2010-11 home opponents in bold

After playing its first 10 seasons at the Birmingham-Jefferson Civic Center Coliseum, UAB got a home of its own at the beginning of the 1988-89 season. It has been a remarkable home court advantage; in 22 seasons, the Blazers are 264-57 (.822) on their home floor, including an impressive 41-6 (.872) home mark over the past three seasons (2007-10) entering the 2010-11 campaign. In a report by RPI Ratings.com issued in October of 2009 which ranked the best home court out of 343 schools in the country, UAB's Bartow Arena was ranked 27th-best in the nation with an .825 winning percentage.

In October of 2009, UAB athletic director Brian Mackin, with the help of ISP, added new, state-of-the-art scoreboards for Bartow Arena. The scoreboards provide additional information and video capabilities that feature LED technology while offering expanded inventory opportunities for corporate partners.

Known as UAB Arena for most of its first nine seasons, the facility was officially renamed Bartow Arena on Jan. 25, 1997, honoring UAB athletics director and former head coach Gene Bartow, who was so instrumental in the building of both the athletic program and the building itself.

Bartow Arena has a total of 18,000 square feet of floor space with the lower level seats retracted, and 8,500 seats for basketball (6,500 permanent, 2,000 retractable), and a maximum basketball capacity of just over 9,000. On Feb. 16, 2008, an arena record crowd of 9,392 watched as the Blazers battled then-No. 1 Memphis.

Bartow Arena is also the home to the athletic department administrative offices, the athletic ticket office, the Champion Club, two athletic training rooms for the men's and women's basketball and volleyball teams.

The Green and Gold Room, home of the Blazer Club, as well as a wide variety of university functions, is located on the arena's main level. The renovations to the building over the years include an administrative towers annex, a locker room for football, a portable playing surface and major improvements to the Green and Gold Room and Champion Club room.

An extremely versatile facility, Bartow Arena has hosted commencement ceremonies and convocations, concerts of all types, lectures, special appearances by celebrities such as Michael Jordan, Jackie Joyner-Kersey and President Barack Obama, as well as championship events for the Sun Belt and Great Midwest Conferences. UAB also hosted the 1996 Conference USA Women's Basketball Championship tournament.

## Conference USA

**Britton Banowsky**  
*C-USA Commissioner*

Marking its 15-year milestone during the 2009-10 season, Conference USA is still going strong. From the beginning, dedication to excellence has been the league's guiding principle and remains today a common thread for a promising future. Together, we are committed to excellence, integrity and leadership in athletics, academics and in our communities.

All C-USA institutions sponsor Division I-A football, along with several other men's and women's athletic programs, many of which compete regularly for NCAA Championships. C-USA sponsors competition in 20 sports - nine for men (baseball, basketball, cross country, football, golf, soccer, tennis and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, rowing, softball, soccer, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. C-USA annually awards 12 postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.

Conference USA also added a Spirit of Service Award, recognizing student-athletes three times a year for a combination of significant community service efforts, good academic standing and participation in their elected sport.

The league has also had six national cham-

pions in NCAA track and field competition, one national champion in diving and numerous NCAA individual and team competitors in cross country, golf, swimming, tennis and track and field. Overall, Conference USA teams and individuals have made more than 500 NCAA appearances.

### SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance among student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well. In 15 years, 130 student-athletes earned national ESPN The Magazine Academic All-America honors, while 461 were named All-District. In addition, more than 20,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

### C-USA ON TV

C-USA enjoys significant television exposure through its partnerships with ESPN Inc. and CBS College Sports Television Networks. The league entered into long-term agreements with both ESPN and CBS College Sports, which, combined, provides C-USA with significant national and regional exposure for football, men's and women's basketball, and all other conference sports. Additionally, the CBS College Sports agreement includes video-on-demand, Internet, broadband, national over-the-air and satellite radio, and wireless distribution as well as corporate marketing rights, and website production through CBS Interactive. The agreement with ESPN extends the conference's current regular season football package to include the broadcast of the conference's Football Championship Game. It also encompasses distribution of men's basketball and women's basketball on ESPN/ESPN2 and both tournament championship games.

### C-USA IN THE COMMUNITY

The conference's footprint is concentrated with 12 members in nine states and a combined area population of nearly 17 million. More than 1.1 million living alumni represent C-USA schools across the nation. With a renewed commitment to community involvement, the conference has begun development of several initiatives to maintain strong ties in C-USA cities, as well as with fans and alumni across the country. C-USA schools also place a priority on giving back to their communities through volunteer service with local and national organizations.

### GOVERNANCE

Along with the ACC, Big East, Big Ten, Big 12, Pac-10 and SEC, Conference USA is one of the seven conferences having significant representation in the NCAA governance structure. The Presidents of the member institutions serve as the league's Board of Directors. R. Gerald Turner of SMU currently serves as chair of the Board.

### A PROUD HISTORY; A PROMISING FUTURE

Conference USA was formed in 1995 and quickly emerged as one of the nation's top conferences. The conference unveiled its name, logo and commissioner on April 24, 1995 in Chicago. The league's charter members included Charlotte, Cincinnati, DePaul, Houston, Louisville, Marquette, Memphis, Saint Louis, Southern Miss, Tulane, UAB and USE. Eleven of the institutions began athletic participation in 1995, while Houston joined competition in the fall of 1996.

The league's headquarters were established in Chicago and after nine years, relocated to the current office in Irving, Texas. Britton Banowsky was named Commissioner in October 2002, succeeding Mike Slive, the league's first commissioner.

C-USA added East Carolina (September, 1996) and the United States Military Academy (March, 1997) as football members. ECU began league competition in 1997; Army in 1998 and UAB began football play in 1999. The league added TCU and ECU (1999) for all sports and they began competition in 2001. USF started C-USA football in 2003.

After celebrating its 10th Anniversary during the 2004-05 season, C-USA began a new chapter in 2005-06 when its current membership came together to form the new look of the league.

Since its formation, C-USA has established a strong foundation, an identity and a history that reflects the league's national presence. Fourteen years of remarkable history has reinforced the league's position in collegiate athletics, setting the course for the next decade and beyond.
