BIG 12 CONFERENCE

BAYLOR UNIVERSITY MISSION STATEMENT

The mission of Baylor University is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community.

BAYLOR ATHLETICS MISSION STATEMENT

To support the overall mission of the University by providing a nationally competitive intercollegiate athletics program that attracts, nurtures and graduates student-athletes who, under the guidance of a high-quality staff, pursue excellence in their respective sports, while representing Baylor with character and integrity. Consistent with the Christian values of the University, the department will carry out this mission in a way that reflects fair and equitable opportunities for all student-athletes and staff.

Baylor University is an equal opportunity institution whose programs, services, activities and operations are without discrimination as to sex, color, or national origin, and are not opposed to qualified handicapped persons.

UNIVERSITY ADMINISTRATION

KEN STARR

UNIVERSITY PRESIDENT AND CHANCELLOR
GEORGE WASHINGTON, 1968

A distinguished academician, lawyer, public servant and sixth-generation Texan, Judge **Ken Starr** serves as the chief executive officer of Baylor University, holding the titles of President and Chancellor. On June 1, 2010, Judge Starr began his service as the 14th president to serve Baylor University and was named to the position of President and Chancellor on Nov. 11, 2013. In providing the additional title, he is charged with the task of increasing Baylor's influence in the nation and around the world.

Judge Starr also serves on the faculty of Baylor Law School as The Louise L. Morrison Chair of Constitutional Law and teaches a seminar on current Constitutional issues. Judge Starr is a member of the Board of Directors for the National Association of Independent Colleges and Universities (NAICU) and the Board of Directors for the International Association of Baptist Colleges and Universities (IABCU). Judge Starr serves as Immediate Past President and Secretary-Treasurer of the Southern University Conference. In addition, he serves as a member of the Board of Trustees for the Baylor College of Medicine and the Board of Trustees for Baylor Scott & White Health.

In September 2010, Judge Starr established his first fundraising priority: The President's Scholarship Initiative, a three-year challenge to raise \$100 million for student scholarships, which was completed five months ahead of its goal. He also is leading Baylor into the future under Pro Futuris, a new strategic vision developed with the collective wisdom of the extended Baylor family.

Judge Starr has argued 36 cases before the U.S. Supreme Court, including 25 cases during his service as Solicitor General of the United States from 1989-93. He also served as United States Circuit Judge for the District of Columbia Circuit from 1983 to 1989, as law clerk to Chief Justice Warren E. Burger from 1975 to 1977 and as law clerk to Fifth Circuit Judge David W. Dyer from 1973 to 1974. Starr was appointed to serve as Independent Counsel for five investigations, including Whitewater, from 1994 to 1999.

Prior to coming to Baylor, Judge Starr served for six years as The Duane and Kelly Roberts Dean and Professor of Law at Pepperdine, where he taught current constitutional issues and civil procedure. He has also been of counsel to the law firm of Kirkland & Ellis LLP, where he was a partner from 1993 to 2004, specializing in appellate work, antitrust, federal courts, federal jurisdiction and constitutional law. Judge Starr previously taught constitutional law as an adjunct professor at New York University School of Law and was a distinguished visiting professor at George Mason University School of Law and Chapman Law School. He is admitted to practice in California, the District of Columbia, Virginia and the U.S. Supreme Court.

Judge Starr is the author of more than 25 publications, and his book, "*First Among Equals: The Supreme Court in American Life*," published in 2002, was praised by U.S. Circuit Judge David B. Sentelle as "eminently readable and informative...not just the best treatment to-date of the Court after (Chief Justice Earl) Warren, it is likely to have that distinction for a long, long time."

A member of Columbus Avenue Baptist Church in Waco, Judge Starr and his wife, Alice, have three children and six grandchildren.

JEREMY COUNSELLER

FACULTY ATHLETICS REPRESENTATIVE
STEPHEN F. AUSTIN, 1996

Professor **Jeremy Counseller** is in his second year as Baylor's Faculty Representative to the Big 12 Conference and the NCAA. He has been a member of the Baylor Law faculty since 2003.

Professor Counseller graduated from Baylor Law School with honors and was a member of the Baylor Law Review, the Order of the Barristers, and the interscholastic moot court and mock trial teams. He also earned an M.B.A. from Baylor's Hankamer School of Business and a B.A. summa cum laude from Stephen F. Austin State University.

Following his graduation from law school, Professor Counseller served as a law clerk to the Honorable Reynaldo G. Garza of the United States Court of Appeals for the Fifth Circuit. Professor Counseller then entered private practice in Houston, Texas, with Bracewell & Patterson, LLP (now Bracewell & Giuliani LLP), where he was an associate in the trial section. Mr. Counseller also served as an Assistant Criminal District Attorney in McLennan County, Texas, where he prosecuted both misdemeanors and felonies.

Professor Counseller has authored articles and presented papers on various evidentiary and procedural issues. He is also the co-author and editor of the *Handbook of Texas Evidence* (Civil Practice). In 2006, the President of the State Bar of Texas appointed him to serve on the Administration of the Rules of Evidence Committee. He is also the Contributing Evidence Editor of the State Bar of Texas's General Practice Digest. In 2007, Baylor University designated Professor Counseller an outstanding tenure track faculty member in recognition of distinguished teaching.

Professor Counseller teaches Civil Procedure and Texas and Federal Procedure in Baylor Law School's renowned Practice Court program. He also is a coach of the Law School's interscholastic moot court and mock trial teams. In 2005, he was the coach of Baylor Law School's Association of Trial Lawyers of America national championship mock trial team.

DIRECTOR OF ATHLETICS

IAN McCAW
 DIRECTOR OF ATHLETICS
 LAURENTIAN, 1985

Under **Ian McCaw's** leadership, Baylor's athletic department has achieved extraordinary academic, athletic and administrative success since his arrival on Sept. 8, 2003, as the school's 12th Director of Athletics.

Since 2003, Baylor has enjoyed the most competitively successful period in the history of its intercollegiate athletics program. During that span, Baylor has captured four national team championships and 56 Big 12 Conference championships. This period also includes Baylor's nine highest finishes in the Learfield Sports Directors' Cup standings, highlighted by its best finish ever in 2014-15 with a 23rd-place ranking. In addition, all 19 sports advanced to postseason competition for the first time in school history in 2011-12.

Baylor football reached bowl games in six consecutive years for the first time in school history and won the 2011 Alamo Bowl, 2012 Holiday Bowl, 2013 and 2014 Big 12 championships and 2015 Russell Athletic Bowl. In addition, Robert Griffin III became the school's first-ever Heisman Trophy winner.

Student-athletes have thrived in the classroom as Baylor finished first or second in the Big 12 in graduation success rate in six of the last eight years and recorded their highest cumulative grade point average on record during 2013-14 at 3.23.

While Baylor Athletics enjoyed extraordinary academic and athletic success, the department has made dramatic strides administratively, too. A five-year strategic plan for intercollegiate athletics, *Above and Beyond*, was developed and implemented inclusive of department goals and objectives. An outgrowth of this plan was the creation and successful completion of the *Victory with Integrity* and *From Here We Build* development campaigns. Since 2003, Baylor Athletics has raised more than \$390 million toward capital projects and student-athlete scholarships.

This increased athletics development activity has led to the funding and completion of the Highers Athletics Complex including the Simpson Athletics and Academic Center and Jay and Jenny Allison Indoor Football Practice Facility; Lt. Jack Whetsel Jr. Basketball Practice Facility; Willis Family Equestrian Center; Getterman Softball Practice Facility; Hurd Tennis Center; Jim and Nell Hawkins Indoor Tennis Center; Clyde Hart Track and Field Stadium; Williams Family Soccer and Olympic Sports Center; Beauchamp Athletic Nutrition Center; and the state-of-the-art, McLane Stadium.

Prior to Baylor, McCaw spent the 2002-03 year as director of athletics at the University of Massachusetts. At UMass, he was responsible for a 23-sport program and helped develop and implement a five-year strategic plan and secure funding for basketball locker room renovations.

McCaw previously served as director of intercollegiate athletics and campus recreation at Northeastern University from 1997-2002. During his five years at Northeastern, Husky student-athletes thrived in the classroom, gave back to the community, and in his final year (2001-02) captured a school-record six America East Conference championships and had five teams finish among the nation's top 20.

McCaw went to Northeastern from Tulane University, where he served as senior associate athletic director for development and associate athletic director for external affairs from 1992-1997, being named Tulane's co-interim director of athletics in 1996. Prior to his years at Tulane, McCaw worked in a variety of athletic administrative posts at the University of Maine from 1986 to 1992 including sports information, marketing and external affairs. Recognized as a national leader in intercollegiate athletics, McCaw served as chair of the NCAA Recruiting and Personnel Issues Cabinet. He is a member of the Big 12 television and game management and officiating committees. He previously served on the National Association of Collegiate Directors of Athletics Executive Committee, and currently is on the Division I-A Athletics Director Association Board of Trustees.

McCaw was named 2014-15 FBS NACDA Under Armour Athletic Director of the Year. He was selected as a finalist for the 2012 and 2015 *Sports Business Journal* Athletics Director of the Year award. He was named the 2012 NACDA West Region Under Armour Athletic Director of the Year and 2010 *Waco Tribune-Herald* Central Texas Sportsman of the Year. He also received the 2013 VanderZwaag Distinguished Alumnus Award from the University of Massachusetts Sport Management Program.

