AIR FORCE HIGHEST RANKING MW SCHOOL/SERVICE ACADEMY IN RECENT POLL: The Air Force Academy ranks 31st nationally among Division I schools in the 10th Annual NCSA Collegiate Power Rankings.

NCSA Athletic Recruiting's Collegiate 2012 Power Rankings assess the academic and athletics standards of all NCAA athletic programs across the country. The Power Rankings were developed to help prospective student athletes and their families evaluate the particular strengths of the top colleges and universities at the Division I, II and III levels. Fewer than six percent of colleges and universities earn a spot in NCSA Athletic Recruiting's Top 100 for 2012, and the United States Air Force Academy is in this elite class.

The Collegiate Power Rankings from NCSA Athletic Recruiting are calculated for each Division I, II and III college and university by averaging student-athlete graduation rates, academic rankings provided by U.S. News & World Report, and the strength of athletic departments as determined by the Learfield Sports Directors' Cup.

These Power Rankings are only one example of NCSA Athletic Recruiting's commitment to redefining collegiate recruiting. As the leading athletic recruiting network, NCSA connects more than 42,000 college coaches with student-athletes who hope to pursue both higher education and the chance to compete in athletics at the college level.

A comprehensive list of the rankings, both overall and by division, is available at: <http://www.ncsasports.org/about-ncsa/power-rankings>.

FALCONS AMONG NATIONAL LEADERS IN APR: The Air Force football program was among 12 nationally recognized Football Bowl Series programs recognized with the NCAA Division I Academic Performance Public Recognition Award, announced by the NCAA.

Air Force is one of just two in the Mountain West Conference (Boise State) and was the only service academy recognized. This year marks the sixth straight the football program and the team's score of 980 ranks 10th nationally. Northwestern has the highest ranking of 995, followed by Boise State and Duke at 989.

Each year the NCAA honors selects Division I sports teams by publicly recognizing their latest multiyear APR. This announcement is part of the overall Division I academic reform effort and is intended to highlight teams who demonstrate a commitment to academic progress and retention of student-athletes by achieving the top APRs within their respective sports. Specifically, these teams posted multiyear APRs in the top 10 percent of all squads in each sport.

The APR provides a real-time look at a team's academic success each semester by tracking the academic progress of each student-athlete. The APR accounts for eligibility, retention and graduation and provides a measure of each team's academic performance.

OFFENSIVE LINE TAKING CARE OF BUSINESS: Air Force's offensive line has done a great job this season. Despite losing starting center Michael Husar, Jr., in the season opener and having just two returning starters, Air Force went the first nine games of the season without allowing a sack. The Falcons were the final team in the nation to allow one, and have allowed just six all season.

The Falcons have played two games without one of those returning starters, preseason all-conference tackle Jason Kons. Austin Hayes, who replaced Husar at center, is out due to injury and Jordan Eason moved from guard to center to replace him. He is the third player to play center this season. Despite the changes and injuries, the offensive line has paved the way for Air Force to rank second in the nation in rushing with a 328.8 per-game average.

HOME SWEET HOME: Air Force finished 5-1 at home this season which ties as the fourth best mark in school history and the third time under head coach Troy Calhoun the team has accomplished it. The Falcons are 28-9 at home under Calhoun since 2007. The Falcons posted just the third undefeated home mark (6-0) in 2007. Air Force combined for 10 wins at home in 2009 and 2010 which is the third most in two seasons in school history.

THE RAM-FALCON TROPHY: Air Force defeated Colorado State, 42-21, Sept. 29 to win its 20th Ram-Falcon Trophy. This season marks the 33rd year of the trophy competition with Air Force holding a 20-13 lead. The trophy's origin is tracked back to Shelly Godkin, a former ROTC commander at Colorado State. He watched the teams play in 1978 and sought to translate his impressions into a trophy symbolic of an annual game. The first Ram-Falcon trophy game was in 1980.

