

## Why Join?

Come join the booster club for an exciting season of fun and fellowship. As a booster club, we enjoy showing our coaching staff and team how much we support their effort on and off the court.

The membership fee (after expenses) is used to purchase something for the team that shows our on-going support for the program. In the past we have purchased

the bronze eagle head and a golf cart used for showing recruits and their families around campus.

Please join as soon as you can so we can get your membership items ready for the start of the brand new season. October 30th is the first game.

## Special Areas of Interest for Volunteering

Please indicate an area you would like to contribute to the club to help us grow. These jobs would assist the Tiger Zone Board members in getting folks signed up, reservations collected and facilitating events. Here are some areas of need:

- Membership Sign-up
- Transportation Chairman for possible bus trip
- Tailgate Party (Hotdogs, beverages and chips)
- Post game reception with team and coaches
- End-of-season banquet
- Website management
- Whatever else comes up!
