CHARLI'S ANGELS

"Charli's Angels" supports our Sun Devil women's basketball program on and off the court. It supports the team financially, as well as being a vehicle for fans to connect with each other and with the team and staff. Through various receptions, fundraisers and community service, Charli's Angels members become part of our family.

Thanks to your support, we continue to be one of the premier women's basketball programs in the country. Your contributions are used for necessities that the regular operating budget does not cover such as, speed and agility training, life coaching, locker room computers, recruiting software and much more.

As a member of Charli's Angels you will get an inside look at Sun Devil Women's Basketball. You will have the opportunity to attend exclusive receptions, chalk talks and receive periodic emails and blogs by players and coaches.

The Sun Devils begin a new chapter in their illustrious history this season when they begin play in the newly formed Pac-12 Conference. Led by the senior quartet of Kali Bennett, Kimberly Brandon, Alex Earl and Olivia Major the Sun Devils will be looking to advance to the postseason for the 13th consecutive season.

Become a member of Charli's Angels and be a part of our family and a great winning tradition.

Joseph Anders, Head Women's Basketball Coach
