## UNIVERSITY ADMINISTRATION

### **KEN STARR**

**UNIVERSITY PRESIDENT**  
GEORGE WASHINGTON, 1968

On June 1, 2010, **Kenneth Winston Starr, J.D.**, became Baylor University's 14th president. Judge Starr was elected unanimously by the Baylor Board of Regents on Feb. 12, 2010, following a search process that included representatives from all parts of the Baylor family.

Starr has had a distinguished career in academia, the law and public service. Prior to coming to Baylor, he served for six years as the Duane and Kelly Roberts Dean and Professor of Law at Pepperdine, where he taught current constitutional issues and civil procedure. He also is of counsel to the law firm of Kirkland & Ellis LLP, where he was a partner from 1993 to 2004, specializing in appellate work, antitrust, federal courts, federal jurisdiction and constitutional law.

As Solicitor General of the United States from 1989 to 1993, Starr argued 36 cases before the U.S. Supreme Court. He also served as United States Circuit Judge for the District of Columbia Circuit from 1983 to 1989, as law clerk to Chief Justice Warren E. Burger from 1975 to 1977 and as law clerk to Fifth Circuit Judge David W. Dyer from 1973 to 1974. Starr was appointed to serve as Independent Counsel for five investigations, including Whitewater, from 1994 to 1999.

Starr previously taught constitutional law as an adjunct professor at New York University School of Law and was a distinguished visiting professor at George Mason University School of Law and Chapman Law School. After graduating from San Antonio's Sam Houston High School, he earned his B.A. from George Washington University in 1968, his M.A. from Brown University in 1969 and his J.D. degree from Duke University Law School in 1973. He is admitted to practice in California, the District of Columbia, Virginia and the U.S. Supreme Court.

He is the author of more than 25 publications, and his book, *First Among Equals: The Supreme Court in American Life*, published in 2002, was praised by U.S. Circuit Judge David B. Sentelle as "eminently readable and informative...not just the best treatment to-date of the Court after (Chief Justice Earl) Warren, it is likely to have that distinction for a long, long time."

He has received a multitude of honors and awards, including the J. Reuben Clark Law Society 2005 Distinguished Service Award, the 2004 Capital Book Award, the Jefferson Cup award from the FBI, the Edmund Randolph Award for Outstanding Service in the Department of Justice and the Attorney General's Award for Distinguished Service.

Starr was born on July 21, 1946, in Vernon, Texas, and was raised in San Antonio. He and his wife Alice have three children and four grandchildren. The Starrs made their home in Malibu, Calif., from 2004 to 2010, and lived in McLean, Va., from 1978 to 2004. He has volunteered many hours teaching in the inner city and assisting disadvantaged students with summer internships, after-school programs and guidance for financing a college education.

## DIRECTOR OF ATHLETICS

**IAN McCAW**  
**DIRECTOR OF ATHLETICS**  
 LAURENTIAN, 1985

Ian McCaw was named Director of Athletics of Baylor's 19-sport, Big 12 intercollegiate athletics program Sept. 8, 2003. Under McCaw's leadership, the department has achieved extraordinary athletics, academic and administrative success.

Since 2003, Baylor has enjoyed the most competitively successful period in the history of its intercollegiate athletics program. During that time, Baylor has captured two NCAA team championships and 33 Big 12 conference championships. In McCaw's tenure at Baylor, only the University of Texas and Texas A&M have won more conference titles.

This period also includes Baylor's five highest finishes in the NACDA Directors' Cup standings highlighted by its best finish ever in 2004-05 with a ranking of 25th. A school-record 14 teams advanced to post-season competition in 2008-09, 2009-10 and 2010-11.

Baylor played in its first bowl game since 1994 when it advanced to the Texas Bowl in 2010. McCaw was named 2010 *Waco Tribune Herald* Central Texas Sportsman of the Year. Student-athletes have thrived in the classroom as Baylor led the Big 12 in graduation success rate for three consecutive years and student-athletes recorded their highest cumulative grade point average on record during 2010-11 at 3.10.

While Baylor Athletics enjoyed extraordinary academic and athletic success, the department has made dramatic strides administratively as well.

A five-year strategic plan for intercollegiate athletics, *Above and Beyond*, was developed and implemented inclusive of department goals and objectives. An outgrowth of this plan was the creation and successful completion of the five-year, \$95 million development campaign *Victory with Integrity*. Increased athletics development activity has led to the funding and completion of the Highers Athletics Complex including the Simpson Athletics and Academic Center and Allison Indoor Football Practice Facility; the Grant Teaff and Letterwinners Plazas at Floyd Casey Stadium; the Lt. Jack Whetsel Jr. Basketball Practice Facility; the Willis Family Equestrian Center; Getterman Softball Practice Facility; and, numerous other physical improvements. Since McCaw's arrival, the athletics endowment has grown from \$14 million to more than \$24 million. In each of the last seven years, the Baylor Bear Foundation has posted a new record for annual funds raised highlighted by its best year ever in 2010-11 when more than \$7.6 million was raised.

McCaw is Baylor's 12th athletic director and arrived from the University of Massachusetts, where he spent the previous year as director of athletics. McCaw was responsible for a 23-sport program and helped develop and implement a five-year strategic plan and secure funding for basketball locker room renovations.

McCaw previously served as director of intercollegiate athletics and campus recreation at Northeastern University from 1997-2002. During his five years at Northeastern, where he implemented a five-year strategic plan for Northeastern athletics inclusive of department goals and objectives. Northeastern graduated 65 percent of its student-athletes during McCaw's final year at the Boston institution, 14 points higher than the

institutional average. Husky student-athletes also gave back to the community, as each team was required to participate in at least one community service project annually. The success of the Northeastern athletic program on McCaw's watch extended beyond the classroom, as the program captured a school-record six America East conference titles in 2001-2002, and five teams finished among the nation's top 20.

McCaw went to Northeastern from Tulane University, where he served as senior associate athletic director for development and associate athletic director for external affairs from 1992-1997, being named Tulane's co-interim director of athletics in 1996. Prior to his years at Tulane, McCaw worked in a variety of athletic administrative posts at the University of Maine from 1986 to 1992 including sports information, marketing and external affairs.

