United States Air Force Academy Fact Sheet

Information obtained via USAFA Fact Sheet at www.af.mil

Nominations

Nominations to the academy may be obtained through a congressional sponsor or by meeting eligibility criteria in other categories of competition established by law.

Freshmen

- All new cadets begin with six weeks of basic cadet training (BCT) in their first summer prior to classes.

Summer Training

- Summer training for cadets is divided into three, three-week training periods. There are a variety of programs available, and each cadet is required to complete two training periods each summer with leave during the other period.

- Combat survival training (CST) is a required three-week program during cadets' second summer. For other second-summer training periods, cadets have options such as working with young airmen in an operational unit at an Air Force installation, airborne parachute training, soaring or basic free-fall parachute training.

- During their last two summers, all cadets are offered leadership training as supervisors or instructors in summer programs, such as basic cadet training, survival training, freefall parachuting and soaring.

Graduation

- Each cadet graduates with a bachelor of science degree and a commission as a second lieutenant in the Air Force.

History

In 1948 a board of leading civilian and military educators was appointed to plan the curriculum for an academy that would meet the needs of the newly established Air Force. The board determined that Air Force requirements could not be met by expanding the other service academies and recommended an Air Force academy be established without delay.

In 1949, then Secretary of the Air Force W. Stuart Symington appointed a commission to assist in selecting a site and on April 1, 1954, President Dwight D. Eisenhower authorized creation of the United States Air Force Academy. After considering 580 sites in 45 states, the commission narrowed the choice to three locations. The summer of 1954, Secretary of the Air Force Harold Talbott selected a site near Colorado Springs, Colo. Colorado contributed \$1 million toward purchase of the property.

In July 1955, the first academy class entered interim facilities at Lowry Air Force Base, Denver, while construction began. It was sufficiently completed for occupancy by the cadet wing in late August 1958. Initial construction cost was \$142 million.

Women entered the academy on June 28, 1976, as members of the class of 1980.

The Honor Code

"We Will Not Lie, Steal Or Cheat, Nor Tolerate Among Us Anyone Who Does"

The Air Force Academy Honor Code was formally adopted in 1956 by the first graduating class, the Class of 1959. It was then, and continues to be today, a minimum standard of conduct which cadets expect of themselves and their fellow cadets.

Cadet Pay

U.S. Air Force Academy cadets earn \$846 a month in basic pay that covers the costs of uniforms, books and supplies, with a modest amount left for personal spending and a savings account.

#8 Mike "Kaz" Kazlauský (Maj. Ret.)
Head Coach
USAFA, 1991
Seventh Year
(121-204)

Mike Kazlauský enters his seventh year as Air Force baseball head coach in 2017. Kazlauský was named head baseball coach on June 2, 2011, by Athletic Director Dr. Hans Mueh. Kazlauský retired from active duty, effective June 1, 2011, and his interim tag was lifted to official head coach status. A former player and Academy graduate, Kazlauský epitomizes what it means to don the Falcon baseball Blue and White.

Kazlauský, known as "Coach Kaz" is a 1991 Academy graduate and has logged six years as an assistant coach at the Academy. He is the first Academy graduate to become head baseball coach at Air Force and was the program's first military coach since 1988.

Kazlauský retired with the rank of major after 20 years of meritorious service with the U.S. Air Force. As the interim head coach in 2011, Kazlauský led the Falcons to a 19-36 overall record, leading the program to the most wins since 2002. The 19 wins were also the second-most in school history against Division I opponents and the most Division I wins by a first-year head coach at the Academy.

Air Force put together one of its best teams in program history in 2016. The Falcons posted a 30-27 record and made a deep run through the Mountain West Championship, finishing third. Falcons had the second most wins in a season in program history and for the second-straight season, set a program record for most Div. I game wins. Air Force had four all-Mountain West honorees, including the conference co-pitcher of the year in junior righthander Griffin Jax and the conference co-freshman of the year in 3B/DH Nic Ready. Jax and junior left fielder Tyler Jones earned All-America honors, while Ready earned freshman All-American honors. Air Force had two junior pitchers picked in the MLB draft, as Jax was a third-round selection of the Minnesota Twins and junior LHP Jacob DeVries went in the 38th round to the Cleveland Indians. The Falcons also got it done in the classroom as well, garnering eight MW all-academic honors including junior first baseman Russell Williams, who earned Academic All-America honors.