THE KUTER TROPHY: Air Force defeated Hawai'i, 21-7, earlier this year to win the General Laurence S. Kuter Trophy, named after the first PACAF commander which is a tribute to the friendship between

This is the Air Force Academy

- Air Force student-athletes carry an average of 19 semester hours of academics each semester.
- Air Force doesn't redshirt student-athletes. Cadets attend for a total of eight semesters, so student-athletes only have those eight semesters to complete their athletic eligibility.
- Air Force is a non-scholarship school. Student-athletes, like other cadets, must earn a nomination to attend the Academy. Air Force student-athletes do not sign a National Letter of Intent on signing days.
- Air Force student-athletes may leave the Academy without penalty during their freshman or sophomore years. Once their junior year begins, they are committed to the Air Force.
- The post-graduate commitment for Air Force graduates is five years following graduation. For graduates that enter pilot training, it's eight years after pilot training for roughly a 10-year commitment.
- The Air Force Academy Prep School is located on the grounds of the Air Force Academy. The Prep School is simply that, a prep school for entrance to the Air Force Academy. Student-athletes that attend are still able to be recruited by other schools and must qualify to attend the Academy following that year. A student-athletes NCAA clock doesn't start while attending the Prep School.
- Air Force student-athletes have busy summers, which are broke into three three-week periods. Typically upperclassmen receive a period of leave, while the other two are filled with military training, academics or various other opportunities related to the Academy.
- U.S. News & World Report released its 2013 Best Colleges rankings, listing the Air Force Academy among the best in the nation in several categories.
 - #4 top undergraduate engineering program in the nation.
 - Several Air Force Academy engineering specialties also received top rankings, including:
 - #2 in Aerospace/Aeronautical/Astronautical engineering, 12th straight year
 - #5 in Civil Engineering
 - #5 in Computer Engineering
 - Tied for #6 in Electrical Engineering
 - #8 in Mechanical Engineering
 - #56 in Undergraduate Business Program, tied with several other universities

Hawai'i and Air Force and to the cooperation between the people of Hawai'i and their Air Force. The trophy was conceived by the University of Hawai'i, sponsored by the Pacific Air Command, and the Air Force Academy helped design it. The Kuter trophy is presented to the winner of the annual football game between the two schools. The teams have been competing for the trophy since 1982. Air Force has 11 trophy titles while Hawai'i has five. There has been one tie (1989).

Teams honors Air Force with patches

The Air Force Academy football team is once again honoring the Air Force and several different units throughout the season by wearing patches on its uniforms. The team is wearing the Air Force patch to honor the men and women of the U.S. Air Force.

The team is also honoring 10 of the Air Force's Heritage Wings and Groups by wearing patches on their home uniforms; and six USAF Air and Space Expeditionary Wings by wearing patches on their away uniforms for the fifth straight year.

The Heritage Wings and Groups date back to the foundations of the Air Force, beginning on Aug. 1, 1907, when the U.S. Army Signal Corps established a small Aeronautical Division to take "charge of all matters pertaining to military ballooning, air machines and all kindred subjects." But, it was not until May 26, 1909, that military aviation was born, when Lts. Frank P. Lahm and Benjamin D. Foulois made their first ascent and qualified as the airship's first Army pilots. The National Security Act of 1947 created a separate Department of the Air Force, headed by a Secretary of the Air Force; from that law, today's Air Force was officially born on Sept. 18, 1947.

The 10 patches represent active duty units that have colorful and distinguished histories. These "heritage units" not only represent the legacy of the Air Force past, but also the promise of its future. Each Air Force mission and capability is represented with this cross-section of units. The Air and Space Expeditionary Force concept is the Air Force's vision for the 21st century to organize, train, equip and deploy forces for contingency operations while remaining ready to meet national crises. AEF also helps create a mindset and culture that embraces the unique characteristics of air and space power - range, speed, flexibility and precision. Military personnel that are deployed become a part of one of these six wings.

Heritage wing/groups:

8th Fighter Wing - Kunsan AB, Korea
 31st Fighter Wing - Aviano AB, Italy
 3rd Wing - Elmendorf AFB, Alaska
 14th Flying Training Wing - Columbus AFB, Miss.