Recognized as a national leader in intercollegiate athletics, McCaw serves as chair of the NCAA Recruiting and Personnel Cabinet. He is a member of the Big 12 television and game management and officiating committees, and Division I-A Athletics Directors Executive Committee. He previously served on the National Association of Collegiate Director's of Athletics Executive Committee.

McCaw earned his master's degree in sport management from Massachusetts in 1987, after receiving a bachelor's degree in sports administration at Laurentian University in Sudbury, Ontario, in 1985. McCaw and his wife, Heather, are members of First Baptist Church of Woodway where he serves as a deacon. They are the parents of four children: Christy, Paul, Callie and Corinne.

### TODD HARBOUR

**HEAD COACH ■ SEVENTH SEASON (12th at Baylor)  
BAYLOR, 1981**

Todd Harbour enters his seventh season as head track and field coach, and 12th as head cross country coach. Director of Athletics Ian McCaw named Harbour as Clyde Hart's successor June 14, 2005, after he had served as Baylor's head cross country coach and assistant track coach since January 2000.

Harbour continues to build Baylor's cross country and track and field teams into one of the nation's most successful and prominent programs. Under his watch, Baylor has posted 16 top-20 finishes nationally since he took over both programs in 2005-06, including six top-10 finishes.

In track and field, the 2011 NCAA Indoor meet added to an already rich history with a top-20 finish on both sides, including a 10th-place showing for the Baylor women. Overall, the women have four top-20 finishes at nationals, while the men have been top-20 nine times.

In cross country, Harbour's women's teams have excelled, earning an unprecedented seventh-straight berth into the NCAA Championships in 2009. The streak was the sixth longest-active run at the time, and included three top-20 finishes. In 2010, freshman Robyn Bennett and junior Cate Westenhover shined at the regional meet to earn NCAA berths.

The team success has been built around a multitude of athletes that have succeeded individually. In his six full seasons, Harbour's student-athletes have won seven individual NCAA titles, earned 136 All-America certificates, and claimed 43 individual Big 12 titles, putting them consistently among the nation's elite.

The 2011 track and field season showed that Baylor is continuing to put itself in a prominent place nationally with top-20 finishes on both sides at the NCAA Indoor meet. A silver medal in the 60-meter hurdles from freshman Tiffani McReynolds and two All-America performances by Tiffany Townsend bolstered a 10th-place finish for the women. Meanwhile, the Baylor men earned a silver medal in the 4x400-meter relay to help place 16th overall as a squad. Outdoors, Townsend again highlighted the action with two more All-America performances in the sprints, giving her a school record 17 over her outstanding career.

While the cross country season didn't feature a team trip to the NCAA Championships for the first time in seven seasons for the Baylor women, Bennett and Westenhover each earned all-region honors and individual spots in the NCAA Championships. Katie Shaw added all-region honors for the women, while Robbie Knorr earned all-region on the men's side.

In 2010, Baylor's track teams battled through a multitude of injuries, but under Harbour's leadership, the depth of the team became a bright spot. The Bears managed 70 combined all-Big 12 honors at the indoor and outdoor conference championships, while totaling 15 All-America honors. The men's indoor and outdoor 4x400-meter relay teams each earned All-America honors, while the indoor team finished as the nation's runner-up. Baylor claimed Big 12 individual titles in the indoor men's distance medley relay, the indoor 800 meters by James Gilreath and the outdoor men's 4x100-meter relay. With the success of Baylor's relay teams at the Drake Relays and Texas Relays, the Bears earned the overall relay title by The Track and Field News. During the season, Baylor student-athletes broke school records 13 times, including thrower Skylar White breaking indoor and outdoor shot put records seven times.

In cross country, Harbour's women's teams have excelled, earning an unprecedented seventh-straight berth into the NCAA Championships in 2009. The streak is the nation's sixth-longest active run.

On the track in 2009, the Baylor men's 4x400-meter relay team continued a streak of 42 consecutive victories through the NCAA Indoor Championships until a third-place finish at the NCAA Outdoor Championships. Sprinter Trey Harts, a leg of the 4x400 relay, also earned an individual championship indoors in the 200 meters. Harbour's crew of men in the 4x400-meter relay helped put together an astounding streak of 42 consecutive meet victories, which included five consecutive NCAA titles (2007 indoor/outdoor, 2008 indoor/outdoor, 2009 indoor).

During the 2008 season, Baylor's men won the indoor and outdoor 4x400-meter relay titles to make NCAA history for the second season in a row. After winning both titles in 2007, the Bears did it again in 2008, marking the fifth time in school history and 11th time ever.

In 2007, Baylor captured two national titles, winning the indoor and outdoor 4x400-meter relays. The relay squad set a new Baylor record of 3:00.04, the fourth-fastest time in NCAA history. The relay broke the 12-year old record of 3:00.60.

Baylor also made history at the 2007 Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter, and sprint medley), becoming the first school to accomplish the feat in 63 years. In 1944, Illinois also captured all four relays at Drake, the only other men's university team to sweep the sprint relays.

The Bears also had solid individual showings at the 2007 NCAA meets, as Reggie Witherspoon (200 meter) and LeJerald Betters (400 meters) each earned All-America honors indoors and outdoors. Nichole Jones (800 meters) earned All-America honors at the NCAA Outdoor Championships to become Baylor's first-ever All-American in the women's outdoor 800 meters. In addition to the men's 4x400-meter relay, Baylor also earned eight other All-America honors at the NCAA Indoor Championships, including the women's distance medley relay.

For the year, Baylor athletes set or tied 12 school records, including two each for Kaleigh Teel and Chris Cardwell. Jones and Lauren Hagans combined to break the outdoor 800-meter record three times during the season, while the women's 4x800-meter relay shattered the previous program-best by 13 seconds.

Baylor didn't miss a beat in Harbour's first season at the helm in 2006, capturing one national title, 10 All-America honors and 12 Big 12 Conference titles--seven individual and five relay. The Bears also established new school records in 12 events.

Jacob Norman became the first national champion under Harbour, blazing to the indoor 60-meter crown with a school record time of 6.56. Witherspoon was a two-time All-American and was named the 2006 Big 12 Indoor Male Athlete of the Year. He won conference crowns in the indoor 200 meters, both the indoor and outdoor 400-meter titles, the indoor and outdoor 4x400-meter relays and the 4x100-meter relay. Erin Bedell (3,000 meters) and Kevin Mutai (600 yards) also captured indoor conference titles. The Bears continued their success during the outdoor season as Chris Gillis earned All-America honors and won the Big 12 title in the long jump, and both the men's and women's 4x400-meter relays earned All-America honors and won Big 12 titles. Angel Perkins also earned All-America honors in the 400 meters.

