to board or commute, we think you'll agree that Falcon Sports Camps is the ultimate experience in an incredible setting! Please remember that camps are on a first come, first serve basis. Register early and take advantage of our discounts! Thank you again for considering our camps.*

*GO FALCONS!*
