To the right of the name is the Ford logo, which consists of the word "Ford" in its signature script inside an oval. The building has a curved facade with horizontal lines and a series of windows. In the foreground, there is a fence and a light pole. The sky is cloudy.

BIG 12 CONFERENCE

ENTERS ITS SECOND DECADE OF COMPETITION

Fresh off its 10th anniversary season, the Big 12 Conference begins its second decade of competition in 2006-07. While there have been many proud accomplishments through the first 10 years, the conference and its members anticipate continued success.

Through its first 10 years, the Big 12 claimed 28 team and 310 individual NCAA titles. During this past season, conference programs captured national championships in football (Texas), women's indoor track & field (Texas), wrestling (Oklahoma State) and men's golf (Oklahoma State). In addition, 12 individual event titles were also won by student-athletes that compete in the Big 12.

The 2004-05 campaign marked the most successful in conference history with six NCAA championships. Baylor won the crown for women's basketball, becoming the first Big 12 squad to win in that sport. Colorado won both the men's and women's cross country trophies, just the fourth school in NCAA annals to win both in the same year. Oklahoma State regained the top spot in wrestling, winning the national title for the 33rd time. Texas captured its fourth women's outdoor track & field crown, along with its sixth national championship in baseball.

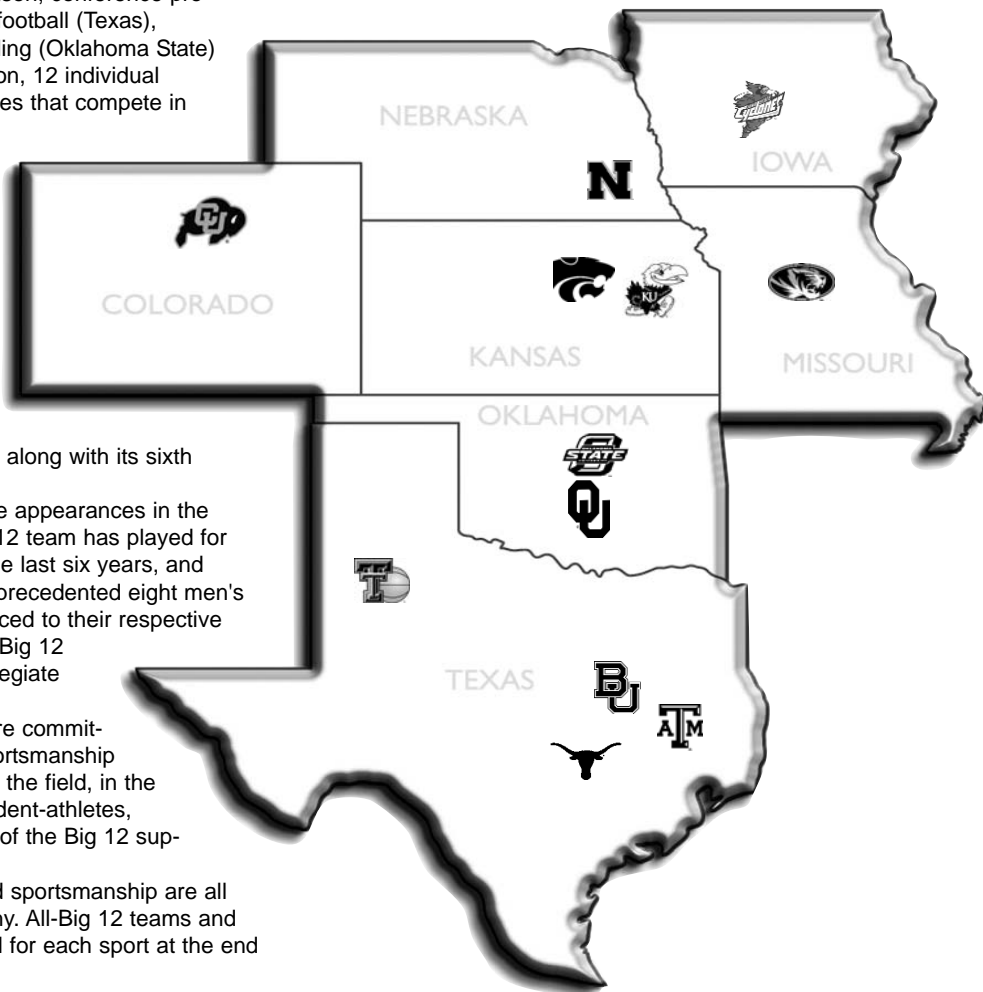

The Big 12 leads all conferences with five appearances in the BCS National Championship game. A Big 12 team has played for the football national championship five of the last six years, and each of the last three. In basketball, an unprecedented eight men's and women's basketball teams have advanced to their respective Final Fours in the past five seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Competitive excellence, scholarships and sportsmanship are all equal components of the Big 12's philosophy. All-Big 12 teams and All-Big 12 Academic squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each
