SATURDAY'S HEADLINES

- ▶ Army plays its second road game in three weeks on Saturday when it travels to Winston-Salem, N.C. to take on the Wake Forest Demon Deacons. The Black Knights are 0-2 after a season-opening road loss at San Diego State and a one-point defeat versus Northern Illinois in their home debut.
- ▶ The Black Knights will attempt to put a number of losing streaks to bed on Saturday. Army have lost six straight games overall, nine straight away from West Point, five in a row against Wake Forest and four in a row on the Demon Deacons' home field.
- ▶ Army's offense is coming off a 486-yard, six touchdown rushing performance against Northern Illinois. The Black Knights averaged 5.7 yards per rush and held the ball for 42:33. The effort tied for 14th on the Academy single-game rushing ledger, and was the Black Knights' best rushing game against a Football Bowl Subdivision opponent since running for 546 yards versus Rutgers on Oct. 12, 1996.
- ▶ Saturday's game marked Army highest rushing total ever in a loss. The previous mark was 461 rushing yards in a 38-31 loss at Rice in 2008. It was the first time in Academy history the Black Knights rushed for 450 yards and scored 40 points in a loss.
- ▶ The Black Knights had three players reach the 100-yard mark on the ground. Junior RB Raymond Maples tied his career high with 159 yards on 23 carries. It was his second straight 100-yard game and the seventh of his career. Sophomore FB Larry Dixon posted his first career 100-yard game with 136 yards and a career-high three touchdowns, while senior QB Trent Steelman rounded out the trio with 116 yards and a pair of scores. It was the first time since Army's 1996 win versus Rutgers that as many as three players cracked the century plateau.
- ▶ The Black Knights' 486 yards against Northern Illinois was the top rushing game in the nation this season. The performance propelled Army into the No. 2 spot on the national rushing list at 384.00 yards per game. The Black Knights led the nation in rushing last season at 346.50 yards per game.
- ▶ After not forcing a turnover and being -3 in turnover margin in the opener, the Black Knights' defense accounted for three takeaways against Northern Illinois, while the offense didn't turn the ball over. It was the first time under head coach Rich Ellerson that the Black Knights lost a game in which it held at least a +3 turnover margin (5-1).
- ▶ Army has not started a season 0-3 since the 2008 squad lost its first four games.
- ▶ The Black Knights will have completed half of their road schedule after Saturday's game. Army plays just four games on its opponents' home fields this season.

A WIN VS. WAKE FOREST WOULD ...

- ▶ Snap Army's six-game overall losing streak dating back to last season.
- ▶ End Army's nine-game losing streak in games played away from West Point.
- ▶ Avoid Army's first 0-3 start since 2008.
- ▶ Be Army's second straight road win over an ACC team (at Duke, 2010).
- ▶ Avoid Army's first 0-3 start since 2008.
- ▶ Snap the Black Knights' five-game losing streak against Wake Forest.
- ▶ Be Army's first win in Winston-Salem (0-4).
- ▶ Be Head Coach Rich Ellerson's 16th win at West Point (15-24).