Harbour has only strengthened a solid corps of women's middle distance runners. The distance medley relay earned All-America honors with a fifth-place finish at the 2006 NCAA Indoor Championships and blew away both the indoor and outdoor school records. Lauren Hagans broke her own record in the indoor 1,000 meters and earned All-Big 12 honors in the 800 meters. Bedell came within an eyelash of adding the Big 12 outdoor 1,500-meter title to her standout freshman season, while Ruth Waller also earned All-Big 12 honors in the event. A trio of Bears - Lyndsy Bedell, Monique Ortega and Charity Williams - earned All-Big 12 honors in the 3,000-meter steeplechase. Ortega went on to earn all-region honors and qualify for the NCAA Championships.

During his six years as an assistant, Harbour's middle distance and distance runners re-wrote the record books. His student-athletes broke eight individual school records, seven relay marks en route to 18 All-America certificates and nine Big 12 individual titles.

In his first season, Harbour watched Floyd Thompson set a blistering school record of 1:07.43 in the indoor 600 yards. Thompson went on to anchor the 4x800 relay team with Damian Davis, Jonathan Pike and Jon Capron to break a 24-year-old record (7:17.55) at the Drake Relays, as well as contribute to a 4x400 team would later win a national outdoor title.

Another record fell in 2001 as the team of Nick Devenport, Michael Smith, Davis and Ferenc Bekesi broke the school indoor distance medley relay record. Thompson went on to win the Big 12 title in the 800 meters outdoors, finished fifth at the NCAA Championships in Eugene, Ore., and ran on another 4x400-meter national championship team. The Baylor men's team would placed third overall, tying the best finish ever.

The 2002 season would add more success in the middle and distance events as Lanie Millar, a walk-on, won the Big 12 800-meter title while establishing a new school record (2:06.34). During the outdoor season,

Millar also set the outdoor school record (2:06.08) in the 800 meters. Debbie Thornhill brought home a Big 12 title in the 10,000 meters and two more distance relay records would be set as the men's team of Bekesi, Capron, King and Matt Chance established a new 4x1,500 record (15:34.74) at Texas Relays. The women's team of Chance, Thornhill, Bennett, and Millar would set a new school record in the 4 x Mile (20:18.55) at Drake Relays.

In 2003, Wil Fitts made his mark his sophomore year by winning the Big 12 indoor title in the 600 yards, while the team of Devenport, Lewis, King, and Robert Quiroga won the distance medley relay title. Kyle King also established a new school record in the 5,000 meters (13:57.22). During the outdoor season, Angela Marvin set a new school record in the steeplechase en route to winning the Big 12 title as a freshman. Later that summer, she claimed the United States junior title for the 2,000-meter steeplechase, while adding a new American junior record to her resume. Thornhill also successfully defend her Big 12 10,000-meter title, while earning All-America honors at the NCAA Championships in Sacramento, Calif., with an eighth-place finish.

King used the 2004 season to establish himself as one of the all-time best distance runners in Baylor history. He became the first Baylor runner since 1981 to earn All-America honors in an event over 800 meters, with his fifth-place finish at the NCAA Championships in Austin. He also had an outstanding indoor campaign, as he earned his first All-America honor in the 5,000 meters. At the Big 12 Indoor Championships, King teamed with Quiroga, Corey Wright and Bo Price to win a second straight DMR title. Fitts also continued his success in his junior season as he would establish a new indoor school record in the 800 meters (1:48.82). As a part of the outdoor 4x400-meter relay team, Fitts also earned his first national championship ring.

In 2005, after automatically qualifying for the NCAA Championships at the Stanford Invitational, Brittany Brockman later earned her first All-America honor in Sacramento in the 10,000 meters, while Fitts earned All-America honors in the 800 meters. During the indoor season, freshman Hagans established a new school record in the 1,000 meters (2:53.05) and teamed with Angel Perkins, Ortega and Jessa Chance to set a new school record in the distance medley relay.

One of Baylor's most legendary track athletes, Harbour holds the school mark in the 1,500 meters and the mile run. His 3:50.34 run at Oslo, Norway his senior year, is still the fastest mile ever run by a collegiate athlete. He was inducted into the Baylor Athletic Hall of Fame in 1992.

During his collegiate days, Harbour was the Southwest Conference champion in the 1,500 meters in 1978, 1979, 1980 and 1981. He claimed the NCAA 1,500-meter runner-up title in 1979, 1980 and 1981, the only athlete to ever win three consecutive runner-up titles in that event. Harbour won the silver medal at the Pan Am Games in 1979 and was ranked ninth in the world in the 1,500-meters in 1982.

After graduating from Baylor, Harbour ran professionally for Nike and was one of the world's top milers. After the 1985 season, Harbour headed to Riesel, Texas, where he found another profession that would eventually lead him back to Baylor. Harbour began teaching history at Class 2A Riesel High School, then found himself coaching the varsity track and field teams. From there, he became involved with the varsity football program and eventually ended up as the head football coach and athletic director.

His success at Riesel included numerous district and regional championships in football and track and field. His track and field teams claimed district championships from 1987-90 and 1993-97 and produced regional championships in 1988, 1989 and 1994. Harbour coached eight individual state champions in track and field and led his cross country teams to a regional championship and two state runner-up positions. Harbour was the 1995-96 chairman of the track advisory committee for the Texas High School Coaches Association.

Harbour's varsity football teams compiled a 51-24-4 record and advanced to the bi-district playoffs four times and the area playoffs once in his six years at the helm. Those accomplishments earned him District 16A Coach of the Year, Central Texas Coach of the Year, District 14A Coach of the Year and Lay Witness for Christ Ministry Coach of the Year honors.

Harbour, a 2004 inductee into the Rio Grande Valley Sports Hall of Fame, and his wife, Cindy, have three children: Jonathan (28), Stephen (26) and Aaron (22).