McCaw earned his master's degree in sport management from Massachusetts in 1987, after receiving a bachelor's degree in sports administration at Laurentian University in Sudbury, Ontario, in 1985. McCaw and his wife, Heather, are members of First Baptist Church of Woodway where he serves as a deacon. They are the parents of four children: Christy, Paul, Callie and Corinne.

FACILITIES

CLYDE HART TRACK & FIELD STADIUM

The 2016 season will mark the second at Clyde Hart Track and Field Stadium on the Baylor campus.

Named for legendary Baylor track coach, Clyde Hart, the \$18.1 million facility was dedicated on Dec. 5, 2014. The stadium accommodates 5,000 spectators and participants with seating on the front and back stretches. It was designed by Kansas City-based Populous, which planned McLane Stadium, and built by Austin Commercial and Flintco, which also constructed the football stadium. In addition to a state-of-the-art track and outstanding venues for field events, Clyde Hart Track and Field Stadium offers a range of facilities and amenities including:

- The 13,500-square-foot Lewis A. and Mary Woodall Training Center, featuring an indoor practice facility;
- The Bob and Brenda Barkley Champions Plaza recognizing winners of Olympic and NCAA titles;
- A 6,000-square-foot team facility containing the Winston Wolfe Clubhouse; and
- A 10,300-square-foot team building containing hydrotherapy pools, a training room, offices and meeting rooms, and storage space.

The surface of the track is a full pour polyurethane surface done by Beynon Sports, using its revolutionary BSS 2000 system with embedded texture. The Olympic-caliber BSS 2000 system is IAAF certified and offers athletes the highest level of control and maximum energy return. The track is nine lanes affording a spectacular view of the Brazos River.

In its first year, the facility hosted both the Baylor Invitational and the Michael Johnson Classic with fans, coaches and athletes giving the venue rave reviews.

Former track and field athletes and Baylor supporters rallied around the program's return to campus. During the 1920s, Baylor track and field teams competed at Carroll Field on the Baylor campus before moving off campus to Waco Stadium (later called Municipal Stadium) around 1940. In 1960, Baylor opened Baylor Track Stadium, later known as the Hart-Patterson Track and Field Complex, on Clay Avenue near Floyd Casey Stadium.

On Feb. 14, 2014, Baylor's Board of Regents approved naming the new facility in honor of Hart, a 1956 Baylor graduate who served 42 years as Baylor's head track and field coach before retiring in 2005 to become director of track and field. His five decades of leadership elevated Baylor track and field to monumental heights while earning a worldwide reputation as "Quarter-Miler U" and international exposure on the Olympic stage. One of the nation's most successful and prominent programs, Baylor's track and field teams have produced nine Olympic gold medals, 36 NCAA championships and more than 600 All-America performances.

The Clyde Hart Track and Field Stadium is located just next door to McLane Stadium at 1601 Martin Luther King Jr. Blvd.

COACHING STAFF

**TODD HARBOUR**

**HEAD COACH ■ 11TH SEASON (16th at Baylor)
BAYLOR, 1981**

Todd Harbour enters his 11th season as Baylor's head track and field coach. He has served in that capacity for the cross country team for the last 15 years. Director of Athletics Ian McCaw named Harbour as Clyde Hart's successor June 14, 2005, after he had been Baylor's head cross country coach and assistant track coach since January 2000.

Harbour continues to build Baylor's cross country and track and field teams into one of the nation's most successful and prominent programs. Under his watch, Baylor has posted 22 top-20 finishes nationally since he took over both programs in 2005-06, including eight top-10 finishes.

In track and field, the women have seven top-20 finishes at nationals, while the men have been top-20 12 times.

In cross country, Harbour's women's teams have excelled, earning eight berths into the NCAA Championships, including seven-straight from 2003-09. The streak was the sixth-longest active run at the time.

The team success has been built around a multitude of athletes who have succeeded individually. In his 10 full seasons as head coach, Harbour's student-athletes have won 10 individual NCAA titles, earned 193 All-America certificates and claimed 76 Big 12 event titles, placing them consistently among the nation's elite.

During the 2015 cross country season, Harbour worked to rebuild the women's squad after losing decorated seniors Rachel Johnson and Mariah Kelly. The season was highlighted by the individual efforts of junior Maggie Montoya, who placed fifth at the Big 12 Championship and was the regional runner-up to become the sixth women's individual NCAA qualifier under Harbour. As a team, Harbour's women's squad was eighth at the Big 12 meet and fourth at the NCAA South Central Regional Championships.

Last season on the track, Harbour directed the women's squad to a seventh-place finish at the NCAA Indoor Championships with school-record totals for points scored (27) and All-American performances (9). Trayvon Bromell also continued his emergence as one of the nation's top sprinters by winning the NCAA Indoor 200-meter title. Under Harbour's watch, Baylor athletes combined to earn 40 All-Big 12 and 10 All-America honors indoors and 44 All-Big 12 and three All-America honors outdoors. As a team, the women set school records with 105 points scored and four event champions to finish third at the Big 12 Indoor Championship, while placing fifth with 96 points and a record-tying three event titles at the outdoor conference meet. On the men's side, Harbour guided the Bears to a seventh-place finish with three event winners and 69 points at the Big 12 Indoor meet, while BU had a school-record five event champions to finish fourth with 93 points at the league's outdoor meet. On the national level, the Baylor men had two more top-20 finishes under Harbour, taking 18th indoors (10 points) and 13th outdoors (14 points) to score for the 38th-consecutive year.

Individually, Harbour coached Rachel Johnson to All-America honors in the 3,000-meter steeplechase at the outdoor NCAA meet for a second-straight year with a sixth-place showing. With that result, she became the fourth Baylor female athlete to earn All-America honors in cross country, indoor and outdoor track in the same school year, after tallying a sixth-place finish in the 3,000-meters and a second-place finish in the 5,000-meters at the NCAA Indoor Championships. Olicia Williams earned indoor All-America honors as she took third in the 800-meter race, turning in the second-fastest time in school history with a 2:03.67. Harbour's women's distance medley relay team earned a fourth-place finish in 11:04.21, the second-best time in school history, at the NCAA meet to nab All-America honors in the event for the first time since 2008 and for the fourth time overall.

The 2014 cross country season saw Harbour return the women's team to the NCAA Championships for the first time since 2009. He mentored Johnson to All-America honors and a tie for the highest finish by a Baylor athlete all-time (5th) as the team placed 19th at the national meet. The women's team was third at the Big 12 meet and second at the regional meet to earn an automatic NCAA berth.

Rounding out a decade as the head track and field coach, Harbour pushed his squad to new heights as 2014 was highlighted by an indoor NCAA title for Felix Obi in the triple jump and an outdoor NCAA crown for Bromell in the 100-meter dash. All told during the 2014 season, Baylor's men and women combined to earn 45 All-Big 12 and three All-America honors indoors and 54 All-Big 12 and 12 All-America honors outdoors. As a team, the Lady Bears turned in matching runner-up finishes at the indoor and outdoor conference meets, tying their best placing in Big 12 history. At the outdoor NCAA meet, the women took

14th with 17 points, their fourth highest point total of all-time. The BU men were seventh indoors and fourth outdoors at the conference meet by tallying 93 points. That was BU's highest men's team finish since 2001 (4th) and highest point total since 1998 (101), while scoring 21 points at the NCAA Outdoor for an eighth-place finish overall. Individually, Harbour coached Johnson to a breakout season. She placed 10th at the Big 12 Cross Country Championships and then earned a trip to the NCAA Championships with a fifth-place showing at the regional meet. Harbour helped Johnson transition to the track season as she went on to set school records in the indoor 3,000 meters and the outdoor 3,000-meter steeplechase and 5,000-meters. Johnson nabbed All-America honors at the indoor and outdoor NCAA Championships, while carding a Big 12 title in the steeplechase.

In 2013, a young Baylor squad added another top-25 national finish as the women's team placed 25th at the NCAA Indoor Championships, while collectively the men and women had seven All-American honorees. Prior to that event, Harbour guided BU athletes to six individual conference titles at the Big 12 Indoor Championships as both the men and women took fourth. During the outdoor season, Baylor's women tallied the highest finish at the league meet under Harbour and the best since 1999 by taking third. At the national meet, seven student-athletes garnered All-American accolades. Personally, Harbour's middle distance crew had a breakout year as Mariah Kelly won the Big 12 Indoor 1,000-meter title and freshman Williams clocked the second-fastest time in school history at the 800-meter distance.

The 2012 track and field season featured another top-20 indoor finish for Harbour's women's squad. That team got All-American performances from Tiffani McReynolds, Erin Atkinson, Jessica Ubanyionwu and Skylar White to finish 16th at the national meet. BU's men received All-American nods at the indoor event with Patrick Schoenball finishing fifth in the 800-meters and the 4x400-meter relay team earning a seventh-place finish. During the outdoor season, White again scored All-American status in the shot put, while the 4x100-meter relay team led the way for the men with a fifth-place showing. In cross country, Harbour coached Johnson to an All-Big 12 performance with an eighth-place finish at the conference meet.

The 2011 track and field season showed that Baylor continued to put itself in a prominent place nationally with top-20 finishes on both sides at the NCAA Indoor meet. A silver medal in the 60-meter hurdles from freshman McReynolds and two All-America performances by Tiffany Townsend bolstered the women's 10th-place finish. Meanwhile, the Baylor men earned a silver medal in the 400-meter relay to help place 16th overall as a squad. Outdoors, Townsend again highlighted the action with two more All-America performances in the sprints, giving her a school record 17 over her outstanding career. During the 2011 cross country season, Johnson earned all-region honors with a 19th-place finish.