SCOUTING THE DEMON DEACONS

- ▶ Wake Forest is under the leadership of head coach Jim Grobe who is in his 12th season in Winston-Salem. Grobe has specialized in program turnarounds during his 18 seasons as Division I head coach. At Ohio University, Grobe took over a program that had won 17 games in 10 years and posted a 33-33-1 record in six seasons. Wake Forest had won just 26 victories in the eight seasons prior to his arrival, but in his second season Grobe guided the team to seven wins and a berth in the Seattle Bowl. In 2006, the Demon Deacons went 11-3 and won their first ACC title since 1970. Grobe has guided Wake Forest to four postseason appearances in the past six years.
- ▶ The Demon Deacons got off to a fast start, winning their first two games before suffering their first loss last week at fifth-ranked Florida State. Wake Forest defeated Liberty, 20-17, in its opener and followed with a 28-27 win against ACC foe North Carolina.
- ▶ Wake Forest suffered its first shut out loss since 2010 last week. The Seminoles defense limited the Deacons to 126 yards of total offense and only 1.2 yards per rushing attempt. Josh Harris ran 15 times for 51 yards, while quarterback Tanner Price was 8-for-22 for 82 yards. Florida State gained 612 yards of total offense, including 385 rushing yards.
- ▶ Offensively, Wake Forest is averaging 16.0 points and 281.7 yards per game. Most of the Demon Deacons' damage has been done through the air. The team is averaging 213.33 yards passing through its first three games. Price has completed 51 of his 88 throws (.580) for 604 yards and a touchdown with two interceptions. He has also accounted for two rushing touchdowns. Deandre Martin is the team's leading rusher with 101 yards and two scores on 33 attempts. Harris has 91 yards and a touchdown on a team-high 41 carries. Michael Campanaro leads the team with 24 receptions, 268 yards and a touchdowns. His 8.0 receptions per game is tied for 10th best in the nation. Brandon Terry is averaging a team-high 22.0 yards per catch (6-132).
- ▶ Wake Forest's 3-4 defensive alignment is allowing 32.0 points and 467.67 yards through the first three games. Linebacker Riley Haynes leads the team with 22 tackles and has one of the team's two interceptions. Defensive end Kris Redding owns a team-high 3.0 tackles for loss and is tied for the team lead with linebacker Justin Jackson with 2.0 quarterback sacks. A.J. Marshall has a team-high three passes defensed, accounting for an interception and two pass breakups.
- ▶ Jimmy Newman handles both the kickoff and placekicking duties for the Demon Deacons. He has made all six of his extra point attempts, but is 0-for-2 on field goal tries. Alex Kinal is averaging 39.6 yards per punt, including 12 that have been downed inside the 20-yard line. Campanaro owns a 4.7 yards-per-punt return average, while Lovell Jackson has returned seven kickoffs for 137 yards (19.6/return).

ARMY IN OVERTIME

- ▶ After playing just one overtime game between 1996 and 2005, Army has had seven games go to an extra session in its last 59 outings.
- ▶ Army's seven overtime games since 2006 is tied for fourth most in the nation during that span. East Carolina has played nine such games, while Navy and Buffalo have each played eight OT games. The Black Knights are tied with Minnesota at seven.
- ▶ Army lost its last overtime game, a 23-20 setback versus Rutgers on Oct. 16, 2010. Army is now 6-2 all-time in overtime. Army is 5-0 at Michie Stadium in overtime.
- ▶ Army has allowed just 16 points in its eight overtime games. Rutgers' game-winning score was the first time the opponent reached the end zone after regulation since Louisville scored a touchdown in the first overtime in 1999. It stopped a streak of seven straight overtime periods without allowing a touchdown.

SATURDAY'S UNIFORM PATCH

The Black Knights will be wearing the unit patch of the **82nd Airborne** when they play Wake Forest. Based out of Fort Bragg, N.C., the 82nd Airborne was formed on Aug. 25, 1917 at Camp Gordon, Ga. Members of the Division came from all 48 states. The unit was nicknamed "All-Americans," leading to the "AA" on the patch. The 82nd fought during World War I, but was demobilized at the end of the conflict. The unit was reactivated in 1942 under the command of Maj. Gen. Omar Bradley. On Aug. 15 of that year, the 82nd Infantry Division became the first airborne division in the U.S. Army. Since WWII, the unit has fought in the Dominican Republic, Vietnam, Grenada, Honduras, Panama, Iraq, Kosovo and Afghanistan.

BROTHERLY LOVE

- ▶ The Black Knights have four sets of brothers on the 2012 roster, including two sets of twins – senior DE Zach Watts and junior LB Corey Watts, and junior DB Jordan Crockett and RB Julian Crockett. In addition, freshman DB Joey Giovannelli and freshman DT Evan Finnane joined older brothers Tony (sophomore RB) and Shane (junior DT) on the Army roster this season.
- ▶ In addition, there are three players on the Army roster who had older brothers play for the Black Knights in recent years. Junior LB Justin Trimble is the younger brother of both Jeremy Trimble (2004-07) and Jordan Trimble (2007-10). Jeremy finished his career as Army's all-time leading receiver, while Jordan was an Academic All-American at safety. Sophomore DT Michael Ugenyi and freshman OL Jake Peterson are the younger brothers of Victor Ugenyi (2006-09), a former starter on the defensive front, and Zach Peterson (2007-10), Army's starting center on its 2010 Armed Forces Bowl championship squad.