### CLYDE HART

**DIRECTOR OF TRACK AND FIELD ■ 49TH SEASON AT BU BAYLOR, 1973**

After 42 years as Baylor's head track and field coach, Clyde Hart retired his position June 14, 2005, to become Director of Track and Field. His nearly five decades of leadership has led the program to monumental heights, even earning world-wide reputation as "Quarter-Miler U."

Hart's pupils won Olympic gold medals in the 400 meters in three straight Olympic Games with Jeremy Wariner winning the event in 2004 and Michael Johnson capturing Olympic gold in 1996 and 2000. All-told, Hart has coached eight Olympians who have won a total of nine Olympic gold medals, one silver and two bronze with Johnson claiming four golds, Wariner three and Darold Williamson and Reggie Witherspoon one each.

From the time he took over the program from his mentor, Jack Patterson, in 1964, through the 2011 season, Hart has coached 34 national champions (14 individual and 20 relay) and 533 All-America performances -- 407 men's All-America honorees (131 individual and 276 relay) and 126 women's All-Americans (45 individual and 81 relay). His men's 4x400-meter relay teams have earned outdoor All-America status for 23 consecutive years and captured 20 NCAA titles combined in indoors and outdoors. His 2004 4x400-meter relay team set a then-NCAA indoor record with a 3:03.96 clocking and his 1997 unit set a then-World Record at the Big 12 Outdoor Championships. All-told, Hart's teams have turned in 10 World-record performances (nine individual and one relay) and nine NCAA record efforts.

In 2011, Hart's 4x400-meter men's relay teams held their spot as one of the top relays, earning All-America honors both indoors and outdoors. The indoor version claimed the silver medal, while the outdoor team came in fourth at the NCAA Champions and added its 22nd Drake Relays title in the event. The Bears also earned runner-up finishes and Big 12 honors in the indoor and outdoor 4x400-meter relays. Individually, Marcus Boyd earned All-America honors in the 400 meters.

The 2010 season featured more All-American performances for Hart's 4x400-meter relay squads, including a runner-up finish at the NCAA Indoor Championships. The Bears captured 4x400-meter titles at the Texas A&M Invitational and the prestigious Drake Relays, before going on to earn a sixth-place finish at the NCAA Outdoor Championships, achieving All-America status. Individually, Boyd earned all-Big 12 honors and qualified for the NCAA Outdoor Championships in the 400 meters.

In 2009, the Baylor 4x400-meter men's team put together one of the most impressive streaks in collegiate track and field. The Bears took a streak of wins and national titles that began in 2007 to the finals of the 2009 NCAA Outdoor Championships. The 4x400 relay took the NCAA indoor crown, then continued a streak of 42 straight wins until a third-place finish at the outdoor championships.

During the 2008 season, the Bears captured two more national titles, winning the indoor and outdoor 4x400-meter relays for the second-straight year. The Bears' time of 3:00.22 at the NCAA Championships ranked as the second-fastest in Baylor history, and the fifth-fastest collegiate time ever. Baylor claimed indoor and outdoor titles in the same season for the fifth time in school history and only the 11th time ever.

Also during the 2008 season, Hart coached Olympian Sanya Richards at the summer games in Beijing. Richards won the bronze medal in the women's 400 meters, and anchored the USA to a gold medal in the 4x400-meter relay, passing Russia in the final straightaway to take first place.

In 2007, Hart's charges won both the indoor and outdoor NCAA titles in the men's 4x400-meter relay, the fourth time in Baylor history and the 10th time in collegiate history that feat was accomplished. The Baylor men swept the top three spots in the 400 meters at the indoor and outdoor Big 12 meet, while freshman LeJerald Betters clocked a 400-meter time of 45.33 to win the Big 12 title.

Hart was named the 2006 Nike Coach of the Year, earning the award for the second time in his career for his work with world quarter-mile champions Wariner and Richards. Both swept the 2006 IAAF Golden League meets and went undefeated during the outdoor season. Richards also set the American record in the event with a time of 48.70.

Also in 2006, both Baylor's men's and women's 4x400-meter relays swept both the indoor and outdoor Big 12 titles and each earned All-America honors outdoors. Individually, Angel Perkins was an All-American in the 400 meters, while Reggie Witherspoon was among the top 10 nationally in the event and swept the indoor and outdoor Big 12 titles and even added the indoor 200-meter title, a feat never before accomplished in the history of the conference.

In his final season as head coach at Baylor, he guided Williamson to his first-ever individual national title in the final 400-meter race of his career at the NCAA Outdoor Championships. Williamson also captured an unprecedented fourth straight Big 12 400-meter title, anchored the Bears' to their eighth straight Big 12 4x400-meter relay crown both indoors and outdoors and anchored the squad to All-America performances at the NCAA Indoor and Outdoor Championships.

The 2004 campaign was a career year, even by the legendary coach's standards. Wariner, then a sophomore, captured the gold medal in the 400 meters, leading the United States to a 1-2-3 sweep at the Olympic Games in Athens. Wariner became the first quarter-miler in history to sweep the four major titles in the event, including the U.S. Championship and the NCAA Indoor and Outdoor crowns. Later, Wariner would hand the baton to junior teammate Williamson as the Baylor duo led the U.S. 4x400-meter relay to nearly a five-second victory for the gold medal. Wariner ran third and Williamson anchored all year as the duo led the Bears to the NCAA Indoor title with a collegiate record time of 3:03.96 and completed an undefeated season in the relay with the NCAA Outdoor championship. The 4x400-meter relay has a 20-year streak of All-America finishes and has produced 15 national titles (one women's) under Hart's leadership since 1985.

Hart was named the 2004 Nike Coach of the Year and was inducted to the Baylor Wall of Honor, the highest award bestowed upon Baylor letterwinners. Former pupil Michael Johnson was inducted into the United States Track & Field Hall of Fame and his 200-meter performance at the 1996 Olympics in Atlanta was deemed the greatest track and field moment in the last 25 years by USATF. Wariner was honored as the Mondo National and Regional Outdoor Track Athlete of the Year, while Williamson was named Big 12 Outdoor Track Athlete of the Year.

The season was also memorable on the women's side as junior April Holliness won the NCAA Midwest Regional title in the long jump and became a four-time All-American by finishing third at the NCAA Outdoor Championships. Junior LaKadron Ivery earned All-America honors in the 200 meters, while senior Jordan Willmann was an All-American in the pentathlon.

