# The North and South Field Suites at Bryant-Denny Stadium

## THE NORTH AND THE SOUTH FIELD SUITES

Since 2006 the North Field Suite at Bryant-Denny Stadium has provided an outstanding venue for entertaining clients, associates, friends and family in a setting designed with privacy and luxury in mind. This year we are excited to announce the addition of the **South Field Suite**. This area will allow your guests to enjoy the same impressive environment, including close to the field seating and upscale amenities as the North Field Suite has provided.

### EXPERIENCE

Both the North and the South Field Suites are situated just a few feet above the playing field and located just a step away from the end zone. Your Field Suite seats will put you as close to the action as you can get without a helmet and shoulder pads. With the scoring action virtually in your seats you will be provided an unforgettable, arms-length collegiate experience.

### AVAILABILITY

The North and the South Field Suites are available for each of the Crimson Tide's 2010 home games. The North Field Suite has a capacity of 150 seats while the South will allow 370 patrons.
