

BIG 12 CONFERENCE

BIG 12 CONFERENCE

The Big 12 Conference has been synonymous with success in competitive play and in the classroom as it enters its 12th season, and league members anticipate continued success during the 2007-08 academic year.

In the first 11 years of the Big 12, the conference can boast of 30 team and over 350 individual NCAA Championships. The success continued this past season, with team titles in men's cross country (Colorado) and women's volleyball (Nebraska) in addition to numerous individual crowns.

Over the past three seasons alone a total of 11 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in 10 of 11 years for the conference, including each of the past 10 seasons.

Through the first nine Bowl Championship Series title games, the Big 12 leads all conferences with five appearances in the contest. Big 12 squads have played for the football national championship five times in the last eight years, with berths in 12 BCS games overall.

In basketball, eight men's and women's teams have advanced to their respective Final Fours in the past six seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. Numerous national honors have been won by men's and women's student-athletes during conference history, with Kevin Durant (Texas) the most recent to garner accolades as the consensus 2007 National Player of the Year.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community Big 12 student-athletes, administrators, coaches and game officials support the highest ideals in sportsmanship.

Big 12 student-athletes also do well in garnering national academic recognition. This past season, two league standouts were named the Academic All-America of the Year in their sport by *ESPN The Magazine* and the College Sports Information Directors of America. Nebraska's Sarah Pavan (volleyball) boasted a 4.0 grade-point average in Biochemistry, while Aaron Ivey of Oklahoma (baseball) also has a 4.0 GPA in Energy Management.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice

Gault Postgraduate Scholarships at the end of each academic year. A total of 177 scholars have received more than \$1 million in postgraduate financial aid through the first 10 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include: Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The Big 12's geographic footprint encompasses seven states, over 42 million people and more than 18 million television households.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

In its 11-year history, the conference has distributed \$913.2 million to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference is headquartered in Irving, Texas.

CHAMPIONSHIP FORMAT

The Big 12 announced the implementation of a two-division, pool play format for the championship in 2006. Each of the eight teams competing is guaranteed a minimum of three games.

Results from the league's 27-game round-robin conference schedule will determine the eight seeds for the Championship. Seeds 2, 3, 6 and 7 will compete in pool play on one side of the bracket, while seeds 1, 4, 5 and 8 will play in the other. The two teams with the best record within their bracket will advance to the championship game, with the winner earning the Big 12's automatic berth into the NCAA Championship. Head-to-head competition will break ties within each bracket. In the event of more than two teams being tied for the top spot within a bracket, the highest seeded team will advance to Sunday's winner-take-all championship game.

CHAMPIONSHIP HISTORY

In May 2006, the Big 12 announced that Oklahoma City and AT&T Bricktown Ballpark will continue to host the Phillips 66 Baseball Championship through the 2011 season.

In 2002, the Phillips 66 Big 12 Baseball Championship moved to the largest postseason venue with the exception of football and outdoor track and field in Big 12 history. Rangers Ballpark in Arlington, Texas, home of the American League's Texas Rangers, set a national record with 150,196 tickets sold for 14 games. In the two years (2002, 2004) at Rangers Ballpark, the tournament had 275,824 tickets sold for 27 games, an average of more than 10,000. In 1997, the initial six-team Big 12 tourney drew a then-nation's best total attendance of 56,742.

The Phillips 66 Big 12 Championship has received consistent television coverage over the years. FSN and its regional affiliates have carried each title game as well as the "if necessary" contests in the 1997 and 1998 classics at OKC.