In 2003, eight athletes earned All-America honors, including Holliness in the long jump and Willmann's outstanding performance in the heptathlon. Wariner was an All-American by finishing seventh in the 400, while the men's 4x400-meter relay squad of Brian McDonald, Williamson, Wariner and Jamen Saziru placed fifth.

In 2002, the quartet of Zsolt Szegelet, Charles Sterling, Michael Smith and Williamson combined for the national title in the 4x400-meter relay. Bayano Kamani and Smith combined for a 1-2 finish in the 400-meter hurdles, an NCAA championship first, while Floyd Thompson finished fifth in the 800 meters and Jim Autenreith tied for sixth in the pole vault. On the women's side, the 4x400-meter relay team of Tiffany Wise, Chava Demart, Keisa Brown and Barbara Petrahn ran to a fourth-place finish in the event. Petrahn and Demart also earned individual All-America honors, as Petrahn finished fifth in the 400 meters, and Demart placed fifth in the 400-meter hurdles. In 2001, Hart led the men's team to a third-place finish and the women's team to a 21st-place finish at the NCAA Outdoor Championships.

Those accomplishments are just a few in a long list by Hart, a coach widely regarded as one of the best in the country. Selected as USA Track & Field's 2004 and 2006 Nike Coach of the Year, Hart is a member of the Baylor Wall of Honor, the Arkansas Sports Hall of Fame, the USA Track & Field Coaches Association Hall of Fame, the Texas Sports Hall of Fame and the Baylor Athletic Hall of Fame. He served as an assistant coach on the United States' 2000 Olympic team and was named the U.S. Olympic Committee's National Track & Field Coach of the Year in 1996, 2004 and 2006.

A two-time (1989 and 1996) NCAA national indoor coach of the year, four-time (1981, 1984, 1989 and 1996) Southwest Conference indoor coach of the year and one-time (2005 women's indoor) Big 12 coach of the year honoree, Hart is married to the former Maxine Barton, a professor emeritus of Information Systems at Baylor. Their family includes sons Greg and Scott, daughter-in-law Kim and grandchildren Ryan, Mason and Kennedy Ann.

**DANNY BRABHAM**

**ASSISTANT HEAD COACH ■ 22ND SEASON AT BAYLOR  
BAYLOR, 1973**

Danny Brabham, one of the all-time great long jumpers in Southwest Conference history, is in his 23rd year on the Baylor track coaching staff with a total of 39 years of experience on a variety of levels.

His main coaching duties at Baylor are with the throws and multi events. Brabham handles many of the day-to-day duties involved with the Baylor track and field program and also served as Michael Johnson's strength coach. Currently, he is working with Olympic Gold medalists and World Champions Jeremy Wariner, Darold Williamson and Reggie Witherspoon as their personal strength coach.

Over the years, Brabham has coached 37 All-Americans and 32 school record holders, including five-time All-American April Holliness and two-time All-American Chris Gillis. Holliness won a Midwest Regional title in the long jump, while Gillis twice finished as the national runner-up in the long jump and ranks second behind Brabham on Baylor's all-time long jump list.

Over the past two seasons, Skylar White and Nick Lyons have flourished under Brabham's tutelage with White setting shot put records a total of 10 times and Lyons breaking his own javelin record five times. In White's two seasons, she has earned All-America honors twice in the shot put to become the first Baylor female All-American in a throwing event. She has also earned all-Big 12 honors six times in the shot put and discus. Lyons, on the other hand, ranked in the top-three in the NCAA in the javelin in 2011 with his latest school record toss of 257-2 to win the Michael Johnson/Dr Pepper Classic. Lyons earned sixth-place conference finish for all-Big 12 honors.

In 2009, Brabham coached freshman multi-event athlete Eric Bostick to a new school record in the indoor heptathlon. Bostick scored 4,364 points at the Big 12 Indoor Championships. In the javelin, Lyons broke the school record for the first time with a toss of 218-05.

During the 2008 season, Kaleigh Teel improved on her own school record in the pole vault, increasing her school mark by nearly six inches. In addition, Teel regionally qualified for the first time in her career. Brittany Devereaux ended her career as one of the best throwers in Baylor history, improving on her hammer school record in 2008.

His coaching paid off during the 2007 indoor and outdoor track and field seasons, as Brabham's charges set seven new school records. Teel set indoor and outdoor records in the pole vault, with the indoor height nearly a foot higher than the previous record, and the outdoor record tying a mark set in 2000. Devereaux improved on her own school record during the indoor season in the 20-lb weight throw, and set new school marks in both the discus and hammer throws. The junior broke the six-year-old hammer throw record by more than 10 feet. In addition, Chris Cardwell set new Baylor records in the hammer throw and weight throw.

Devereaux also had an outstanding sophomore campaign in 2006 as she earned all-region and all-conference honors in the discus. In addition, not only did Devereaux break a 30-year-old school record in the event, she proceeded to post the top 10 marks in school history.

Jordan Willmann was a two-time All-American in the pentathlon and heptathlon and finished second at the 2004 Big 12 Outdoor Championship. She had a breakout season as a junior, earning All-America honors by placing fifth at the NCAA Championships in the heptathlon, the highest finish by a Baylor heptathlete. Willmann set the school record in the event, then broke it twice more.

Brabham has also coached other standout athletes such as All-American vaulters Bill Payne, Jim Autenreith and Kurt Hanna, and NCAA champion triple jumper Stacey Bowers, who has become an integral part of the Baylor coaching staff herself. An eight-time All-American, Bowers became the Bears' first female athlete to claim a United States Championship in 1999 in the triple jump and held the nation's top ranking in the event that season. She was Baylor's first female athlete to become a member of a U.S. National team, competing in the 1998 Goodwill Games and as a result of winning the 1999 U.S. championship in the triple jump, continued her success as a member of the 1999 World

Championship team that competed in Seville, Spain.

Brabham also enjoyed success with long jumpers recently as April Holliness earned five All-America honors for her career, the only Baylor female All-American in the event. In 2004, Holliness claimed the NCAA Midwest Regional title, finished third at the NCAA Outdoor Championships and 10th at the NCAA Indoor Championships. Chris Gillis emerged as a one of the nation's top long jumpers, twice earning All-America finishes and a pair of runner-up finishes at the NCAA Midwest Regional. In 2006, Gillis also posted a mark that ranks him second behind Brabham on Baylor's all-time list.

