THE PROUD LEGACY OF THE BLUE & SILVER CLUB

The Exclusive Falcon Experience

United States Air Force Academy

An Exclusive Invitation To Join THE BLUE & SILVER CLUB

Air Force Athletics has set the standard for sportsmanship, student-athlete commitment and dedication. For more than 50 years the cadet athletes of the Air Force Academy have competed at the highest levels of intercollegiate athletics. Acknowledged as leaders on and off the field, this combination of success at the highest academic and athletic levels is extraordinary and is a source of pride for all those who support the Air Force Academy.

The future of Air Force Academy intercollegiate athletics depends upon your generous contribution to help keep the Falcons competitive with opponents within the Mountain West Conference. The United States Air Force Academy is one of the smallest and youngest members of the NCAA and our graduates are still relatively few in number compared to most Division I institutions. Therefore, the Air Force Athletic Association relies heavily on the contributions made by individuals and corporate partners to help fund the 27 men's and women's athletic programs.

Your financial commitment provides a substantial opportunity for our cadet athletes to excel on the field of competition. After graduation our athletes apply that winning attitude in honorable service to our nation. Let's match their commitment and dedication by making their athletic dreams a reality.

The Progression of THE BLUE & SILVER PROGRAM

The Blue & Silver Club is committed to providing value and excellent customer service to our donors, fans and friends. As part of a new initiative, Air Force Athletics will introduce advancements in early 2008 to enhance your experience as an Air Force Falcon Fan. Online donations, donor profiles and up to date development information will soon be at your fingertips. Please visit the new Blue & Silver Club page at www.GoAirForceFalcons.com
