

Question of the Week

With your parent or guardian's permission, do some research at www.arizonawildcats.com and be the first to find the correct answer for the question of the week. Good Luck!

In what year was “Bear Down” painted on the gymnasium roof?

Email your answers to clubaz@email.arizona.edu. We'll post new games and contests throughout the summer. When you email the correct answer, you will be entered into a drawing for a cool prize at the end of the summer! Please include your first and last name and your member number when you send in your answers.

Only one entry per person, per game/contest, will be considered. Must be a Club Arizona member to be eligible for the drawing.