Brabham has seen his hurdlers establish themselves as a key part of the Baylor track program. In recent years, Brabham has worked specifically with All-American hurdlers Jeff Jackson, John McAfee, Michael Smith and Bayano Kamani, the 1999 and 2001 NCAA Outdoor champion in the 400-meter hurdles. In 2000, heptathlete Kerry O'Bric finished sixth at the NCAA Outdoor Championships.

During his tenure at Baylor Brabham has coached 35 All-American athletes. In 2001, he coached the only two intermediate hurdlers in NCAA history to obtain a 1-2 finish at the NCAA Outdoor Championships when Bayano Kamani and Michael Smith earned that honor. Athletes that Brabham has coached currently hold 30 school records for both men and women, indoor and outdoor.

Brabham, a 1973 Baylor graduate and 1992 inductee into the Baylor Athletic Hall of Fame, became the school's first NCAA track All-American in 1971 when he finished second at the NCAA Indoor Championships. That same outdoor season he was ranked No. 1 in the U.S. The previous year, Brabham won the U.S. Track & Field Federation national indoor long jump title. In 1973, he was sixth at the NCAA Outdoor nationals and 10th in the World Games. He won the SWC long jump title in 1972 and 1973, setting conference records both years. His senior year he set a conference best of 26-9 1/2, a mark which was just three inches off Ralph Boston's collegiate record. His leap still stands as the Baylor school record.

Other major titles Brabham won included the 1971 Texas Relays and the 1971, '72 and '73 Kansas Relays crowns. He was voted Baylor's Outstanding Track Man four consecutive years and was voted Baylor's Outstanding Athlete in 1971.

As a high school competitor in Roswell, N.M., Brabham won state titles in the long jump and pole vault, establishing state records for both in the process. Clyde Hart has called Brabham the most versatile athlete he's coached. Brabham excelled in the sprints, relays, high jump, hurdles and pole vault while also being one of the world's best long jumpers.

Brabham came to Baylor from Hobbs [N.M.] High School where he was head track and cross country coach for four years. He previously spent four years at Georgetown [Texas] High, three at Goddard [N.M.] High and four at Odessa [Texas] Junior High. "One of my goals was to coach on the collegiate level," Brabham said. "I think I have a lot to offer collegiate student-athletes. Due to the fact that I competed in virtually every event while at Baylor, I have an edge on knowing how each event is supposed to take place."

Brabham and his wife, Debbie, have two children: Brian, an education specialist for the Region 12 Education Service Center in Waco, and Heather, a homemaker in Waco, and five grandchildren: Tommy and Tori Brabham and Brady, Neeley and Cami Farnum.

### MICHAEL FORD

ASSOCIATE COACH ■ 11TH SEASON AT BAYLOR  
BAYLOR, 1997

In his 11th year with the Baylor coaching staff and fifth as associate track coach, former Bear standout Michael Ford works primarily with the sprints, short hurdles and relays.

Ford has mentored multiple All-Americans in a decade coaching at his alma mater, most recently all-time All-America award leader Tiffany Townsend and individual national champion Trey Harts. During her career, Townsend racked up a BU record 17 All-America honors, while Harts claimed three NCAA titles (200 meters, [2] 4x400-meter relay) and nine All-America awards. Ford has also been named the Midwest Region Assistant Coach of the Year on two occasions (2005, '06) and the South Central Region Assistant Coach of the Year once (2009) by the United States Track & Field and Cross Country Coaches Association.

In 2011, Ford's sprint crew used a mix of newcomers and veterans to earn 16 All-America honors, including three men's relays (4x100, indoor and outdoor 4x400) and national 60-meter hurdle runner-up freshman Tiffani McReynolds. Along with the All-America honors indoors, McReynolds also claimed Big 12 high-hurdle titles indoors and outdoors. Another newcomer, Woodrow Randall, became a key member to Baylor's 4x100-meter relay, while also earning indoor 60-meter All-America honors and tying Michael Johnson's 100-meter BU record of 10.13.

Despite battling through injuries to key relay members in 2010, Ford's sprints crew remained deep enough to earn 14 All-America awards and 27 all-Big 12 honors, including the Big 12 champion men's 4x100-meter relay and the All-American women's 4x100-meter relay. Townsend also earned All-America honors individually in the 100 and 200 meters and won the 200 and 4x100-meter relay at the NACAC Under 23 Championships.

In addition to his full-time duties for Baylor, Ford was also selected to coach the men's sprints, hurdles and relays for the 2010 USA Junior World Team. His teams won two gold medals at the Junior World Championships in the 4x100 and 4x400-meter relays. His 4x100 team ran the third-fastest time ever by a junior team.

In 2009, the Baylor 4x400-meter men's team put together one of the most impressive streaks in collegiate track and field. The Bears took a streak of wins and national titles that began in 2007 to the finals of the 2009 NCAA Outdoor Championships. The 4x400 relay took the NCAA indoor crown, then continued a streak of 42 straight wins until a third-place finish at the outdoor championships. Along with the indoor relay crown, Harts also posted an impressive performance winning the 200-meter national title.

In 2008, the Bears captured two more national titles, winning the men's indoor and outdoor 4x400-meter relays for the second-straight year. The Bears' time of 3:00.22 at the NCAA Championships ranked as the second-fastest in Baylor history, and the fifth-fastest collegiate time ever. Baylor claimed the indoor and outdoor titles in the same season for the fifth time in school history and only the 11th time ever. Baylor again made history at the Drake Relays as the men's and women's teams combined for a record seven relay titles at the meet. The women claimed four relay titles, the most ever for a women's team, moved into first place in all-time relay titles at Drake.

The Bears had solid showings at the national meets as all four relays earned All-America honors outdoors. In addition, Trey Harts and Tiffany Townsend earned All-America honors in the indoor and outdoor 200 meters.

Townsend set a new school record in the 200 meters, clocking 22.75 at the Big 12 Outdoor Championships. In addition, the women's sprint relay set a new school mark, running 43.60 at the outdoor conference meet. v During the summer, Townsend won the USA Junior Championship in the 200 meters, and later anchored the United States to a gold medal in the 4x100-meter relay at the 2008 IAAF World Junior Championships.