NO (TURNOVER) MARGIN FOR ERROR

- ▶ After a -3 turnover margin at San Diego State, the Black Knights were +3 against Northern Illinois.
- ▶ Despite last week's loss, turnover margin has been one of the best predictors of Army's success in recent seasons. Since the start of 2006, the Black Knights have posted a 15-6 record when winning the turnover battle. On the flip side, Army is 9-44 when the margin is negative or even.
- ▶ In its last 11 losses, Army is -10 in turnovers (-0.9). In their last three wins, the Black Knights are +1 (+0.33).
- ▶ Army has lost only four games under Rich Ellerson when on the plus side of the turnover battle and just three times when holding at least a two-takeaway advantage. The Black Knights are 11-4 when winning the turnover margin under Ellerson.
- ▶ In Army's last 15 wins the Black Knights are averaging 2.9 takeaways and hold a +1.9 turnover margin average (44-16 overall). Conversely, in its last 24 losses, Army is averaging just 1.3 takeaways per game and is on the wrong end of a -0.67 turnover margin average (30-46 overall).
- ▶ Army is 2-13 in its last 15 games without forcing an opponent turnover.

SPREAD THE WEALTH

- ▶ Junior RB Raymond Maples (159), sophomore FB Larry Dixon (136) and senior QB Trent Steelman (116) each reached the 100-yard rushing mark against Northern Illinois. It was the first time Army had three players gain at least 100 yards in the same game since Oct. 12, 1996 versus Rutgers.
- ▶ Army has had multiple 100-yard rushers in each of the first two games. It is the first time since 1998 that the Black Knights had at least two players rush for 100 yards in the same game twice during the season. That is also the last time Army accomplished the feat in consecutive games (vs. Louisville; vs. Navy).
- ▶ The Black Knights have had four players register at least one 100-yard game already this season. In addition to the three versus Northern Illinois, sophomore RB Terry Baggett posted his first 100-yard effort in the opener at San Diego State. It is the first time four different Black Knights have had at least one 100-yard game in the same season since 1999 (5).

SCOREBOARD WATCHING

- ▶ The Black Knights suffered a rare defeat when reaching the 40-point mark in its 41-40 loss to Northern Illinois. The loss snapped Army's eight-game winning streak when scoring at least 40 points.
- ▶ The Black Knights have scored at least 21 points 21 times since the start of 2009, posting a 12-9 record which accounts for 80 percent of the team's 15 victories in that span.
- ▶ Conversely, Army is 3-15 in that same time span when scoring 20 points or less. The Black Knights have lost five straight games when failing to score at least 21 points.

BIG PLAY RAY

- ▶ Raymond Maples averaged 7.3 yards per carry in 2011, the highest average in Army history among runners with at least 100 carries in a season.
- ▶ Maples is averaging 6.3 yards per carry through the first two games this season, needing only 42 carries to gain 266 yards.
- ▶ For his career, Maples is averaging 6.5 yards per carry, which ranks third on Army's career list among those with at least 100 rushing attempts.
- ▶ Including his receiving and kickoff return numbers, Maples averages 7.1 yards every time he touches the ball. He owns a career 16.5 yards-per-reception average (4-66) and 16.2 yards-per-kick return average (10-162).

DIXON HAS CAREER DAY VERSUS HUSKIES

- ▶ Sophomore FB Larry Dixon posted career highs with 28 carries, 136 yards and three touchdowns against Northern Illinois. It was Dixon's the first 100-yard game and the first multi-touchdown game of his career.
- ▶ Dixon is the fifth active Army player to rush for 100 yards in a game, joining Jared Hassin, Raymond Maples, Terry Baggett and Trent Steelman.
- ▶ Dixon was named the Football Bowl Subdivision Independent Offensive Player of the Week for his efforts against the Huskies.