 19th Air Refueling Group - Robins AFB, Ga.
 9th Reconnaissance Wing - Beale AFB, Calif.
 341st Space Wing - Malmstrom AFB, Mont.
 1st Special Operations Wing - Hurlburt Field, Fla.
 315th Airlift Wing - Charleston AFB, S.C.

SENIOR CONNOR DIETZ TAKES OVER AT QB: Senior Connor Dietz follows a pair of four-year starters in Tim Jefferson (2008-11) and Shaun Carney (2004-07), but is making his own history. Dietz has rushed for 1,336 yards and scored nine touchdowns in his career. He has hit 99-of-168 passes for 1,519 yards and 11 touchdowns with just four interceptions. Dietz is the Air Force career leader in pass interception avoidance with a .024 mark. Dietz went 79 attempts without a pick this season before throwing his first two of the season at Army. Dietz holds the school record for career pass efficiency rating with a mark of 151.72.

Dietz is having a great 2012 season. He would lead the Mountain West and rank fourth in the nation in passing efficiency with his 168.58 mark, but lacks enough attempts to qualify. Dietz has hit 67-of-108 passes for 1,127 yards with eight touchdowns and three interceptions. He was one of just three players, A.J. McCarron of Alabama and Louisiana Tech's Colby Cameron, to not throw an interception until the ninth game of the season. Dietz has hit 62.0 percent of his passes which is the third-best single season mark in school history.

He is second on the team in rushing with 658 yards and five touchdowns while averaging 4.8 yards per carry. He rushed for a season-high 92 yards at Wyoming.

Scott Thomas elected to HOF

Scott Thomas, a 1986 graduate of the Air Force Academy and former All-American safety, has been elected into the College Football Hall of Fame as part of the class of 2012. Thomas is the fourth former Falcon to be elected to the HOF, players Brock Strom (1985) and Chad Hennings (2006) and former coach Fisher DeBerry (2011).

Thomas earned consensus All-American honors in 1985 as a senior while leading Air Force to a school-best 12-1 record, a No. 5 national ranking and victory over Texas in the Bluebonnet Bowl. He led the team in interceptions with six that season and became just the seventh player in NCAA history at the time to have a kickoff, punt and interception return for a touchdown in the same season.

Affectionately known as Spike, Thomas is one of just five consensus All-Americans in Air Force history, joining Strom (1958), Ernie Jennings (1970), Hennings (1987) and Carlton McDonald (1992). He ranks sixth in school history with 10 career interceptions. A special teams standout, Thomas ranks among Air Force's all-time leaders in kickoff return yardage (ninth, 657 yards), kickoff return average (seventh, 25.2 average), punt returns (third, 52 returns), punt return yards (second, 613 yards) and punt return average (eighth, 11.7). He is the only player in school history in the top 10 in each category.

Thomas is currently a lieutenant colonel in the Air Force reserves stationed at Sheppard AFB, Texas, where is the deputy operations group commander for the 80 Fighter Training Group, Air Force reserve liaison, as well as a commercial pilot. He has more than 4,300 flying hours in the F-16C and the T38. His active duty career spanned from 1986-2000 and included service as an instructor pilot in the F-16 and T-38. His career included flying missions during Operations DESERT SHIELD and DESERT STORM where he was decorated with the Distinguished Flying Cross.

Thomas earned national recognition during the Gulf War in 1991 when his F-16 fighter jet malfunctioned at 32,000 feet over enemy territory. He evaded enemy forces for two hours until being rescued by a U.S. Army Black Hawk helicopter. Altogether, he served over seven months in combat.

Thomas and his wife, Kelly, have a daughter, Emily, and son, Peter, and live in Wichita Falls, Texas. Thomas is a native of San Antonio, Texas, and attended Jay High School where he was an all-city running back. He was elected into the Air Force Academy Athletic Hall of Fame in 2011.

