SCOUTING REPORT:

"Kory has a very quick first step and she is very good at driving to her left. She understands game situations very well and is a good ball handler. The key is to get Kory playing on an even-keel this season. If we can, she should have a successful season and be a significant contributor. She has shown tremendous growth both on and off the court and this growth should help her blossom this year."

~ head coach Ardie McInelly
