

FLIGHT INFO

Airport Boarders: If you are flying into Colorado Springs, we provide transportation to/from the Colorado Springs Airport only – not Denver/DIA. Campers **will not** be met at their gate. (The Colorado Springs Airport is small and easy to navigate). We ask you to proceed downstairs to the *Falcon Sports Camps* desk in the baggage claim area. From there, camp staff will direct campers to a bus where they will then be transported to the Air Force Academy's Cadet Field House for check-in.

For 2012, the Sunday arrival dates will be either **June 10 or June 17** (optimum time 9am – 3pm). The Friday departure dates will be **June 15 or June 22** (optimum time 2-5pm). If your camper is flying in, but will be picked up or taken to camp, but needs to fly out, please indicate that on your flight info in your online account.

If you have already registered & need to provide us with your camper's flight plans, please go into your account and fill out that information. If you have difficulties accessing your account or have questions, please call **Karyn (719-333-9537) or Randy (719-333-2116)**.
