WHAT TO WATCH FOR...

PASSIN' THE STICK

Baylor's men's 4x100-meter relay has put together one of its best seasons in recent memory, running with consistency and winning nearly every time out. Entering the NCAAs, the Bears' main crew of Marcus Boyd, Whitney Prevost, Courtney Thomas and Trey Harts has won three times and gotten second twice in their five meets. The 4x100 crew at Baylor, which has only earned All-America honors once (2008) since 1990, took three prestigious titles this season with wins at the Texas Relays, the Drake Relays, and the Big 12 Outdoor Championships.

However, the Bears took fourth overall at the NCAA West Preliminary Rounds and were without former national sprint champion Harts on the anchor leg due to a hamstring injury. After injuring his leg in the 200 meters at the conference meet, Harts will look to get back in both the 4x100 and 4x400 relays to help the Bears contend for a national title.

RETURNING ALL-AMERICANS

The Bears will have 12 student-athletes who earned All-America honors in their careers returning to the NCAA Outdoor Championships this season. On the men's side, Baylor has seven returning All-Americans, while the women have five in this year's field.

BU'S SENIOR CLASS: ONE FOR THE AGES

Head coach Todd Harbour will say goodbye to one of the most decorated senior classes of his five years at the helm of the Baylor program. The Bears will lose nine All-Americans with graduation including six women and three men. With Hart's 47 years of full-time service to the Baylor track and field program, the staff entered the season with a combined 100 years of coaching the Bears. FRESHMAN WHITE MAKING A NAME

BU freshman thrower Skylar White has given the Lady Bears another dimension with her spectacular season. Indoors, White broke the school shot put record on four times with a best toss of 51-6.25. Outdoors, White has equaled her record-breaking feat in the shot, with her third school-record toss of 50-10.75 at the Big 12 Championships. The DeSoto, Texas, native is also nearing the BU record of 178-06 with her best toss of 168-11. She enters her first national championship meet ranked 17th in the discus after placing eighth in the NCAA West Preliminary Round.

THE 4X400-METER RELAY

Long a tradition at Baylor, the Bears have earned All-America honors in the 4x400-meter relay 21 years in a row at the NCAA Outdoor Championships. With the fourth fastest time in the nation at 3:02.70, this season's men's squad is in position to continue that streak. In history, BU has won 11 outdoor national titles in the event, including back-to-back titles in 2007 and 2008, with current Baylor anchor leg Marcus Boyd helping the 2008 squad to the title.

Along with Boyd and Trey Harts, who helped Baylor win 4x400 indoor titles in 2008 and 2009, this season's squad boasts senior Michael Liggins and sophomore Zwede Hewitt. Hewitt qualified for the NCAA Championships in the 400 meters along with Boyd, while Liggins narrowly missed, finishing one spot out in 13th at the NCAA West Preliminary Rounds.

TODD HARBOUR

**HEAD COACH - FIFTH SEASON (10th overall at Baylor)
BAYLOR, 1981**

Todd Harbour enters his fifth season as head track and field coach, and 10th as head cross country coach. Director of Athletics Ian McCaw named Harbour as Clyde Hart's successor June 14, 2005, after he had served as Baylor's head cross country coach and assistant track coach since January 2000.

Harbour continues to build Baylor's track and field team into one of the nation's most successful and prominent programs. Under his watch, Baylor's men have earned three top-10 finishes at the NCAA Indoor Championships and a top-15 finish at the NCAA Outdoor Championships. Meanwhile, Harbour led the Baylor women to a second consecutive top-15 finish indoors and a first top-10 finish outdoors in 2009.

In cross country, Harbour's women's teams have excelled, earning an unprecedented seventh-straight berth into the NCAA Championships in 2009. The streak is the nation's sixth-longest active run.

On the track in 2009, the Baylor men's 4x400-meter relay team continued a streak of 42 consecutive victories through the NCAA Indoor Championships until a third-place finish at the NCAA Outdoor Championships. Sprinter Trey Harts, a leg of the 4x400 relay, also earned an individual championship indoors in the 200 meters. Harbour's crew of men in the 4x400-meter relay helped put together an astounding streak of 42 consecutive meet victories, which included five consecutive NCAA titles (2007 indoor/outdoor, 2008 indoor/outdoor, 2009 indoor).

During the 2008 season, Baylor's men won the indoor and outdoor 4x400-meter relay titles to make NCAA history for the second season in a row. After winning both titles in 2007, the Bears did it again in 2008, marking the fifth time in school history and 11th time ever.

In 2007, Baylor captured two national titles, winning the indoor and outdoor 4x400-meter relays. The relay squad set a new Baylor record of 3:00.04, the fourth-fastest time in NCAA history. The relay broke the 12-year old record of 3:00.60.

Baylor also made history at the 2007 Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter, and sprint medley), becoming the first school to accomplish the feat in 63 years. In 1944, Illinois also captured all four relays at Drake, the only other men's university team to sweep the sprint relays.

The Bears also had solid individual showings at the 2007 NCAA meets, as Reggie Witherspoon (200 meter) and LeJerald Betters (400 meters) each earned All-America honors indoors and outdoors. Nichole Jones (800 meters) earned All-America honors at the NCAA Outdoor Championships to become Baylor's first-ever All-American in the women's outdoor 800 meters. In addition to the men's 4x400-meter relay, Baylor also earned eight other All-America honors at the NCAA Indoor Championships, including the women's distance medley relay.

One of Baylor's most legendary track athletes, Harbour holds the school mark in the 1,500 meters and the mile run. His 3:50.34 run at Oslo, Norway his senior year, is still the fastest mile ever run by a collegiate athlete. He was inducted into the Baylor Athletic Hall of Fame in 1992.

During his collegiate days, Harbour was the Southwest Conference champion in the 1,500 meters in 1978, 1979, 1980 and 1981. He claimed the NCAA 1,500-meter runner-up title in 1979, 1980 and 1981, the only athlete to ever win three consecutive runner-up titles in that event. Harbour won the silver medal at the Pan Am Games in 1979 and was ranked ninth in the world in the 1,500-meters in 1982.

After graduating from Baylor, Harbour ran professionally for Nike and was one of the world's top milers. After the 1985 season, Harbour headed to Riesel, Texas, where he found another profession that would eventually lead him back to Baylor. Harbour began teaching history at Class 2A Riesel High School, then found himself coaching the varsity track and field teams. From there, he became involved with the varsity football program and eventually ended up as the head football coach and athletic director.

His success at Riesel included numerous district and regional championships in football and track and field. His track and field teams claimed district championships from 1987-90 and 1993-97 and produced regional championships in 1988, 1989 and 1994. Harbour coached eight individual state champions in track and field and led his cross country teams to a regional championship and two state runner-up positions. Harbour was the 1995-96 chairman of the track advisory committee for the Texas High School Coaches Association.

Harbour's varsity football teams compiled a 51-24-4 record and advanced to the bi-district playoffs four times and the area playoffs once in his six years at the helm. Those accomplishments earned him District 16A Coach of the Year, Central Texas Coach of the Year, District 14A Coach of the Year and Lay Witness for Christ Ministry Coach of the Year honors.

Harbour, a 2004 inductee into the Rio Grande Valley Sports Hall of Fame, and his wife, Cindy, have three children: Jonathan (27), Stephen (25) and Aaron (21).
