INVEST IN THE FUTURE OF AIR FORCE FOOTBALL

Falcon Football Heritage Wall

::SAMPLE::

On the field level of the west side of Falcon Stadium we will begin unveiling plaques on November 8th for each class at the Academy. A 4 foot high by 3 foot wide plaque for each class will include the names of each senior member of the football team who graduated from the Academy. The Falcon Football Pride club this year will pay for the plaques for the classes of 1959-1962. If a class wants to round up \$7000 by September 15, 2008 they will also have their plaques unveiled on alumni weekend this year (2008). It takes 6 weeks to get the plaques ordered, delivered and hung at the stadium.