While the 2010 cross country season didn't feature a team trip to the NCAA Championships for the first time in seven seasons for the Baylor women, Robyn Bennett and Kate Westenhover each earned all-region honors and individual spots in the NCAA Championships. Katie Shaw added all-region honors for the women, while Robbie Knorr earned all-region on the men's side.

In 2010, Baylor's track teams battled through a multitude of injuries, but under Harbour's leadership the depth of the team became a bright spot. The Bears managed 70 combined All-Big 12 honors at the indoor and outdoor conference championships, while totaling 15 All-America honors. The men's indoor and outdoor 4x400-meter relay teams each earned All-America honors, while the indoor team finished as the nation's runner-up. Baylor claimed Big 12 individual titles in the indoor men's distance medley relay, the indoor 800 meters by James Gilreath and the outdoor men's 4x100-meter relay. With the success of Baylor's relay teams at the Drake Relays and Texas Relays, the Bears earned the overall relay title by *Track and Field News*. During the season, Baylor student-athletes broke school records 13 times, with White breaking the indoor and outdoor shot put record seven times.

On the track in 2009, the Baylor men's 4x400-meter relay team continued a streak of 42 consecutive victories through the NCAA Indoor Championships until a third-place finish at the NCAA Outdoor Championships. Sprinter Trey Harts, a leg of the 4x400 relay, also earned an individual championship indoors in the 200 meters. Harbour's crew of men in the 4x400-meter relay helped put together an astounding streak of 42 consecutive meet victories, which included five consecutive NCAA titles (2007 indoor/outdoor, 2008 indoor/outdoor, 2009 indoor).

During the 2008 season, Baylor's men won the indoor and outdoor 4x400-meter relay titles to make NCAA history for the second season in a row. After winning both titles in 2007, the Bears did it again in 2008, marking the fifth time in school history and 11th time ever.

In 2007, Baylor captured two national titles, winning the indoor and outdoor 4x400-meter relays. The relay squad set a new Baylor record of 3:00.04, the fourth-fastest time in NCAA history. The relay broke the 12-year old record of 3:00.60.

Baylor also made history at the 2007 Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter, and sprint medley), becoming the first school to accomplish the feat in 63 years.

The Bears also had solid individual showings at the 2007 NCAA meets, as Reggie Witherspoon (200 meter) and LeJerald Better (400 meters) each earned All-America honors indoors and outdoors. Nichole Jones (800 meters) earned All-America honors at the NCAA Outdoor Championships to become Baylor's first-ever All-American in the women's outdoor 800 meters. In addition to the men's 4x400-meter relay, Baylor also earned eight other All-America honors at the NCAA Indoor Championships, including the women's distance medley relay.

For the year, Baylor athletes set or tied 12 school records, including two each for Kaleigh Teel and Chris Cardwell. Jones and Lauren Hagans combined to break the outdoor 800-meter record three times during the season, while the women's 4x800-meter relay shattered the previous program-best by 13 seconds.

Baylor didn't miss a beat in Harbour's first season at the helm in 2006, capturing one national title, 10 All-America honors and 12 Big 12 Conference titles—seven individual and five relay. The Bears also established new school records in 12 events.

Jacob Norman became the first national champion under Harbour, blazing to the indoor 60-meter crown with a school record time of 6.56. Witherspoon was a two-time All-American and was named the 2006 Big 12 Indoor Male Athlete of the Year. He won conference crowns in the indoor 200 meters, both the indoor and outdoor 400-meter titles, the indoor and outdoor 4x400-meter relays and the 4x100-meter relay. Erin Bedell (3,000 meters) and Kevin Mutai (600 yards) also captured indoor conference titles. The Bears continued their success during the outdoor season as Chris Gillis earned All-America honors and won the Big 12 title in the long jump, and both the men's and women's 4x400-meter relays earned All-America honors and won Big 12 titles. Angel Perkins also earned All-America honors in the 400 meters.

Harbour has only strengthened a solid corps of women's middle distance runners. The distance medley relay earned All-America honors with a fifth-place finish at the 2006 NCAA Indoor Championships and blew away both the indoor and outdoor school records. Lauren Hagans broke her own record in the indoor 1,000 meters and earned All-Big 12 honors in the 800 meters. Erin Bedell came within an eyelash of adding the Big 12 outdoor 1,500-meter title to her standout freshman season, while Ruth Waller also earned All-Big 12 honors in the event. A trio of Bears - Lyndsy Bedell, Monique Ortega and Charity Williams - earned All-Big 12 honors in the 3,000-meter steeplechase. Ortega went on to earn All-Region honors and qualify for the NCAA Championships.

During his six years as an assistant, Harbour's middle distance and distance runners re-wrote the record books. His student-athletes broke eight individual school records, seven relay marks en route to 18 All-America certificates and nine Big 12 individual titles.

In his first season, Harbour watched Floyd Thompson set a blistering school record of 1:07.43 in the indoor 600 yards. Thompson went on to anchor the 4x800 relay team with Damian Davis, Jonathan Pike and Jon Capron to break a 24-year-old record (7:17.55) at the Drake Relays, as well as contribute to a 4x400 team would later win a national outdoor title.

Another record fell in 2001 as the team of Nick Devenport, Michael Smith, Davis and Ferenc Bekesi broke the school indoor distance medley relay record. Thompson went on to win the Big 12 title in the 800 meters outdoors, finished fifth at the NCAA Championships in Eugene, Ore., and ran on another 4x400-meter national championship team. The Baylor men's team would placed third overall, tying the best finish ever.

The 2002 season would add more success in the middle and distance events as Lanie Millar, a walk-on, won the Big 12 800-meter title while establishing a new school record (2:06.34). During the outdoor season, Millar also set the outdoor school record (2:06.08) in the 800 meters. Debbie Thornhill brought home a Big 12 title in the 10,000 meters and two more distance relay records would be set as the men's team of Bekesi, Capron, King and Matt Chance established a new 4x1,500 record (15:34.74) at Texas Relays. The women's team of Chance, Thornhill, Bennett, and Millar would set a new school record in the 4 x Mile (20:18.55) at Drake Relays.

In 2003, Wil Fitts made his mark his sophomore year by winning the Big 12 indoor title in the 600 yards, while the team of Devenport, Lewis, King, and Robert Quiroga won the distance medley relay title. Kyle King also established a new school record in the 5,000 meters (13:57.22). During the outdoor season, Angela Marvin set a new school record in the steeplechase en route to winning the Big 12 title as a freshman. Later that summer, she claimed the United States junior title for the 2,000-meter steeplechase, while adding a new American junior record to her resume. Thornhill also successfully defend her Big 12 10,000-meter title, while earning All-America honors at the NCAA Championships in Sacramento, Calif., with an eighth-place finish.

King used the 2004 season to establish himself as one of the all-time best distance runners in Baylor history. He became the first Baylor runner since 1981 to earn All-America honors in an event over 800 meters, with his fifth-place finish at the NCAA Championships in Austin. He also had an outstanding indoor campaign, as he earned his first All-America honor in the 5,000 meters. At the Big 12 Indoor Championships, King teamed with Quiroga, Korey Wright and Bo Price to win a second straight DMR title. Fitts also continued his success in his junior season as he would

establish a new indoor school record in the 800 meters (1:48.82). As a part of the outdoor 4x400-meter relay team, Fitts also earned his first national championship ring.

In 2005, after automatically qualifying for the NCAA Championships at the Stanford Invitational, Brittany Brockman later earned her first All-America honor in Sacramento in the 10,000 meters, while Fitts earned All-America honors in the 800 meters. During the indoor season, freshman Hagans established a new school record in the 1,000 meters (2:53.05) and teamed with Angel Perkins, Ortega and Jessa Chance to set a new school record in the distance medley relay.

One of Baylor's most legendary track athletes, Harbour holds the school mark in the 1,500 meters and the mile run. His 3:50.34 run at Oslo, Norway, his senior year, is still the fastest mile ever run by a collegiate athlete. He was inducted into the Baylor Athletic Hall of Fame in 1992.

During his collegiate days, Harbour was the Southwest Conference champion in the 1,500 meters in 1978, 1979, 1980 and 1981. He claimed the NCAA 1,500-meter runner-up title in 1979, 1980 and 1981, the only athlete to ever win three consecutive runner-up titles in that event. Harbour won the silver medal at the Pan Am Games in 1979 and was ranked ninth in the world in the 1,500-meters in 1982.

After graduating from Baylor, Harbour ran professionally for Nike and was one of the world's top milers. After the 1985 season, Harbour headed to Riesel, Texas, where he found another profession that would eventually lead him back to Baylor. Harbour began teaching history at Class 2A Riesel High School, then found himself coaching the varsity track and field teams. From there, he became involved with the varsity football program and eventually ended up as the head football coach and athletic director.

His success at Riesel included numerous district and regional championships in football and track and field. His track and field teams claimed district championships from 1987-90 and 1993-97 and produced regional championships in 1988, 1989 and 1994. Harbour coached eight individual state champions in track and field and led his cross country teams to a regional championship and two state runner-up positions. Harbour was the 1995-96 chairman of the track advisory committee for the Texas High School Coaches Association.

Harbour's varsity football teams compiled a 51-24-4 record and advanced to the bi-district playoffs four times and the area playoffs once in his six years at the helm. Those accomplishments earned him District 16A Coach of the Year, Central Texas Coach of the Year, District 14A Coach of the Year and Lay Witness for Christ Ministry Coach of the Year honors.

Harbour, a 2004 inductee into the Rio Grande Valley Sports Hall of Fame, and his wife, Cindy, have three children: Jonathan, Stephen and Aaron.