Also in 2008, Ford began his tenure coaching Jeremy Wariner, as well as other Olympians Darold Williamson, Reggie Witherspoon and Sanjay Ayre. Under Ford's leadership, Wariner claimed the silver medal in the 400 meters at the 2008 Olympic Games in Beijing, and won a gold medal as the anchor leg on the 4x400-meter relay. Witherspoon also won a gold medal, running the third leg in the preliminaries of the 4x400-meter relay.

During the 2007 season, the Baylor men's 4x400-meter relay won the indoor and outdoor NCAA titles, the fourth time in Baylor history and just the 10th time in collegiate history that feat has been accomplished. At the

NCAA Outdoor Championships, the 4x400-meter relay set a new Baylor record of 3:00.04, breaking the 12-year-old school record that Ford helped set as the leadoff leg. Ford coached Witherspoon to Big 12 indoor titles in the 200 meter and 400 meters for the second straight season. Witherspoon also captured the Big 12 title in the outdoor 200 meters, and was named High Point Performer for both conference championships. Also, the Bears claimed the Big 12 title in the men's 4x100-meter relay for the second straight year, the first time Baylor history to win back-to-back conference championships in the sprint relay. Witherspoon and Trey Harts also earned All-America honors in the indoor 200 meters. Baylor made history at the Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter, and sprint medley), to become the first school to accomplish the feat in 63 years.

During 2007, Ford coached former Baylor All-American Williamson to the bronze medal at the USATF Indoor Championships. Williamson won gold as a member of the United States 4x400-meter relay team at the World Championships in Osaka, Japan. Ford also coaches Ayre, who won gold in the 400 meters at the Jamaica National Championships.

In 2006, freshman Jacob Norman captured the NCAA championship in the indoor 60 meters with a school-record time of 6.56. Norman also anchored the men's 4x100-meter relay to its first Big 12 title in the event since 2000. Both the men's and women's 4x400-meter relays swept the indoor and outdoor conference titles. Jerome Miller was the national runner-up in the 60-meter hurdles with a school record time of 7.66 and Witherspoon was an All-American in the indoor 200 meters.

In 2005, Ford guided the 4x100-meter relay to a school record and helped Elizabeth Wilson pull a stunning upset by winning the Big 12 indoor 200-meter title and set a new school record at 23.53. Carla Grace was one of the top freshmen in the Big 12 Conference, earning All-America honors on the Bears' indoor 4x400-meter relay and earning all-region and all-conference accolades in both the 100 and 200 meters. The 2005 edition of the men's 4x400-meter relay of Kevin Mutai, Mark Teter, Wil Fitts and Williamson earned All-America honors both indoors and outdoors, finishing second at the NCAA Indoor Championships.

Ford was heavily involved with the success of the 2004 men's 4x400-meter relay squads. The indoor team of Jamen Saziru, Teter, Wariner and Williamson set a new NCAA record with a time of 3:03.96 at the NCAA Indoor Championships, then Braelon Davis and Fitts joined Wariner and Williamson to claim the title at the NCAA Outdoor Championships in 3:01.03. Wariner, the Olympic gold-medalist in the 400 meters, and Williamson went on to run the third and anchor legs, respectively on the United States gold-medal 4x400-meter relay team.

Ford was instrumental in the development of All-American sprinter LaKadron Ivery, who holds three school records and finished second in the 100 and 200 meters and the long jump, while running on the Bears' 4x100-meter and 4x400-meter relays at the 2005 Big 12 Outdoor Championships.

In 2004, Ivery won gold in the 200 meters competing for the United States at the North America, Central America and Caribbean Under-23 Championships in Sherbrooke, Canada.

Ford spent three years as an assistant coach at the University of Rochester, working with sprinters and 400-meter hurdlers under the direction of head coaches Tim Hale (1998) and Richard Mackenzie (1999-2000). In 1998, Ford helped guide the Yellow Jackets to indoor-outdoor Associate of American Universities titles. The AAU is a 61-member organization of the leading public and private research and graduate institutions in the nation. Rochester established eight school records in sprints and relays while Ford was a member of the coaching staff.

Like his fellow assistant coaches, Ford enjoyed a stellar collegiate career at Baylor. The 1997 graduate was a two-time 4x400-meter relay national champion, running the first leg for both the 1995 team and the 1996 team. Both of those teams also won conference titles.

During his time at Baylor, Ford collected six relay All-America honors. In 1996, the 4x400 team finished second at the NCAA Indoor Championships, after finishing first at the Southwest Conference Championships.

During his time at Baylor, Ford was considered the nation's best 4x400 leadoff leg. In 1995, he sparked the Bears national title relay team to a school-record time of 3:00.60 -- then the fifth-fastest outdoor time in NCAA history -- during the preliminaries of the NCAA Championship meet. In that race, Ford ran a 45.51-second split. He also turned in second-place finishes in the 400 meters at the 1993 Southwest Conference Indoor Championships and at the 1995 SWC Outdoor Championships.

Ford's relay success reached beyond his Baylor experience. In 1995, he was a member of the bronze-medal East 4x400 team at the U.S. Olympic Festival. While in high school, he won the 400 meters at the American Amateur Union Junior Olympics in record time. Ford also added New York State and Eastern States championship titles in the quarter-mile to his resume.

A native of Rochester, N.Y., Ford was inducted into the Section V Track & Field Hall of Fame in May 2003.

## COACHING STAFF

**STACEY SMITH**

**ASSISTANT COACH ■ 10TH SEASON AT BAYLOR  
BAYLOR, 2000**

Stacey Smith is in her 10th season as an assistant coach at Baylor working with the Bears' jumpers. The most-decorated women's athlete in the program's history, the former Stacey Bowers currently holds the Baylor record in the triple jump both indoor and outdoor, while claiming the only individual national title in program history when she won the 1999 NCAA outdoor triple jump title.

Over nine full seasons of coaching at her alma mater, Smith has been able to translate her personal collegiate success into success for the student-athletes she has mentored. She has coached 11 All-Americans during her time, including nine on the women's side and two on the men's, along with a Big 12 champion.

