

Dear Football Patron,

The Department of Athletics and Falcon Football is pleased to announce a new parking and shuttle service for our handicapped patrons. Falcon Stadium has added 70 additional handicapped parking spaces located on the paved front portion of Lot 3 just east of the stadium. In addition, handicapped patrons now have access to pre-game and post-game handicapped shuttle service. This shuttle service is for handicapped patrons only and will provide shuttle service between Lot 3 and direct access to lower, mid level, and upper level entry gates on both the north and south sides of the stadium. Shuttles will only make stops at these designated locations (see map).

Please remember, handicapped parking is still available in Lots 1 and 5; however no shuttle service will be provided to and from these areas. We encourage our patrons that require shuttle service to park in the new handicapped portion of Lot 3.

Pre game service will begin two hours prior to game time. Post game service will start immediately after each game, and run for two hours. During the game, shuttle service will be provided on a case by case basis. If this should arise, please see one of our security representatives at those gates designated as a shuttle stop.

We appreciate your continued support and look forward to making your game day experience a pleasant one. Thank you again for being part of Air Force Football. Go Falcons!