**CLYDE HART**

DIRECTOR OF TRACK AND FIELD ■ 53rd SEASON AT BU BAYLOR, 1973

After 42 years as Baylor's head track and field coach, Clyde Hart retired his position June 14, 2005, to become director of track and field. Hart's nearly five decades of leadership has seen Baylor track and field reach monumental heights while earning a world-wide reputation as "Quarter-Miler U."

His pupils have won an Olympic gold medal in six straight Olympics (1996-2012) and at least two gold medals in five consecutive Olympic Games (2000-2012). In just the men's 400-meter event, Jeremy Wariner (2004) and Michael Johnson (1996, 2000) captured Olympic gold in three straight Games. All-told, Hart has coached nine Olympians who have won a total of 13 Olympic gold medals, one silver and three bronze with Johnson claiming five gold medals, Wariner and Sanya Richards-Ross three, and Darold Williamson and Reggie Witherspoon one each.

From the time he took over the program from his mentor, Jack Patterson, in 1963, through the 2015 season, Hart has coached 34 national champions (14 individual and 20 relay) and 550 All-America performances -- 424 men's All-America honorees (132 individual and 292 relay) and 126 women's All-Americans (45 individual and 81 relay).

His men's 4x400-meter relay teams have earned outdoor All-America status in 25 of the last 27 years and captured 20 NCAA titles combined in indoors and outdoors. His 2004 4x400-meter relay team set a then-NCAA indoor record with a 3:03.96 clocking and his 1997 unit set a then-World record at the Big 12 Outdoor Championships. All-told, Hart's teams have turned in 10 World-record performances (nine individual and one relay) and nine NCAA record efforts.

Last season, Hart's 4x400-meter men's relay team won both the indoor (Richard Gary, Brandon Moore, Kevin Harris, George Caddick) and the outdoor (Gary, Harris, Moore, Caddick) Big 12 titles. He coached Caddick to the individual 400-meter conference outdoor title in a personal-best time of (45.90) and helped the sophomore reach the NCAA Outdoor Championships in the event. On the women's side, Hart guided Raena Rhone to NCAA Indoor and Outdoor Championship appearance in the 400 meters. Hart's men's 4x4-meter crew went on to advance to the NCAA Outdoor meet, but after Harris suffered an injury at the regional meet the lineup of Gary, Chris Platt, Moore and Caddick placed 13th in preliminaries to miss qualifying for the event's finals for only the second time since 1979.

In 2014, Hart's 4x400-meter relay men's squad again produced an All-American performance as Blake Heriot, TJ Holmes, Drew Seale and Caddick turned a season-best time of 3:04.89 to take seventh at the NCAA Outdoor meet. Earlier in the year at the Big 12 Outdoor meet, Hart's crew (Holmes, Seale, Caddick and Heriot) was first for the 13th time in Big 12 history and the first time since 2009. Hart also mentored Holmes, a freshman, to All-America honors in the 400-hurdles with a fourth-place showing at the NCAA outdoor meet.

In 2013, Hart's 4x400-meter men's relay team (Isaiah Duke, Everett Walker, Drew Seale, Richard Gary) won the Big 12 Indoor Championship title. At the NCAA indoor meet Blake Heriot, Justin Allen, Seale and Gary placed sixth. In outdoor competition, the team captured three meet titles and the squad of Heriot, Duke, Joe Barb and Seale took sixth at the NCAA Outdoor Championships to conclude another year for Hart with double All-American relays.

In 2012, the 4x400-meter men's relay team directed by Hart registered an All-American finish at the NCAA Indoor Championships as Zwede Hewitt, Justin Allen, Seale and Heriot placed seventh. In outdoor competition, the team tallied a runner-up finish at the Big 12 Conference meet. The squad of Allen, James Gilreath, Seale and Zwede Hewitt finished ninth at the NCAA Outdoor Championship to miss out on the event's final for the first time since 1979.

Also during the 2012 season, Hart guided Olympian Richards-Ross at the London Games. Richards-Ross won gold in the women's 400 meters, and anchored the USA to a gold medal in the 4x400-meter relay.

In 2011, Hart's 4x400-meter men's relay teams held their spot as one of the top relays, earning All-America honors both indoors and outdoors. The indoor version claimed the silver medal, while the outdoor team came in fourth at the NCAA Championships and added its 22nd Drake Relays title in the event. The Bears also earned runner-up finishes and Big 12 honors in the indoor and outdoor 4x400-meter relays. Individually, Marcus Boyd earned All-America honors in the indoor 400 meters with

an 11th-place finish.

The 2010 season featured more All-American performances for Hart's 4x400-meter relay squads, including a runner-up finish at the NCAA Indoor Championships. The Bears captured 4x400-meter titles at the Texas A&M Invitational and the prestigious Drake Relays, before going on to earn a sixth-place finish at the NCAA Outdoor Championships, achieving All-America status. Individually, Boyd earned All-Big 12 honors and qualified for the NCAA Outdoor Championships in the 400 meters.

In 2009, the Baylor 4x400-meter men's team put together one of the most impressive streaks in collegiate track and field. The Bears took a streak of wins and national titles that began in 2007 to the finals of the 2009 NCAA Outdoor Championships. The 4x400 relay took the NCAA indoor crown, then continued a streak of 42 straight wins until a third-place finish at the outdoor championships.

During the 2008 season, the Bears captured two more national titles, winning the indoor and outdoor 4x400-meter relays for the second-straight year. The Bears' time of 3:00.22 at the NCAA Championships ranked as the second-fastest in BU history, and the fifth-fastest collegiate time ever. Baylor claimed the indoor and outdoor titles in the same season for the fifth time in school history and only the 11th time ever.

Also during the 2008 season, Hart coached Richards-Ross at the Beijing Olympics. She won the bronze medal in the women's 400 meters, and anchored the USA to a gold medal in the 4x400-meter relay, passing Russia in the final straightaway to take first place.

In 2007, Hart's charges won both the indoor and outdoor NCAA titles in the men's 4x400-meter relay, the fourth time in Baylor history and the 10th time in collegiate history that feat was accomplished. The Baylor men swept the top three spots in the 400 meters at the indoor and outdoor Big 12 Championships, while freshman LeJerald Betters became the 12th-fastest quarter-miler in Baylor history when he clocked 45.33 to win the Big 12 title.

Hart was named the 2006 Nike Coach of the Year, earning the award for the second time in his career, for his work with world quarter-mile champions Wariner and Richards-Ross. Both Wariner and Richards-Ross swept the 2006 IAAF Golden League meets and went undefeated during the outdoor season. Richards-Ross also set the American record in the event with a time of 48.70.

Also in 2006, both Baylor's men's and women's 4x400-meter relays swept both the indoor and outdoor Big 12 titles and each earned All-America honors outdoors. Individually, Angel Perkins was an All-American in the 400 meters, while Reggie Witherspoon was among the top 10 nationally in the event and swept the indoor and outdoor Big 12 titles and even added the indoor 200-meter title, a feat never before accomplished in conference history.

In his final season as head coach at Baylor, he guided Williamson to his first-ever individual national title in the final 400-meter race of his career at the NCAA Outdoor Championships. Williamson also captured an unprecedented fourth straight Big 12 400-meter title, anchored the Bears' to their eighth straight Big 12 4x400-meter relay crown both indoors and outdoors and anchored the squad to All-America performances at the NCAA Indoor and Outdoor Championships.

The 2004 campaign was a career year, even by the legendary coach's standards. Wariner, then a sophomore, captured the gold medal in the 400 meters, leading the United States to a 1-2-3 sweep at the Olympic Games in Athens. Wariner became the first quarter-miler in history to sweep the four major titles in the event, including the U.S. Championship and the NCAA Indoor and Outdoor crowns. Later, Wariner would hand the baton to junior teammate Williamson as the Baylor duo led the U.S. 4x400-meter relay to nearly a five-second victory for the gold medal. Wariner ran third and Williamson anchored all year as the duo led the Bears to the NCAA Indoor title with a collegiate record time of 3:03.96 and completed an undefeated season in the relay with the NCAA Outdoor championship. The 4x400-meter relay has a 20-year streak of All-America finishes and has produced 15 national titles (one women's) under Hart's leadership since 1985.

Hart was named the 2004 Nike Coach of the Year and was inducted to the Baylor Wall of Honor, the highest award bestowed upon Baylor letterwinners. Former pupil Michael Johnson was inducted into the United States Track & Field Hall of Fame and his 200-meter performance at the 1996 Olympics in Atlanta was deemed the greatest track and field moment in the last 25 years by USATF. Wariner was honored as the Mondo National and Regional Outdoor Track Athlete of the Year, while Williamson was named Big 12 Outdoor Track Athlete of the Year.

The season was also memorable on the women's side as junior April Holliness won the NCAA Midwest Regional title in the long jump and became a four-time All-American by finishing third at the NCAA Outdoor Championships. Junior LaKadron Ivery earned All-America honors in the 200 meters, while senior Jordan Willmann was an All-American in the pentathlon.

In 2003, eight athletes earned All-America honors, including Holliness

in the long jump and Willmann's outstanding performance in the heptathlon. Wariner was an All-American by finishing seventh in the 400, while the men's 4x400-meter relay squad of Brian McDonald, Williamson, Wariner and Jamen Saziru placed fifth.