BAGGETT HITS CENTURY MARK

- ▶ Sophomore RB Terry Baggett posted the first 100-yard rushing game of his career against San Diego State, running for 100 yards and a touchdown on just 13 carries.
- ▶ Baggett accounted for Army's lone touchdown against the Aztecs with a 10-yard touchdown run. It was his second career touchdown.
- ▶ Baggett is trying to become the latest sophomore to shine in the Army running game. In 2010, Jared Hassin rushed for 1,013 yards, while Raymond Maples ran for 1,066 yards last season.
- ▶ Baggett was on his way to a second 100-yard effort versus Northern Illinois, rushing for 38 yards on just three carries (12.7 yds/att.) before leaving the game with a knee injury in the first quarter.

WILLIAMS MAKES FIRST CAREER CATCH

- ▶ Junior WR Scott Williams accounted for Army's lone reception against Northern Illinois. It was the first catch of his career.
- ▶ Williams was converted to wide receiver during preseason camp. He played his first two seasons as a running back.

ARMY DEFENSIVE NOTES

THE MAGIC NUMBER

- ▶ Army won its 15th straight game when holding an opponent to 14 points or less in its 55-0 win over Fordham last season. The last time the Black Knights allowed 14-or-fewer points and lost was Sept. 2, 2006 in a 14-6 loss at Arkansas State. Since 2000, Army is 18-2 when holding opponents to no more than 14 points.
- ▶ After the loss to Northern Illinois, the Black Knights are 20-118 since 1996 when allowing opponents to score 18-or-more points. In that same span, Army is 32-7 when the opponent tallies 17 or less.
- ▶ The Black Knights' 41-40 loss to the Huskies was their 39th straight defeat when allowing at least 40 points. The last time Army won a game when its foe scored more than 40 was a 59-52 double-overtime win over Louisville on Oct. 7, 1999.

GET OFF THE FIELD

- ▶ Much like the offense, distance dictates third-down success. In the last 39 games, the Black Knights have allowed their opponents to convert only 27.3 percent of their third downs when the line to make is at least seven yards away (66-242). Conversely, when Army's opponent has three-or-fewer yards to go, they are converting at a 73.8 percent clip.

TAKING VICTORIES

- ▶ Army did not force a turnover in the loss at San Diego State, falling to 2-13 in its last 15 games without forcing an opponent turnover.
- ▶ The Black Knights' last win without a takeaway came last season against Northwestern (21-14).
- ▶ Even with three takeaways in the loss versus Northern Illinois, Army is 10-2 when forcing at least three turnovers and 5-22 with two-or-less takeaways since the start of the 2009 season.

WHAT THEY'RE SAYING

"Rich is an excellent football coach whose football mind speaks for itself. He's an individual that wants to be at West Point. He thinks there's something very important about Army winning on the football field as it carries over into the total military. I'm very high on Rich as a person, as a coach and as an individual that will do everything in his power to have a successful program at West Point."

Jim Young, former Army head coach (1983-90)

"Army just hired the best football coach in the country. If there was ever a perfect fit in your situation, Rich is it. I know all the obvious family ties, but I'm really not talking about all those things. I'm talking about the fact that I have such a high regard for Rich as a football coach, but even more so as a competitor. He's just a tough 'son of a gun' that will find any way he can to compete, and I just know that he will do very, very well at West Point. I couldn't be more thrilled for him and his family."

Dick Tomey, former head coach at Hawai'i (1977-86), Arizona (1987-2000) and San Jose State (2005-09)

"I know that Rich has always had a love for the Academy and for West Point. I knew that if he ever had an opportunity at some point in his career that it would be a perfect fit. My son, Tyler, played for him at Cal Poly. There is nobody I would rather have mentoring my son, not only in football. To have Rich Ellerson watching over my son at Cal Poly was very comforting because I knew that my son would be very well taken care of and required to be a good student, a good person, to follow rules and to do things as Rich set them up. There is nobody I would rather send my son to than Rich Ellerson. When your kid goes away, whether it is three hours away or across the country, you want to know that the man in charge is going to have a real positive influence on your son, and I knew that Rich was that person."