- First Air Force player since All-American Beau Morgan in 1995 with five straight 100-yard rushing games.
- Became the 14th player in Air Force history to top the 1,000-yard mark in a single-season.

for tackles was 12 earlier this season vs. Navy. Spears has three games with double figures in tackles this season and is third on the team in tackles with 86. He is averaging 7.2 tackles per game which ranks third in the conference among defensive backs.

STRICKLAND ONE OF SEVEN: Senior WR Dontae Strickland is one of seven players nationally to rush, catch and throw a touchdown this season. Strickland rushed for a touchdown vs. Colorado State and caught one vs. Wyoming. His touchdown pass came vs. Navy. He is one of just two receivers to accomplish it, joining Dri Archer of Kent State. The others to do it are all quarterbacks: Spencer Keith of Kent State, Brandon Connette of Duke, Tyler Tettleton of Ohio, Bo Wallace of Mississippi and Marcus Mariota of Oregon.

HANSEN HAS RECORD DAY VS. HAWAII: Freshman Alex Hansen had the best day of his young career in last week's 21-7 win over Hawai'i. In fact, Hansen had one of the best days ever by a Falcon defensive player. He recorded five total tackles, including four unassisted, which is the second most of his career. He also recorded a career-high two quarterback sacks for 13 yards which is the most by a Falcon this season. Hansen also recorded a career-high four tackles for loss for 18 yards which is the most by a Falcon this season and most in the Troy Calhoun-era. His four tackles for loss ties as the seventh-most in school history, just two behind the school record of six, and are the most since Monty Coleman had four vs. North Texas in 2003. The four tackles for loss is also the most by a freshman in school history.

Head Coach Troy Calhoun

The Air Force Academy's purpose is to develop young people of strong character who graduate and serve as outstanding leaders for our country. Air Force student-athletes must complete one of the nation's most demanding academic curriculums while further embedding the kind of heart and character that are a crucial foundation for service. It's a purpose Troy Calhoun thoroughly respects and appreciates. While embracing the mission of the Academy, Calhoun has also found a way to build a very competitive football program within one of college football's strongest conferences.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun was a semifinalist for the 2010 Paterno National Coach of the Year award for his efforts on and off the field.

His players have also been amazingly successful finishing their academic and leadership responsibilities. The Air Force football team's most recent NCAA APR is an astounding 980 which once again places the Academy amongst the nation's top 10 in the sport of football.

Calhoun, who is in his sixth season, has also lifted the Falcon football program to unprecedented heights within the Mountain West Conference. Calhoun is **47-30** after taking over a program that had posted three straight losing seasons before his arrival. They have posted wins at Notre Dame and Utah and led the Falcons to a school-record five straight bowl games. Last season he led the Falcons to a 7-6 overall mark and to the school's first back-to-back Commander-in-Chief's Trophy titles since 2002 with victories over Army and Navy. The team also qualified for the Military Bowl.

In Mountain West Conference play Calhoun is **29-18** and his conference winning percentage (**.617**) is the fifth best in conference history.

Air Force, coming off a three straight losing seasons, finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas.

The five-game turnaround from the previous season, was the largest in the nation by a first-year head coach and tied as the third-largest overall in the nation. The five-game turnaround is the best in school history since the 1958 team had a school-record turnaround of six games.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors. Calhoun followed with back-to-back 8-5 overall records and fourth place conference finishes with 5-3 marks in 2008 and 2009. The team earned bids to the Armed Forces Bowl each season and posted the school's first bowl victory since 2000 with a 47-20 win over Houston in 2009.

In 2010 the Falcons posted a 9-4 overall record and recorded their fourth straight top four conference finish with a 5-3 mark. The Falcons were nationally ranked for the first time since 2003 and posted a victory as a ranked team for the first time since 2002. The team capped the season with a 14-7 win over George Tech in 2010 Independence Bowl to earn a second-straight bowl victory.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letterwinners on nationally-ranked teams. Calhoun's younger sister, Callie, is a 1991 Academy graduate and four-year letterwinner in track and cross country. Calhoun finished at the Academy on the superintendent's list and graduated with over a 3.0 grade point average and a military performance average of better than 3.0. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (10) and Amelia (eight).