In 2002, the quartet of Zsolt Szeplet, Charles Sterling, Michael Smith and Williamson combined for the national title in the 4x400-meter relay. Bayano Kamani and Smith combined for a 1-2 finish in the 400-meter hurdles, an NCAA championship first, while Floyd Thompson finished fifth in the 800 meters and Jim Autenreith tied for sixth in the pole vault. On the women's side, the 4x400-meter relay team of Tiffany Wise, Chava Demart, Keisa Brown and Barbara Petrahn ran to a fourth-place finish in the event. Petrahn and Demart also earned individual All-America honors, as Petrahn finished fifth in the 400 meters, and Demart placed fifth in the 400-meter hurdles. In 2001, Hart led the men's team to a third-place finish and the women's team to a 21st-place finish at the NCAA Outdoor Championships.

Those accomplishments are just a few in a long list by Hart, a coach widely regarded as one of the best in the country. Selected as USA Track & Field's 2004 and 2006 Nike Coach of the Year, Hart is a member of the Baylor Wall of Honor, the Arkansas Sports Hall of Fame, the USA Track & Field Coaches Association Hall of Fame, the Texas Sports Hall of Fame and the Baylor Athletic Hall of Fame. He served as an assistant coach on the USA' 2000 Olympic team and was named the USOC's TMs National Track & Field Coach of the Year in 1996, 2004 and 2006.

A two-time (1989 and 1996) NCAA national indoor coach of the year, four-time (1981, 1984, 1989 and 1996) Southwest Conference indoor coach of the year and one-time (2005 women's indoor) Big 12 coach of the year honoree, Hart is married to the former Maxine Barton, a professor emerita of Information Systems at Baylor. Their family includes sons Greg and Scott, daughter-in-law Kim and grandchildren Ryan, Mason and Kennedy Ann.

DANNY BRABHAM
ASSISTANT HEAD COACH ■ 27TH SEASON AT BAYLOR
BAYLOR, 1973

Danny Brabham, one of the all-time great long jumpers in Southwest Conference history, is in his 27th year on the Baylor track coaching staff with a total of 43 years of experience on a variety of levels.

His main coaching duties at Baylor are with the throws, vaults and multi-events. Brabham handles many of the day-to-day duties involved with the Baylor track and field program and also served as Michael Johnson's strength coach. Currently, he is working with Olympic Gold medalist and World Champion Jeremy Wariner as his personal strength coach and has previously worked with Olympic champions and former BU greats Darold Williamson and Reggie Witherspoon.

Over the years, Brabham has coached 43 All-Americans and 36 school record holders, including six-time All-American Skylar White, five-time All-American April Holliness and two-time All-American Chris Gillis.

In 2015, Brabham mentored another All-American as he guided sophomore Annie Rhodes to an eighth-place finish in the pole vault at the NCAA Indoor Championships. With Brabham's assistance, Rhodes has re-written the BU record books in both the indoor and outdoor pole vaults as she owns all 10 of the school's top marks in each event through her first two years in Waco and she carded 2015 All-Big 12 honors in each as she was the runner-up at both the indoor and outdoor conference meets. Brabham also coached Cion Hicks to All-Big 12 outdoor performances in both the discus and the shot put for a second-straight year. Both Rhodes and Hicks earned berths into the NCAA Outdoor Championships. In the multi-events, Brabham's athletes produced four all-conference accolades with Jenna Pfeiffer scoring in both the indoor and outdoor seasons and Carly Grandcolas and Hunter Brook notching outdoor honors. Brabham also got an outdoor all-conference performance from Richard Hansen (javelin).

In 2014, Brabham added another All-American to his resume as he coached senior Erin Atkinson to an eighth-place finish in the hammer throw at the NCAA Outdoor Championships. With Brabham's help, Atkinson re-wrote the BU record books in both the weight and hammer throws as she left owning all 10 of the school's top marks in each event. Brabham tutored Hicks to All-Big 12 outdoor performances in both the discus and the shot put. With Brabham's help, fellow freshman pole vaulter Rhoades tallied matching third-place conference finishes at the indoor and outdoor meets, while setting the school record in each during the year. In the multi-events, Brabham's athletes had a banner year as

both Jenna Pfeiffer and Jessica Shadley scored at the conference indoor and outdoor meets. On the men's side, Brabham got outdoor all-conference performances from Desmine Hilliard (discus), Blake Mayberry (javelin) and Richard Hansen (javelin). Brabham also mentored senior Henry Vildosola back from injury to a school-record performance of 5,334 points in the Big 12 Indoor Championships heptathlon event to be third. Vildosola would go on to be fourth at the Big 12 Outdoor meet with a PR point total of 7,344, which earned him a berth in the NCAA Championships where he finished 17th.

In 2013, Baylor's throwers under Brabham's direction were major contributors to a young Baylor squad. White wrapped up her illustrious career with two more All-America honors, garnering one in the shot put at the NCAA Indoor Championships and one in the discus at the national outdoor meet. On the men's side, as a sophomore Hilliard experienced tremendous growth with Brabham's help, capped by an All-America performance at the NCAA Outdoor Championships in the discus. Hilliard set a new school record in the event with a throw of 194-0 [59.13m]. Atkinson also excelled in her second year under Brabham as she won four outdoor meets and upped her own school-record in the event.

In 2012, White continued to blossom under Brabham's watchful eye. She earned All-America honors in the shot put both indoors and outdoors. She was the first and only Baylor female All-American in a throwing event until Atkinson garnered the status at the national indoor meet with an eighth-place finish in the weight throw. The first-year Bear also set the school-record in the discipline with a toss of 68-4.5 at the Big 12 Indoor Championships. Brabham also helped Eric Bostick set a school record in the heptathlon with 5,017 points at the Big 12 Indoor Championships.

In 2010 and 2011, Nick Lyons flourished under Brabham's tutelage. Lyons broke his own javelin record five times. He ranked among the top three in the NCAA in the javelin in 2011, including a school-record toss of 257-2 to win the Michael Johnson/Dr Pepper Classic. Lyons earned a second-place conference finish for All-Big 12 honors.

In 2009, Brabham coached freshman multi-event athlete Eric Bostick to a new school record in the indoor heptathlon. Bostick scored 4,364 points at the Big 12 Indoor Championships. In the javelin, Lyons broke the school record for the first time with a toss of 218-05.

During the 2008 season, Kaleigh Teel improved on her own school record in the pole vault, increasing her school mark by nearly six inches. In addition, Teel regionally qualified for the first time in her career. Brittany Devereaux ended her career as one of the best throwers in Baylor history, improving on her hammer school record in 2008.

His coaching paid off during the 2007 indoor and outdoor track and field seasons, as Brabham's charges set seven new school records. Teel set indoor and outdoor records in the pole vault, with the indoor height nearly a foot higher than the previous record, and the outdoor record tying a mark set in 2000. Devereaux improved on her own school record during the indoor season in the 20-lb weight throw, and set new school marks in both the discus and hammer throws. The junior broke the six-year-old hammer throw record by more than 10 feet. In addition, Chris Cardwell set new Baylor records in the hammer throw and weight throw.

Devereaux also had an outstanding sophomore campaign in 2006 as she earned all-region and all-conference honors in the discus. In addition, not only did Devereaux break a 30-year-old school record in the event, she proceeded to post the top 10 marks in school history.

Jordan Willmann was a two-time All-American in the pentathlon and heptathlon and finished second at the 2004 Big 12 Outdoor Championship. She had a breakout season as a junior, earning All-America honors by placing fifth at the NCAA Championships in the heptathlon, the highest finish by a Baylor heptathlete. Willmann set the school record in the event, then broke it twice more.

Brabham has also coached other standout athletes such as All-American vaulters Bill Payne, Jim Autenreith and Kurt Hanna, and NCAA champion triple jumper Stacey Bowers, who has become an integral part of the Baylor coaching staff herself. An eight-time All-American, Bowers became the Bears' first female athlete to claim a United States Championship in 1999 in the triple jump and held the nation's top ranking in the event that season. She was Baylor's first female athlete to become a member of a U.S. National team, competing in the 1998 Goodwill Games and as a result of winning the 1999 U.S. championship in the triple jump, continued her success as a member of the 1999 World Championship team that competed in Seville, Spain.

Brabham also enjoyed success with long jumpers as April Holliness earned five All-America honors for her career, the only Baylor female All-American in the event. In 2004, Holliness claimed the NCAA Midwest Regional title, finished third at the NCAA Outdoor Championships and 10th at the NCAA Indoor Championships. Chris Gillis emerged as one of the nation's top long jumpers, twice earning All-America finishes and a pair of runner-up finishes at the NCAA Midwest Regional. In 2006, Gillis also posted a mark that ranks him second behind Brabham on Baylor's all-time list.

COACHING STAFF

Brabham has seen his hurdlers establish themselves as a key part of the Baylor track program. In recent years, Brabham has worked specifically with All-American hurdlers Jeff Jackson, John McAfee, Michael Smith and Bayano Kamani, the 1999 and 2001 NCAA Outdoor champion in the 400-meter hurdles. In 2000, heptathlete Kerry O'Bric finished sixth at the NCAA Outdoor Championships.

In 2001, he coached the only two intermediate hurdlers in NCAA history to obtain a 1-2 finish at the NCAA Outdoor Championships when Bayano Kamani and Michael Smith earned that honor.

Brabham, a 1973 Baylor graduate and 1991 inductee into the Baylor Athletic Hall of Fame, became the school's first NCAA track All-American in 1971 when he finished second at the NCAA Indoor Championships. That same outdoor season he was ranked No. 1 in the U.S. The previous year, Brabham won the U.S. Track & Field Federation national indoor long jump title. In 1973, he was sixth at the NCAA Outdoor nationals and 10th in the World Games. He won the SWC long jump title in 1972 and 1973, setting conference records both years. His senior year he set a conference best of 26-9 1/2, a mark which was just three inches off Ralph Boston's collegiate record. His leap still stands as the Baylor school record.