The 2015 season continued to show Air Force's continued upswing as an emerging program. The Falcons went 23-29 for its winningest season since 2002. The 22 wins over Div. I opponents set a new program record. Kazlauský guided the Falcons to its second-ever win over an SEC school with their win over Missouri. Coach Kaz also had his second-ever MLB draft pick, when senior RHP Ben Yokley was selected by the St. Louis Cardinals in the 29th round. In 2015, Kazlauský also became Air Force's winningest coach in the Mountain West era. The 2015 team set 25 school records (individual, team, conference), including best fielding percentage (.966), lowest team ERA in conference play (5.06) and lowest ERA in MW play by a pitcher (Trent Monaghan - 3.65). Kazlauský had three all-conference performers in outfielders Adam Groesbeck, Spencer Draws and pitcher Griffin Jax. In addition, the Falcons excelled in the classroom, with seven MW all-academic selection and an academic all-district honoree in outfielder Russell Williams. The Falcons also sent a player to the prestigious Cape Cod wood bat summer league as pitcher Jacob DeVries played for the Yarmouth-Dennis Red Sox.

In 2014, Kazlauský guided the Falcons to its best season in over a decade, posting a 20-34 record. The Falcons reached the 20 win mark for the first time since 2002 and its 19 wins over Div. I opponents is tied for the second-most ever in school history. Kazlauský produced his first Freshman All-American in outfielder Tyler Jones, who earned Louisville Slugger Freshman All-American honors. Jones also earned All-Mountain West honors, becoming the first Air Force freshman to earn all-conference honors in 23 years, dating back to 1991. Air Force was 4-2 against ranked teams in 2014, earning its first-ever series sweep of a ranked team, when it swept #20 UNLV in a three-game series.

The Falcons posted a 15-39 record in 2013. The Falcons had their winningest conference season since 2002. Kazlauský had his first player drafted in senior catcher Garrett Custons, who was a 10th round draft pick of the Toronto Blue Jays. Custons was also one of 15 semifinalists for the Johnny Bench Award. Falcon baseball also continued to excel in the classroom, producing a school-record eight Academic

All-Conference players.

In his first year, Kazlauský led Air Force to its first win over a Pac 10 school in 21 years and its first four-game sweep since 2003. The team fielded .960 to set a new school record. Sophomore Garrett Custons earned First-Team All-Mountain West honors by ranking in the conference top 10 in 11 categories. Sophomore right-hander Sean Carley posted one of the best seasons ever by a Falcon pitcher, earning second-team All-MW honors, the first Falcon pitcher to earn all-conference honors since 2002. Carley posted a 3.94 earned run average, the lowest at the Academy in 28 years. His 4.10 ERA in conference games set a school record in the Mountain West era. Air Force lowered its team ERA by over five runs a game from the 2010 season (11.31 to 6.09). The 6.09 team ERA was the lowest at Air Force in 29 years, dating back to 1982.

As one of the most inspirational and emotional players to ever wear the Air Force baseball uniform, Kazlauský came to USAFA baseball as a walk-on and started all four years. At the time of his graduation, he held eight career records and still ranks among the top six in nine of the 13 offensive categories. A two-time all-Western Athletic Conference (WAC) selection, Kazlauský led the Falcons in batting in 1989 and 1991.

After a standout baseball career with the Falcons, "Kaz" spent three seasons from 1993 to 1995 as an assistant coach to former Falcon head coach Paul Mainieri, now the head skipper at LSU. During this time, the Falcons posted three consecutive winning seasons. The 1994 team led the nation in batting average, slugging percentage and triples. The 1995 team won 29 games, the second most in school history. After leaving the Academy in the summer of 1995, Kaz spent four years at Charleston Air Force Base, S.C., as a pilot in the C-17 aircraft.

He later returned to the Academy in the fall of 2000 as a TG4 and T-41/C-150 evaluator pilot in the 94th Flying Training Squadron. In addition to his flight duties, he also served as the volunteer baseball coach for the Falcons as well as the Preparatory School head baseball coach. During his tenure, the 2002 Falcon team set the school record for most Div. I victories and two Falcon players were drafted into the minor leagues. Kazlauský then returned back to Charleston Air Force Base in 2004. He spent the next two and a half years as a C-17 pilot actively serving in the War on Terror, before returning to the Academy from 2006-2008 for this third tour as an assistant baseball coach. Kazlauský spent 2010 as an Air Officer Commanding (AOC) for cadet squadron 12 at the Academy.

In 2007, Kazlauský was inducted to the Lake County Hall of Fame in Lake County, Ill., for outstanding achievement. In 2008, he was inducted into the 14th Airlift Squadron Hall of Fame in Charleston, S.C.
