Nominations

Nominations to the academy may be obtained through a congressional sponsor or by meeting eligibility criteria in other categories of competition established by law.

Freshmen

- All new cadets begin with six weeks of basic cadet training (BCT) in their first summer prior to classes.

Summer Training

- Summer training for cadets is divided into three, three-week training periods. There are a variety of programs available, and each cadet is required to complete two training periods each summer with leave during the other period.

- Combat survival training (CST) is a required three-week program during cadets' second summer. For other second-summer training periods, cadets have options such as working with young airmen in an operational unit at an Air Force installation, airborne parachute training, soaring or basic free-fall parachute training.

- During their last two summers, all cadets are offered leadership training as supervisors or instructors in summer programs, such as basic cadet training, survival training, freefall parachuting and soaring.

Graduation

- Each cadet graduates with a bachelor of science degree and a commission as a second lieutenant in the Air Force.

History

In 1948 a board of leading civilian and military educators was appointed to plan the curriculum for an academy that would meet the needs of the newly established Air Force. The board determined that Air Force requirements could not be met by expanding the other service academies and recommended an Air Force academy be established without delay.

In 1949, then Secretary of the Air Force W. Stuart Symington appointed a commission to assist in selecting a site and on April 1, 1954, President Dwight D. Eisenhower authorized creation of the United States Air Force Academy. After considering 580 sites in 45 states, the commission narrowed the choice to three locations. The summer of 1954, Secretary of the Air Force Harold Talbott selected a site near Colorado Springs, Colo. Colorado contributed \$1 million toward purchase of the property.

In July 1955, the first academy class entered interim facilities at Lowry Air Force Base, Denver, while construction began. It was sufficiently completed for occupancy by the cadet wing in late August 1958. Initial construction cost was \$142 million.

Women entered the academy on June 28, 1976, as members of the class of 1980.

The Honor Code

"We Will Not Lie, Steal Or Cheat, Nor Tolerate Among Us Anyone Who Does"

The Air Force Academy Honor Code was formally adopted in 1956 by the first graduating class, the Class of 1959. It was then, and continues to be today, a minimum standard of conduct which cadets expect of themselves and their fellow cadets.

Cadet Pay

U.S. Air Force Academy cadets earn \$846 a month in basic pay that covers the costs of uniforms, books and supplies, with a modest amount left for personal spending and a savings account.

#38 Mike "Kaz" Kazlauskys
Head Coach
USAFA, 1991
Second Year
(33-72)

Mike Kazlauskys (Maj. Retired) enters his second year as Air Force baseball head coach in 2012. Kazlauskys was named head baseball coach on June 2, 2011, by Athletic Director Dr. Hans Mueh. Kazlauskys retired from active duty, effective June 1, and his interim tag was lifted to official head coach status. Kazlauskys signed a three-year contract through the 2014 season.

Kazlauskys retired with the rank of major after 20 years of meritorious service with the U.S. Air Force. As the interim head coach in 2011, Kazlauskys led the Falcons to a 19-36 overall record, leading the program to the most wins since 2002. The 19 wins were also the second-most in school history against Division I opponents and the most Division I wins by a first-year head coach at the Academy.

In his first year, Kazlauskys led Air Force to its first win over a Pac 10 school in 21 years and its first four-game sweep since 2003. The team fielded .960 to set a new school record. Sophomore Garrett Custons earned First-Team All-Mountain West honors by ranking in the conference top 10 in 11 categories. Sophomore right-hander Sean Carley posted one of the best seasons ever by a Falcon pitcher, earning Second-Team All-MW honors, the first Falcon pitcher to earn all-conference honors since 2002. Carley posted a 3.94 earned run average, the lowest at the Academy in 28 years. His 4.10 ERA in conference games set a school record in the Mountain West era. Air Force lowered its team ERA by over five runs a game from the 2010 season (11.31 to 6.09). The 6.09 team ERA was the lowest at Air Force in 29 years, dating back to 1982.

Kazlauskys, known as "Coach Kaz" is a 1991 Academy graduate and has logged six years as an assistant coach at the Academy. He is the first Academy graduate to become head baseball coach at Air Force and was the program's first military coach since 1988.

As one of the most inspirational and emotional players to ever wear the Air Force baseball uniform,

Kazlauskys came to USAFA baseball as a walk-on and started all four years. At the time of his graduation, he held eight career records and still ranks among the top six in nine of the 13 offensive categories. A two-time all-Western Athletic Conference (WAC) selection, Kazlauskys led the Falcons in batting in 1989 and 1991.

After a standout baseball career with the Falcons, "Kaz" spent three seasons from 1993 to 1995 as an assistant coach to former Falcon head coach Paul Mainieri, now the head skipper at LSU. During this time, the Falcons posted three consecutive winning seasons. The 1994 team led the nation in batting average, slugging percentage and triples. The 1995 team won 29 games, the second most in school history. After leaving the Academy in the summer of 1995, Kaz spent four years at Charleston Air Force Base, S.C., as a pilot in the C-17 aircraft.

He later returned to the Academy in the fall of 2000 as a TG4 and T-41/C-150 evaluator pilot in the 94th Flying Training Squadron. In addition to his flight duties, he also served as the volunteer baseball coach for the Falcons as well as the Preparatory School head baseball coach. During his tenure, the 2002 Falcon team set the school record for most Div. I victories and two Falcon players were drafted into the minor leagues. Kazlauskys then returned back to Charleston Air Force Base in 2004. He spent the next two and a half years as a C-17 pilot actively serving in the War on Terror, before returning to the Academy from 2006-2008 for this third tour as an assistant baseball coach. Kazlauskys spent 2010 as an Air Officer Commanding (AOC) for cadet squadron 12 at the Academy.

In 2007, Kazlauskys was inducted to the Lake County Hall of Fame in Lake County, Ill., for outstanding achievement. In 2008, he was inducted into the 14th Airlift Squadron Hall of Fame in Charleston, S.C..