Other major titles Brabham won included the 1971 Texas Relays and the 1971, '72 and '73 Kansas Relays crowns. He was voted Baylor's Outstanding Track Man four consecutive years and was voted Baylor's Outstanding Athlete in 1971.

As a high school competitor in Roswell, N.M., Brabham won state titles in the long jump and pole vault, establishing state records for both in the process. Clyde Hart has called Brabham the most versatile athlete he's coached. Brabham excelled in the sprints, relays, high jump, hurdles and pole vault while also being one of the world's best long jumpers.

Brabham came to Baylor from Hobbs [N.M.] High School where he was head track and cross country coach for four years. He previously spent four years at Georgetown [Texas] High, three at Goddard [N.M.] High and four at Odessa [Texas] Junior High. "One of my goals was to coach on the collegiate level," Brabham said. "I think I have a lot to offer collegiate student-athletes. Due to the fact that I competed in virtually every event while at Baylor, I have an edge on knowing how each event is supposed to take place."

Brabham and his wife, Debbie, have two children: Brian, a professor in Exercise and Sport Science at Mary Hardin Baylor in Belton, Texas, and Heather, a fourth grade teacher in the Robinson ISD. He also has five grandchildren: Tommy and Tori Brabham and Brady, Neeley and Cami Farnum.

MICHAEL FORD
ASSOCIATE COACH • 16TH SEASON AT BAYLOR
BAYLOR, 1997

In his 16th year with the Baylor coaching staff and 10th as associate track coach, former Bear standout Michael Ford works primarily with the sprints, short hurdles and relays.

Ford has mentored multiple All-Americans in over a decade coaching at his alma mater, most recently two-time NCAA champion Trayvon Bromell and five-time All-American hurdler Tiffany McReynolds.

Prior to his latest pupils, Ford guided Tiffany Townsend to the most All-America honors in program history. During her career, Townsend racked up a BU record 17 All-America honors. Ford has also been named the Midwest Region Assistant Coach of the Year on two occasions (2005, '06) as well as the South Central Region Assistant Coach of the Year twice (2009, '14) by the United States Track & Field and Cross Country Coaches Association.

Last season, Ford continued to help Bromell succeed at historic levels across the world sprinting stage. During the collegiate season, the sophomore won one NCAA title, three NCAA All-American honors, three Big 12 individual titles and five All-Big 12 accolades while being named the Big 12 Performer of the Year as well as a Bowerman Award semifinalist. Ford traveled with Bromell as he became the youngest athlete to ever claim an IAAF World Championships medal by earning bronze in the 100 meters with time of 9.92 (-0.5m/s) at Beijing National Stadium in China. Bromell also became the first United States teenager to advance to the world championships by earning a silver medal in the 100 meters at the USATF Outdoor Championships in June at Hayward Field in Eugene, Ore. Back in the collegiate season, Ford helped Bromell win BU's fourth NCAA Indoor 200-meter crown (the most of any program in

the country) in a school-record time of 20.19 and the second-fastest time in collegiate history. Besides Bromell, Ford aided senior Tiffany McReynolds in nabbing her third Big 12 100-meter hurdle title. In the relays, Ford's 4x100-meter crews place second on the men's side and third on the women's side at the Big 12 meet with the men advancing to the NCAA Outdoor Championships, before taking 15th in qualifying action. The 4x400-meter men's unit tallied Big 12 titles at both the indoor and outdoor conference meets.

In 2014, Ford's sprint crew was highlighted by Bromell's phenomenal freshman season. Ford guided the first-year standout to the 100-meter title at the NCAA Championships in a World Junior record time of 9.97. Bromell went on to win the USA Junior Championships title and place second at the World Junior Championships. Under Ford, Bromell burst on to the scene by clocking a wind-legal, co-World Junior record of 10.01 in the 100 meters to win the Texas Relays and then a wind-aided 9.77 which is third-best in NCAA history regardless of wind to win the Big 12 title. Besides Bromell, Ford helped senior Everett Walker back from injury to earn outdoor All-America honors with a fifth-place showing in the 200 meters. Ford's hurdler, Bryce Grace, advanced to the NCAA Championships as well, establishing a personal-best of 13.64 in 2014. Both Walker, 200 meters, and Grace, 110-meter hurdles, were second at the Big 12 meet. Overall for the year, Ford had athletes earn nine All-American honors and six Big 12 titles.

On the women's side, Ford helped McReynolds close out her illustrious indoor career with a second-place finish in the 60-meter hurdles at the 2014 NCAA Championships in a school-record time of 7.93. McReynolds became the first BU athlete, male or female, to earn All-America honors in the same individual event at the indoor national meet for four straight years. McReynolds had earlier in the year become the first Baylor athlete, male or female, to win the same event at the conference indoor meet in four straight seasons as she took the 60-meter hurdle title in 8.10. She was only the second Big 12 athlete to accomplish the feat. McReynolds went on to capture the Big 12 Outdoor 100-meter hurdle title and was fourth at the NCAA Outdoor meet for another All-America honor. Ford helped Ashley Fields develop into an All-American as the sophomore was seventh in the outdoor 200-meter event. In the relays Ford's pupils really shined. The 4x100-meter men's team of Alex Reece, Blake Heriot, Walker and Bromell won the Big 12 title for the first time since 2010. Meanwhile, the 4x400-meter crews both won Big 12 titles and the men's squad of Heriot, TJ Holmes, Drew Seale and George Caddick grabbed All-America honors by taking seventh at the outdoor national meet. For his accomplishments, Ford was recognized as the South Central Regional Men's Assistant Coach of the Year by the U.S. Track & Field and Cross Country Coaches Association.

In 2013, Ford coached 10 All-American performances and eight Big 12 champions. Indoors, McReynolds notched her third straight Big 12 title in the 60-meter hurdles, while Blake Heriot won the 200-meters, Joe Barb took the 600-yard crown and the 4x400-meter team of Isaiah Duke, Walker, Drew Seale and Richard Gary claimed the top spot at the conference meet. McReynolds and BU's 4x4 team went on to earn All-America honors at the national meet under Ford's guidance. In the outdoor season, Christina Holland claimed the 400-meter hurdle title at the Big 12 Championships and went on to earn All-America honors at the distance as well. Meanwhile, BU's 4x400-meter relay team claimed sixth outdoors to garner All-America accolades.

In 2012, nine All-American honors were earned under Ford's watch as McReynolds finished fourth in 60-meter hurdles at the NCAA Indoor Championships and the 4x400 team of Zwede Hewitt, Justin Allen, Seale and Blake Heriot took seventh. At the national outdoor meet, the sprint-relay team of Walker, Whitney Prevost, Woodrow Randall and Heriot took fifth. Ford also helped Walker establish a new school-record in the 100-meters with a time of 10.12 at the Big 12 Outdoor Championships. McReynolds also earned her second straight Big 12 Indoor title in the 60-meter hurdles.

Ford's 2011 sprint crew used a mix of newcomers and veterans to earn 16 All-America honors, including three men's relays (4x100, indoor and outdoor 4x400) and national 60-meter hurdle runner-up freshman McReynolds. Along with the All-America honors indoors, McReynolds also claimed Big 12 high-hurdle titles indoors and outdoors. Another newcomer, Randall, became a key member to Baylor's 4x100-meter relay, while also earning indoor 60-meter All-America honors with a fourth-place finish and tying Michael Johnson's 100-meter BU record of 10.13. Tiffany Townsend earned All-America accolades under Ford's watch with a third-place finish at the NCAA Indoor Championships in the 200-meters and a sixth-place finish in the 60-meters, while setting school records in both events with times 22.90 and 7.23, respectively. Townsend was also third in the 200-meters (22.58) and eighth (11.09) in the 100-meters at the NCAA Outdoor Championships, while setting school records in both.

Despite battling through injuries to key relay members in 2010, Ford's sprints crew remained deep enough to earn 14 All-America awards and

COACHING STAFF

27 All-Big 12 honors, including the Big 12 champion men's 4x100-meter relay and the All-American women's 4x100-meter relay. Townsend also earned All-America honors individually in the 100 and 200 meters and won the 200 and 4x100-meter relay at the NACAC Under 23 Championships.

In addition to his full-time duties for Baylor, Ford was also selected to coach the men's sprints, hurdles and relays for the 2010 USA Junior World Team. His teams won two gold medals at the Junior World Championships in the 4x100 and 4x400-meter relays. His 4x100 team ran the third-fastest time ever by a junior team.

In 2009, the Baylor 4x400-meter men's team put together one of the most impressive streaks in collegiate track and field history. The Bears took a streak of wins and national titles that began in 2007 to the finals of the 2009 NCAA Outdoor Championships. The 4x400 relay took the NCAA indoor crown, then continued a streak of 42 straight wins until a third-place finish at the outdoor championships. Along with the indoor relay crown, Harts also posted an impressive performance winning the 200-meter national title.

In 2008, the Bears captured two more national titles, winning the men's indoor and outdoor 4x400-meter relays for the second-straight year. The Bears' time of 3:00.22 at the NCAA Championships ranked as the second-fastest in Baylor history, and the fifth-fastest collegiate time ever. Baylor claimed the indoor and outdoor titles in the same season for the fifth time in school history and only the 11th time ever. Baylor again made history at the Drake Relays as the men's and women's teams combined for a record seven relay titles at the meet. The women claimed four relay titles, the most ever for a women's team, moved into first place in all-time relay titles at Drake.