In 2010 and 2011, Smith guided Jessica Ubanyionwu to new heights, as the triple jumper emerged as one of the best in the nation, earning two All-America honors. Ubanyionwu, who earned All-Big 12 honors both indoors and outdoors, moved into second place all-time on the BU record books in the triple jump, behind only Smith. Ubanyionwu set career-bests with an indoor leap of 43-5.75 and an outdoor performance of 44-1.25 during the 2011 season.

During 2008 and 2009, Smith guided sophomore DeAna Carson to back-to-back appearances in the NCAA Championships, culminating in an All-America performance in the long jump in 2009. Carson earned All-Big 12 honors both indoors and outdoors, while breaking the BU indoor long jump record with a leap of 21-4.75 at the national meet.

In 2006, Chris Gillis emerged as one of the nation's top long jumpers under Smith's guidance, finishing third at the 2006 NCAA Outdoor Championships. Gillis claimed the Big 12 title, finished second at the 2006 NCAA Midwest Regional and joined assistant head coach Danny Brabham as the only two Baylor leapers to long jump more than 26 feet. Gillis first broke through with a second-place finish at the 2004 Midwest Regional Championships and earned All-America honors by finishing eighth at the 2005 NCAA Outdoor Championships. Also in 2006, Queito Teasley earned indoor and outdoor All-Big 12 honors, finishing sixth at each conference meet.

Prior to her tutelage of Gillis, Smith helped April Holliness become a five-time All-American in the long jump and claim the 2004 NCAA Midwest Regional title. During her career, Holliness finished as high as third in the long jump at the NCAA Championships. Meanwhile, Smith helped guide multi-event athlete Jordan Willmann, a two-time All-American, to set the school records in the pentathlon and heptathlon.

During her collegiate days, Smith became Baylor's first female individual NCAA national champion when she won the 1999 outdoor triple jump with a leap of 45-10. She earned All-America honors nine times, including three on relays and six individually. Her nine overall and six individual each rank second all-time in Baylor history.

Smith was Baylor's first female athlete to become a member of a U.S. National team, competing in the 1998 Goodwill Games. She continued her success as a member of the 1999 World Championship team. Smith was a force within the Big 12, sweeping the indoor and outdoor triple jump titles in 1998 and again in 1999. With four conference titles to her credit, she is tied for fourth all-time at Baylor. Smith also won the 1999 USA triple jump crown with a leap of 45-02.5.

She is married to Rodney Smith, a former Baylor football and basketball player (1996-99) and the couple are the proud parents of two children, Sydney and London. A product of La Vega High School in Bellmead, Texas, Smith received her degree in education in 2000 and her master's degree in sport management from Baylor in May 2002. Smith was inducted into the Baylor Athletic Hall of Fame in 2009.

**JON CAPRON**

**ASSISTANT COACH ■ NINTH SEASON AT BAYLOR  
BAYLOR, 2003**

Jon Capron is in his ninth season on the Bears' staff, his sixth as full-time assistant coach, after completing an outstanding four-year career at Baylor. Capron's main duties is the development of the men's distance runners and intermediate hurdlers.

In 2011, Baylor's men highlighted the season with a second consecutive Big 12 Indoor Distance Medley Relay title, claiming back-to-back wins in the event for the second time since 2003. Capron also guided newcomer Gabriel El Hanbli to all-Big 12 honors in the 400-meter hurdles, as well as two individual meet titles in the event.

In 2010, Capron helped form a school-record breaking men's distance medley relay team that was on the cusp on racing its way to the NCAA indoor meet. After setting the school record at the Tyson Invitational and winning the Big 12 title in consecutive weeks, the men's DMR turned in Baylor's fastest time ever of 9:34.90, more than eight seconds faster than the record entering the season. In addition, both Baylor's men and women earned all-Big 12 indoor honors in the Big 12, while Robbie Knorr was all-Big 12 in the 3,000 and 5,000 meters and Kristen Hanselka was all-Big 12 in the 3,000-meter steeplechase.

From 2006-09, Baylor's women combined to run the top seven fastest outdoor distance medley relay times, and in the past two seasons, have run six of the top eight indoor distance medley relays, in program history. Baylor's women have also set new school records in the 4x1,600-meter relay, including the world's top time in 2008, and the outdoor 4x800-meter relay. During the span, Baylor's long relay teams earned All-America honors three consecutive seasons from 2006-08.

Individually in 2007, Baylor saw the five-year-old women's 800 meter record fall in three consecutive meets. Nichole Jones broke the record to win the Big 12 title in 2:05.89. Lauren Hagans then edged Jones by .01 seconds to lower the record to 2:05.69 at the Midwest Regional. Jones reclaimed the record at the NCAA Championships clocking 2:04.69 to finish ninth and earn All-America honors. One of the key parts to Baylor's distance success in the relays as well as individually, has been the development of three-time track All-American Erin Bedell.

In 2005, Brittany Brockman was the only Baylor female athlete to earn individual All-America honors outdoors by finishing 11th at the NCAA Championships in the 10,000 meters.

For the men, Bo Price became an indoor All-Big 12 performer in the men's 3,000 meters, while Mitch Sanders earned all-conference honors in the men's outdoor 1,500 meters. In 2006, Cody Wells earned all-Big 12 honors in the 10,000 meters.

Capron has also played an integral role in the recent success of Baylor's cross country teams. The women's teams have made seven straight NCAA Championship appearances. The Bears have hosted the NCAA South Central Regional for six of the last seven seasons with the women finishing second in 2009, 2006, 2005 and 2003 and third in 2004, while the men finished seventh in 2006, 2004 and 2003. In 2003, the women recorded their highest finish in school history by placing second at the Big 12 Championships and Brockman led the Bears to a third-place finish in 2005 to earn her third straight all-conference honor. Brockman also won the 2005 NCAA South Central Regional title as a school-record six women earned all-region and three earned all-conference honors.

During his career, Capron earned All-Big 12 accolades two straight years in the 1,000 meters and was a member of record-setting 4x1,500 and 4x800 relay teams.

Capron, who was born in Honolulu, Hawai'i, was a three-time all-state cross country runner at Eldorado High School in Albuquerque, N.M. He received his bachelor's degree in education from Baylor in 2003 and his master's degree in exercise physiology two years later. He is married to the former Kelly Pace, who is also a Baylor graduate. The couple and their son Caleb live in Woodway, Texas, just outside of Waco.