Steve Mariucci, former NFL head coach and current NFL Network analyst

**HEAD COACH RICH ELLERSON (HAWAI'I, 1977)
4TH SEASON AT ARMY (15-24; .385)
13TH SEASON OVERALL (75-65; .536)**

Since taking charge of the Army football program prior to the 2009 season, **Rich Ellerson** has been dedicated to the mission of reviving

the Black Knights' storied history. In just three seasons, he has put Army on the path back to prominence, and has the program poised for excellence for years to come.

In addition to winning Army's first bowl game since 1985 in just his second season, Army football players have continued to make their mark in the classroom under Ellerson. Army has had four CoSIDA Academic All-American selections since 2009, including three first-team honorees. Andrew Rodriguez and Zach Watts were both first-team choices in 2011, marking the first time Army had multiple players on the first team since 1957.

One of the nation's true triple-option experts, Ellerson agreed to become Army's 36th head football coach on Dec. 26, 2008.

Ellerson is a veteran of nearly 30 years of coaching on the collegiate ranks, including eight as head coach at Cal Poly prior to his arrival at West Point. Not regarded as a traditional FCS power prior to Ellerson's arrival in 2001, Cal Poly finished each of his last four years ranked in the Top 25 of national FCS polls. The Mustangs won at least seven games during each of Ellerson's last six seasons at the helm and spent the majority of the 2008 season ranked in the top 10 of both the FCS Coaches Top 25 Poll and The Sports Network Division I-AA Poll. Cal Poly was ranked No. 3 in the FCS Coaches Poll for the final seven weeks of the regular season (and

the last four weeks of The Sports Network Poll) before they were upset in the first round of the FCS playoffs by Weber State on Nov. 29. Before Ellerson's arrival, the Mustangs had not fashioned a winning season since 1997 and had enjoyed only three winning years since 1990.

It didn't take long for Ellerson to prove he was the right choice to revive the Army program. A finalist for the 2010 Liberty Mutual Coach of the Year Award, Ellerson produced more victories in his first two seasons (12) than any Army coach since Tom Cahill won 16 games during the 1966 and 1967 seasons.

In his first season on the banks of the Hudson, he led the squad to a 5-7 record, the most wins for the program in 13 seasons and came just one win shy of Army's first bowl berth since the 1996 Independence Bowl. It took little time for Ellerson's triple-option offense and double-eagle flex defense to prove their effectiveness. Army finished the 2009 season ranked 16th in the nation in rushing offense (203.6 yards per game) and 16th in the NCAA in total defense (304.7 yards per game).

The Black Knights built on that success in 2010, posting a 7-6 mark and winning the Bell Helicopter Armed Forces Bowl. Army's triple option produced the nation's eighth-ranked rushing attack (251.62 yds/game), while its 3,271 total rushing yards were the 10th most in program history. Defensively, the Black Knights ranked third in the nation in turnover margin (+1.23/game) while keeping five opponents to 21 points or less.

Ellerson, who turned 57 on New Year's Day, was born on Jan. 1, 1954, in Yokohama, Japan, while his father was stationed there. He and his wife, Dawn, have four children: Sean, 33, Shea, 29, Leta, 26, and Andrew, 19, and one granddaughter, Betty, 3.

ARMY HISTORICAL FACTS

- ▶ Army teams have captured three national championships, seven Lambert Trophy crowns and six Commander in Chief's Trophy titles.

- ▶ West Point's football alumni include two Rhodes Scholars, two Olmsted Scholarship winners and two Marshall Scholarship recipients. In addition, 13 former players are National Football Foundation Scholar-Athletes, the most recent being 2000 USMA graduate Shaun Castillo.
- ▶ Army Football players have garnered 71 first-team All-America honors.
- ▶ Twenty-seven West Pointers have been enshrined in the College Football Hall of Fame.
- ▶ Three Army gridgers have won the Heisman Trophy. Only four other schools can make that claim — Notre Dame (7), Southern California (7), Ohio State (7) and Oklahoma (5).