The Bears had solid showings at the national meets as all four relays earned All-America honors outdoors. In addition, Harts and Townsend earned All-America honors in the indoor and outdoor 200 meters.

Townsend set a new school record in the 200 meters, clocking 22.75 at the Big 12 Outdoor Championships. In addition, the women's sprint relay set a new school mark, running 43.60 at the outdoor conference meet. v During the summer, Townsend won the USA Junior Championship in the 200 meters, and later anchored the United States to a gold medal in the 4x100-meter relay at the 2008 IAAF World Junior Championships.

Also in 2008, Ford began his tenure coaching Jeremy Wariner, as well as other Olympians Darold Williamson, Reggie Witherspoon and Sanjay Ayre. Under Ford's leadership, Wariner claimed the silver medal in the 400 meters at the 2008 Olympic Games in Beijing, and won a gold medal as the anchor leg on the 4x400-meter relay. Witherspoon also won a gold medal, running the third leg in the preliminaries of the 4x400-meter relay.

During the 2007 season, the Baylor men's 4x400-meter relay won the indoor and outdoor NCAA titles, the fourth time in Baylor history and just the 10th time in collegiate history that feat has been accomplished. At the NCAA Outdoor Championships, the 4x400-meter relay set a new Baylor record of 3:00.04, breaking the 12-year-old school record that Ford helped set as the leadoff leg. Ford coached Witherspoon to Big 12 indoor titles in the 200 meter and 400 meters for the second straight season. Witherspoon also captured the Big 12 title in the outdoor 200 meters, and was named High Point Performer for both conference championships. Also, the Bears claimed the Big 12 title in the men's 4x100-meter relay for the second straight year, the first time Baylor history to win back-to-back conference championships in the sprint relay. Witherspoon and Harts also earned All-America honors in the indoor 200 meters. Baylor made history at the Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter, and sprint medley), to become the first school to accomplish the feat in 63 years.

Ford coached former Baylor All-American Williamson to the bronze medal at the 2007 USATF Indoor Championships. Williamson won gold as a member of the United States 4x400-meter relay team at the World Championships in Osaka, Japan. Ford also coaches Ayre, who won gold in the 400 meters at the Jamaica National Championships.

In 2006, freshman Jacob Norman captured the NCAA indoor title in the 60 meters with a school-record time of 6.56. Norman also anchored the men's 4x100-meter relay to its first Big 12 title in the event since 2000. Both the men's and women's 4x400-meter relays swept the indoor and outdoor conference titles. Jerome Miller was the national runner-up in the 60-meter hurdles with a school record time of 7.66 and Witherspoon was an All-American in the indoor 200 meters.

In 2005, Ford guided the 4x100-meter relay to a school record and helped Elizabeth Wilson pull a stunning upset by winning the Big 12 indoor 200-meter title and set a new school record at 23.53. Carla Grace was one of the top freshmen in the Big 12 Conference, earning All-America honors on the Bears' indoor 4x400-meter relay and earning all-region and all-conference accolades in both the 100 and 200 meters. The 2005 edition of the men's 4x400-meter relay of Kevin Mutai, Mark Teter, Wil Fitts and Williamson earned All-America honors both indoors and outdoors, finishing second at the NCAA Indoor Championships.

Ford was heavily involved with the success of the 2004 men's 4x400-

meter relay squads. The indoor team of Jamen Saziru, Teter, Wariner and Williamson set a new NCAA record with a time of 3:03.96 at the NCAA Indoor Championships, then Braelon Davis and Fitts joined Wariner and Williamson to claim the title at the NCAA Outdoor Championships in 3:01.03. Wariner, the Olympic gold-medalist in the 400 meters, and Williamson went on to run the third and anchor legs, respectively on the United States gold-medal 4x400-meter relay team.

Ford was instrumental in the development of All-American sprinter LaKadron Ivery, who holds three school records and finished second in the 100 and 200 meters and the long jump, while running on the Bears' 4x100 and 4x400-meter relays at the 2005 Big 12 Outdoor Championships.

In 2004, Ivery won gold in the 200 meters competing for the United States at the North America, Central America and Caribbean Under-23 Championships in Sherbrooke, Canada.

Ford spent three years as an assistant coach at the University of Rochester, working with sprinters and 400-meter hurdlers under the direction of head coaches Tim Hale (1998) and Richard Mackenzie (1999-2000). In 1998, Ford helped guide the Yellow Jackets to indoor-outdoor Associate of American Universities titles. The AAU is a 61-member organization of the leading public and private research and graduate institutions in the nation. Rochester established eight school records in sprints and relays while Ford was a member of the coaching staff.

Like his fellow assistant coaches, Ford enjoyed a stellar collegiate career at Baylor. The 1997 graduate was a two-time 4x400-meter relay national champion, running the first leg for both the 1995 team and the 1996 team. Both of those teams also won conference titles.

During his time at Baylor, Ford collected six relay All-America honors. In 1996, the 4x400 team finished second at the NCAA Indoor Championships, after finishing first at the Southwest Conference Championships.

During his time at Baylor, Ford was considered the nation's best 4x400 leadoff leg. In 1995, he sparked the Bears national title relay team to a school-record time of 3:00.60 -- then the fifth-fastest outdoor time in NCAA history -- during the preliminaries of the NCAA Championship meet. In that race, Ford ran a 45.51-second split. He also turned in second-place finishes in the 400 meters at the 1993 Southwest Conference Indoor Championships and at the 1995 SWC Outdoor Championships.

Ford's relay success reached beyond his Baylor experience. In 1995, he was a member of the bronze-medal East 4x400 team at the U.S. Olympic Festival. While in high school, he won the 400 meters at the American Amateur Union Junior Olympics in record time. Ford also added New York State and Eastern States championship titles in the quarter-mile to his resume.

A native of Rochester, N.Y., Ford was inducted into the Section V Track & Field Hall of Fame in May 2003. While in high school, he won the 400 meters at the American Amateur Union Junior Olympics in record time. Ford also added New York State and Eastern States championship titles in the quarter-mile to his resume.

STACEY SMITH

ASSISTANT COACH ■ 14TH SEASON AT BAYLOR
BAYLOR, 2000

Stacey Smith is in her 14th season as an assistant coach at Baylor working with the Bears' jumpers. The most-decorated women's athlete in program history, the former Stacey Bowers currently holds the Baylor record in the triple jump both indoor and outdoor, while claiming the only individual national title in women's program history when she won the 1999 NCAA outdoor triple jump title.

Over 13 full seasons of coaching at her alma mater, Smith has been able to translate her personal collegiate success into success for the student-athletes she has mentored. She has coached 16 All-Americans during her time, including 12 on the women's side and four on the men's, along with seven Big 12 champions.

Last season, Smith's pupils, Felix Obi and Brianna Richardson, swept both the indoor and outdoor Big 12 titles in the triple jump. After helping Richardson win the first Big 12 titles of her career, Smith coached the junior to All-American honors at the NCAA Indoor Championships by placing fifth. Richardson finished just outside of scoring at the national outdoor meet with a 10th-place showing. On the men's side, Smith guided Obi back from knee surgery as the junior won a third-straight Big

12 Indoor triple jump title and then captured the first outdoor title of his career. He missed out on All-America honors by taking 10th at the NCAA Outdoor Championships.

One of the highlights of Smith's coaching career came in 2014 as she guided sophomore Obi to the NCAA Indoor triple jump title. As Obi battled a knee injury, Smith helped him achieve a new school record of 54-5.25 [16.59m] on his third attempt of the meet to clinch BU's first NCAA indoor title since 2009. Just two weeks earlier, Smith aided Obi in becoming just the fourth Baylor male athlete to win a Big 12 indoor title in back-to-back seasons as he repeated as triple jump conference champion. Obi also earned All-Big 12 honors with a six-place long jump showing. On the women's side under Smith's direction, sophomore Brianna Richardson earned NCAA Outdoor All-America honors by taking sixth in the triple jump. At the conference level, Smith coached Richardson to a runner-up triple jump finish. Richardson also made an appearance at the NCAA Indoor meet finishing 15th in the event.

In 2013, Smith quickly turned first-year athletes Obi and Richardson into the nation's best. In the indoor season with Smith's guidance, Obi became BU's first men's athlete to win the Big 12 triple jump crown. In the process of winning that title, Obi took down the school-record for the third time. He followed that up with a sixth-place finish at the NCAA meet to be an All-American. Outdoors, Obi established the school-record [52-9.25 [16.08m] and won two triple jump meet titles at the Baylor Quad Invitational and the Florida Relays. Richardson took fourth at the Big 12 meet in the triple jump indoors, before placing third during the outdoor season. Outside the collegiate season, Smith helped Richardson win the triple jump title at the USA Junior Track and Field Championships, while Obi was the runner-up on the men's side. Both athletes went on to compete for Team USA at the Pan-American Junior Championships with Obi placing third and Richardson fourth under Smith's watch.

From 2010-12, Smith guided Jessica Ubanyionwu to new heights, as the triple jumper emerged as one of the nation's best, earning three All-America honors. Ubanyionwu, who earned All-Big 12 honors both indoors and outdoors, moved into second place all-time on the BU record books in the triple jump. She set career-bests with an indoor leap of 43-6 in 2012 and an outdoor mark of 44-1.25 during 2011.

During 2008 and 2009, Smith guided sophomore DeAna Carson to back-to-back appearances in the NCAA Championships, culminating in an All-America performance in the long jump in 2009. Carson earned All-Big 12 honors both indoors and outdoors, while breaking the BU indoor long jump record with a leap of 21-4.75 at the national meet.

