Meet Information
Meet Directors Evan Iluzada (evan_iluzada@baylor.edu)
Jeremy Vitt (jeremy_vitt@baylor.edu)

Entry Procedure Student-athletes must be entered through Direct Athletics. Please use marks verified on TFRRS from March 2017 to present. If the student-athlete does not have a mark they will be entered as “NT”.

Entry Limitations There are no limitations to the number of entries per event, excluding relays. We will allow two entries per team for the 400m and 1600m relays. We are only excepting 24 entries in each field event and we will give preference to the invited collegiate teams. Since we have a large number of teams competing, athletes not competing with teams will likely not be accepted.

Entry Fees The entry cost per team is $400 (men and women are considered different teams). The entry cost per individual is $25 with a maximum of $400 per team. There is an $25 entry fee for individuals competing unattached and post-collegiate athletes. If you are a college student competing unattached, your entry fee will be waived with a valid college identification card. We will accept cash or check at packet pick-up on Friday. If you prefer to pay with a credit card, you may pay at the ticket office on Saturday. Checks must be payable to Baylor University. Do not mail checks.

Team Pass List Submit your pass list via email to Matthew Johnson (Associate AD for Ticket Operations) at matthew_c_johnson@baylor.edu by Friday, April 20 at 4:00pm. The pass list will be available at the ticket office, located at the northwest corner of our indoor facility. You may also take your pass list to the ticket office on the morning of competition.

Packet Pick-up Team packet pick-up is available on Friday (4/20) between 4pm to 7pm. If you are picking up your packet on Friday, call Evan Iluzada at 254-709-7886 when you arrive at Clyde Hart Stadium. Team packet pickup will be located at the ticket office on Saturday.

Media Credentials Submit media credential information to Cody Soto by email at cody_soto@baylor.edu. Media credentials need to be submitted by Tuesday, April 17 at noon. Media credentials will be available at the team packet pick-up area.
Individual Entries  We will accept a limited number of unattached and post-collegiate entries. Athletes must meet the standards below in order to enhance the competition. Please request an invitation to this event by emailing Evan Iluzada at evan_iluzada@baylor.edu. State the event you want to enter, your mark in this event from March 2017 to present (include link to your mark), and if you are a current student-athlete desiring to compete unattached or a post-collegiate athlete. Not every athlete requesting an entry will be granted an invitation. We will be highly selective with the field events because we are limited to 24 athletes per event and we will prioritize current collegiate student-athletes.
