

2008 Falcon Football Pride Club Events Schedule

What Falcon Football Means to Me

August 23rd, 2008

All former falcon football players in attendance will have the opportunity to speak to the team about how Falcon Football strikes you in the heart. Last year's gathering meant a tremendous amount to our team as they heard about being a Falcon from our past players.

Alumni Weekend

November 8th, 2008- Honoring All Falcons and the 50 year anniversary of the 1958 Cotton Bowl Team

Last year's event brought back over 200 former team members. This year's reunion will be our 2nd annual since the start of our organization.

The Falcon Football Pride Club is growing and we need your support. We need you to contact any teammates, coaches and support personnel and also, please send me a list of any teammates that you may have information on (phone number, address, email, etc.). It is very important that we have your email address also! An honest attempt has been made to include all former players, coaches, trainers, administration and managers especially those from the 1958 squad.

We will block out some tee times for those who want to play golf on Friday afternoon. We will have a Thursday Night Tailgate at the Dublin House, Friday lunch at the Press box, a no host social Friday evening and then work to get each former team member introduced at halftime of the Saturday game. All those who attend Alumni Weekend will receive an Air Force Hat. Donations Welcome!

*Please type or print legibly so we can the most up to date information!