In 2006, Chris Gillis emerged as a one of the nation's top long jumpers under Smith's guidance, finishing third at the 2006 NCAA Outdoor Championships. Gillis claimed the Big 12 title, finished second at the 2006 NCAA Midwest Regional and joined assistant head coach Danny Brabham as the only Baylor leapers to long jump more than 26 feet. Gillis first broke through with a second-place finish at the 2004 Midwest Regional Championships and earned All-America honors by finishing eighth at the 2005 NCAA Outdoor Championships. Also in 2006, Queito Teasley earned indoor and outdoor All-Big 12 honors, finishing sixth at each conference meet.

Prior to her tutelage of Gillis, Smith helped April Holliness become a five-time All-American in the long jump and claim the 2004 NCAA Midwest Regional title. During her career, Holliness finished as high as third in the long jump at the NCAA Championships. Meanwhile, Smith helped guide multi-event athlete Jordan Willmann, a two-time All-American, to set the school records in the pentathlon and heptathlon.

During her collegiate days, Smith became Baylor's first female individual NCAA national champion when she won the 1999 outdoor triple jump with a leap of 45-10. She earned All-America honors nine times, including three on relays and six individually. Her nine overall and six individual each rank second all-time in Baylor history.

Smith was Baylor's first female athlete to become a member of a U.S. National team, competing in the 1998 Goodwill Games. She continued her success as a member of the 1999 World Championship team. Smith was a force within the Big 12, sweeping the indoor and outdoor triple jump titles in 1998 and again in 1999. With four conference titles to her credit, she is tied for fourth all-time at Baylor. Smith also won the 1999 USA triple jump crown with a leap of 45-2.5.

She is married to Rodney Smith, a former Baylor football and basketball player (1996-99) and the couple are the proud parents of two children, Sydney and London. A product of La Vega High School in Bellmead, Texas, Smith received her degree in education in 2000 and her master's degree in sport management from Baylor in May 2002. She was inducted into the Baylor Athletic Hall of Fame in 2009.

JON CAPRON

ASSISTANT COACH ■ 13TH SEASON AT BAYLOR
BAYLOR, 2003

Jon Capron is in his 13th season as an assistant coach, after completing an outstanding four-year career at Baylor. Capron serves as the assistant head coach for cross country, handling the men's team. In track, his primary duties include the distance runners and intermediate hurdlers.

During the 2015 cross country season, Capron's men's squad tallied its best NCAA South Central Regional finish since 2010 by placing sixth. Capron helped senior JR Hardy finish one spot out of All-Region honors, while coaching three underclassmen to scoring finishes at that meet. At the Big 12 Championship, the Bears were seventh to give them four-straight years of finishing seventh or better at the conference meet.

On the track last season, Capron helped newcomers Kiana Hawn and Nick Ucherek to All-Big 12 performances in the 400-meter hurdles. Meanwhile, senior Derwin Graham closed his career by running the second-fastest 3,000-meter steeplechase time in school history (8:59.93) and capturing All-Big 12 honors in the event.

Capron directed the 2014 men's cross country squad to its highest finish since 2003 with a sixth-place showing at the Big 12 Championships. Despite consistently having three underclassmen in its lineup, Capron's team produced five top-10 team finishes on the year. Capron developed freshman Erin Anderson and junior Kyle Scanlan as those runners combined to be BU's top runner in all seven meets.

During the 2014 track season, Capron helped guide freshman TJ Holmes to All-America honors in the 400-meter hurdles with a fourth-place finish at the NCAA Outdoor Championships. Capron also coached Graham (3,000 steeplechase) and Jonathan Tijerina (1,500 meters) to All-Big 12 accolades. In the indoor season, Capron's distance runner, Matt Galvin, picked up a win at the Texas A&M 10-Team Invitational in the 5,000-meters, while Tijerina carded All-Big 12 honors in the mile. Outside of collegiate competition, Capron continued to coach Holmes as the 400-meter hurdler won the gold medal at the 2014 USATF Junior Outdoor Championships and then a bronze medal at the 2014 IAAF World Junior Championships.

During the 2013 cross country season, Capron guided the men's team to a seventh-place Big 12 finish, matching 2012's outcome. As a team, Capron's squad garnered five top-10 finishes during its six-meet schedule. Under his direction, senior Brad Miles won the North Texas Invitational meet.

In 2013 in track, Capron coached Christina Holland to the 400-meter hurdles title at the Big 12 Outdoor Championships. The victory came in a school-record time of 56.81. Holland also claimed the event title at two other meets, while earning All-America honors at the NCAA Outdoor Championships with a ninth-place finish. Under Capron's guidance, Holland wrapped up her four-year Baylor career with six of the top-10 400-hurdle times in program history. Capron's distance crew picked up events wins at the TCU Invitational (Chris McElroy, 1,500-meters), the Baylor Quad Invitational (Taylor Jackson, 2,000-meter steeplechase & Matt Galvin, 3,000-meters) and the Michael Johnson Classic (Brad Miles, 5,000-meters). Academically, distance runners Jackson and Blake Niccum were selected to the Capital One Academic All-America Track and Field and Cross Country Team.

During the fall of 2012 in cross country, Capron guided the men's squad to its highest finish at the Big 12 Championship (seventh) since 2004. In all, the team totaled three top-five finishes during its six-meet schedule. Under his watch, Niccum garnered Big 12 Scholar Athlete of the Year honors.

In 2012 on the track, Capron directed Holland to outdoor All-Big 12 honors in the 400-meter hurdles with a third-place finish in 56.87. Holland went on to advance to the NCAA Championships where she just missed out on All-American status by taking ninth. On the men's side, Gabriel El Hanbli enjoyed a successful outdoor season under Capron's guidance with four top-five finishes in the 400-hurdles, including a season-best time of 51.12 to be third at the Drake Relays. Capron also helped distance runners Taylor Jackson take third at the Michael Johnson Classic in the steeplechase (9:32.39) and Robbie Knorr finished 14th at the Big 12 Outdoor Championship in the 10,000-meters (30:30.52).

In 2011, Baylor's men highlighted the season with a second consecutive Big 12 Indoor distance medley relay title, claiming back-to-back wins in the event for the second time since 2003. Capron also guided newcomer Gabriel El Hanbli to All-Big 12 honors in the 400-meter hurdles, as well as

COACHING STAFF/VOLUNTEER ASSISTANT COACHES/STAFF

two individual meet titles in the event.

In 2010, Capron helped form a school-record breaking men's distance medley relay team that was on the cusp on racing its way to the NCAA indoor meet. After setting the school record at the Tyson Invitational and winning the Big 12 title in consecutive weeks, the men's DMR turned in Baylor's fastest time ever of 9:34.90, more than eight seconds faster than the record entering the season. In addition, both Baylor's men and women earned a All-Big 12 indoor honors in the Big 12, while Robbie Knorr was all-Big 12 in the 3,000 and 5,000 meters and Kristen Hanselka was All-Big 12 in the 3,000-meter steeplechase.

Also during the 2010 season, Capron tutored Chance Casey helping him earn All-Big 12 honors outdoors. Casey placed fifth in the 400-meter hurdles with a season-best time of 50.65 at the Big 12 meet, before finishing 15th at the NCAA West Preliminary Rounds in a time of 51.02.

From 2006-09, Baylor's women have also set new school records in the 4x1,600-meter relay, including the world's top time in 2008, and the outdoor 4x800-meter relay. During the span, Baylor's long relay teams earned All-America honors three consecutive seasons from 2006-08.

One of the key parts to Baylor's distance success in the relays as well as individually, has been the development of three-time track All-American Erin Bedell. Capron helped Bedell record a sixth-place finish in the 3,000-meter steeplechase at the 2009 NCAA Outdoor Championships. At that meet she broke the school-record in the event with a time of 9:56.19.

In 2005, Brittany Brockman was the only Baylor female athlete to earn individual All-America honors outdoors by finishing 11th at the NCAA Championships in the 10,000 meters.

For the men, Bo Price became an indoor All-Big 12 performer in the

men's 3,000 meters, while Mitch Sanders earned all-conference honors in the men's outdoor 1,500 meters. In 2006, Cody Wells earned all-Big 12 honors in the 10,000 meters.

Capron has also played an integral role in the recent success of Baylor's cross country teams. The women's teams made seven straight NCAA Championship appearances from 2003-09. The Bears have hosted the NCAA South Central Regional for eight of the last 10 seasons with the women finishing second in 2009, 2006, 2005 and 2003 and third in 2004, while the men finished seventh in 2006, 2004 and 2003 and fourth in 2010.

In 2003, the women recorded their highest finish in school history by placing second at the Big 12 Championships and Brockman led the Bears to a third-place finish in 2005 to earn her third straight all-conference honor. Brockman also won the 2005 NCAA South Central Regional title as a school-record six women earned all-region and three earned all-conference honors.

During his career, Capron earned All-Big 12 accolades two straight years (2001 & 2002) in the 1,000 meters and was a member of record-setting 4x1,500 and 4x800 relay teams.

Capron, who was born in Honolulu, Hawaii, was a three-time all-state cross country runner at Eldorado High School in Albuquerque, N.M. He received his bachelor's degree in education from Baylor in 2003 and his master's degree in exercise physiology two years later. He is married to the former Kelly Pace, who is also a Baylor graduate. The couple and their sons Caleb and Luke, and daughter Abby, live in Hewitt, Texas, just outside of Waco.
