### College Football Playoff Rankings (First poll released in late October)

No.	Team	Record	Rating
-----	------	--------	--------

#### 2017 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's newly constructed Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 26th-annual title game is set for December 2 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2016 SEC Championship Game was the highest rated championship game in the nation and second highest rated game of the entire 2016 season. Overall the SEC in on CBS had four of the Top 10 Most Watched College Football games last season and seven of the Top 20.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 23 capacity crowds in its 25-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026.

The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

The show marks the first time SEC Nation has opened the season from a neutral site game and only the second time the show has aired from a neutral site city during the regular-season.

The show will include live reports, analysis and features surrounding all the Week One SEC football action.

Laura Rutledge will make her debut as host of SEC Nation. Returning as analysts for a fourth straight year are Paul Finebaum, Marcus Spears and Tim Tebow. The season premiere will also mark the debut of new reporter Lauren Sisler, an award-winning journalist who takes over the role vacated by Rutledge. **2017 SEC PLAYERS OF THE WEEK**

<p style="text-align: center;"><b>OFFENSIVE</b> <b>DREW LOCK, QB, MISSOURI</b></p> <ul style="list-style-type: none"> <li>• Began the season with a record-shattering performance that saw him throw for 521 yards and an SEC record-tying 7 touchdowns in a 72-43 win over Missouri State Saturday.</li> <li>• Lock ended the day 21-of-34 passing with 1 interception, and his QB rating of 252.54 was a personal best. Lock's yardage and TD totals broke Mizzou single-game records on the day. That broke the old mark of 480 set by former great Brad Smith in 2005.</li> <li>• Lock had 10 pass plays of 20 yards or more, including TD passes of 65, 50, 50, 28 and 27 yards. **OTHER OUTSTANDING PERFORMANCES IN WEEK 1**

**DAMIEN HARRIS, RB (Alabama)** -- Junior running back accounted for 103 all-purpose yards and 84 yards from scrimmage...He led the Crimson Tide with 73 yards on the ground and a touchdown...Harris came free to block a Florida State punt in the third quarter...The blocked punt was recovered by Dylan Moses on the Seminoles 6-yard line...He played on 10 special teams snaps.

**ALAN TURNER, S (Arkansas)** -- Recorded game-high 11 tackles, one interception and one pass breakup at No. 15 LSU...After making 16 tackles last week vs. Mississippi State, he had 27 tackles in the last two games.

**TRE WILLIAMS, LB (Auburn)** -- Had a team-best 10 tackles with 2.0 tackles for loss (minus 13) and 2.0 quarterback sacks (minus 13) in Auburn's 41-7 win over Georgia Southern...Williams' tackles tied a career high while his 2.0 TFL and 2.0 QBS were both career bests.

**JOSH ALLEN, LB (Kentucky)** -- Totaled four tackles, two tackles for loss (-9), one quarterback sack (-7), caused a fumble and had two quarterback hurries in UK's 24-17 win at Southern Mississippi...His QB sack late in the first quarter caused a fumble that was recovered by the Wildcats and set up the first touchdown of the game.

**COREY THOMPSON, LB (LSU)** -- In his first game since the 2015 season, had three tackles and a pair of sacks to lead LSU past BYU, 27-0... His sacks accounted for 18-yards in losses... LSU's defense limited the Cougars to only six first downs, 97 total yards and minus-5 yards rushing.

**A.J. BROWN, WR (Ole Miss)** -- Collected eight receptions for 233 yards and two touchdowns and rewrote the Ole Miss record book in the season-opening win over South Alabama...His 233 receiving yards broke Eddie Small's school record of 210 yards against Vanderbilt in 1993...It is the 13th most receiving yards in a game in SEC history.

**FLETCHER ADAMS, DE (Mississippi State)** -- Adams, making his first career start, played a dominant first half against Charleston Southern, collecting two safeties that resulted in four points and finishing with a career-best 1.5 tackles for loss and one forced fumble. It was the first time since Sept. 30, 2000 against Florida that the Bulldogs had two safeties in a game. Adams dominated the line of scrimmage as MSU allowed the fewest yards per play in school history (0.7), breaking the previous mark of 1.35 vs. Howard on Sept. 21, 1963. MSU also allowed only 33 yards of total offense, the fewest since that Howard game in 1963.

**DANTE SAWYER, DE (South Carolina)** -- Sawyer totaled seven stops, including 1.5 tackles for loss in the Gamecocks' 35-28 win over NC State, but made two of the game's most critical defensive plays. Early in the second quarter with the game tied at 14, Sawyer forced a fumble at the NC State 28-yard line, setting up a short field, which the Gamecocks converted to a touchdown and a 21-14 lead.

**TRAYVEON WILLIAMS, RB (Texas A&M)** -- Rushed for 203 yards and two touchdowns against UCLA on 22 carries. Averaged 9.2 per tote.

**CHARLES WRIGHT, LB (Vanderbilt)** -- In his first career start, Wright registered three quarterback sacks, five total tackles and a pair of quarterback hurries, helping Vanderbilt to an impressive 28-6 road win over Middle Tennessee.

### THIS IS SEC FOOTBALL

- The SEC is the only conference in college football history to send at least 10 teams to bowl games in four consecutive seasons (2013-2016).

- The SEC sent 12 teams to the postseason for the second time in the last three seasons. No other league has ever sent that many in a single year.

- In the stands, the SEC remained the national leader in attendance (77,565 fans per game, down 1 percent from a record-breaking 2015 season).

- Since Florida in Jan. 2007, four different teams from the SEC have played for the national title - all of them with multiple appearances.

- For the 10th time in the last 11 seasons, a team from the SEC has now advanced to the national championship game.

- The SEC Championship on December 3 was the highest-rated and most-watched Conference Championship game – as it has been every year since 2007 – averaging 11.1 million viewers and a 6.6/15 HH rating/share.

- For the eighth consecutive year the SEC ON CBS was the highest-rated regular season college football package on any network. CBS Sports' national coverage of SEC football averaged a national household rating/share of 3.4/8 topping all other networks. The 2016 SEC ON CBS season averaged more viewers than any college football network package with an average of 5.7 million viewers. The 17-game SEC ON CBS slate delivered four of the Top 10 most-watched games of the regular-season.

- Five of the Top 10 highest rated games across all networks in 2016 involved a team from the SEC.

## 2017 SEC FOOTBALL VIDEO REPLAY

### THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

### THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

### THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

### THE PLAYS

#### Scoring Plays

Reviewable plays involving a potential score include:

- a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

#### Passes

Reviewable plays involving passes include:

- a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
- c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- d. A forward pass or forward handing after a change of team possession.
- e. Pass ruled forward or backward when thrown from behind the neutral zone.
  1. If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
  2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

#### Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
  1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
  2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.

- d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.
  - 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
  - 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.

- h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

## Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

## Targeting

- a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.
- b. The Replay Official may create a targeting foul, but only in egregious instances in which a foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

## Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
  - 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
  - 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
  - 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
  - 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
  - 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
  - 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. An injured player at the initiation of the medical observer.

## Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

## Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

- a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
- b. Player beyond the neutral zone when kicking the ball.
- c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
- d. The number of players on the field for either team during a live ball.
- e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
- f. Player who is out of bounds touching a free kick that had not been touched inbounds.
- g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
- h. A clear, obvious and egregious targeting foul.

## THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

## RECENT ADDITIONS

\*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

\* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

\* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

- 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
- 2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
- 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
- 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

## THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.
