INTRODUCTION

The Baylor Athletic Communications Office appreciates your interest in Baylor Basketball and looks forward to assisting you during the 2016-17 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media’s needs, as well as those of Baylor’s student-athletes and coaches to create a positive work environment for all concerned.

If additional information or assistance is required, please contact David Kaye, Director of Athletic Communications, or any other member of the Baylor Athletic Communications staff. We appreciate your coverage of Baylor Basketball and look forward to working with you this season.

MEDIA CREDENTIALS

All requests for working media, radio, television or photo credentials should be made in writing by sports editors or sports directors of accredited media outlets on company letterhead. All requests should be made as early as possible and should be limited to working media only. Requests made within 24 hours of the game may not be considered. All credential requests should be sent via e-mail to David Kaye, Director of Athletic Communications, at david_kaye@baylor.edu.

Credentials will be available for day-of-game pickup at the Ferrell Center’s media will call table (media entrance on the west side of the Whetsel Practice Facility).

Media parking at the Ferrell Center is available on a limited basis. Credentials also serve as a parking permit; the parking attendants will direct media members to the media parking area.

Requests from individuals not employed by a media outlet will not be considered.

UNAUTHORIZED CREDENTIAL USE

Credentials will be issued to working media only. Media credentials are not transferable and use by anyone other than members of the working media is unauthorized. Media credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year.

WEB-BASED MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualification) can request one (1) credential for the sole purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to “fan-submitted” or un-edited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

BASELINE PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of the Ferrell Center as specified by the NCAA and Big 12 Conference.

No photographers will be permitted to shoot from the sidelines. All photographers must remain in the Ferrell Center’s designated photo areas along the baselines.

Photo credentials are subject to revocation by the Baylor Athletic Communications Office at any time.

POSTGAME INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Coach Drew and player interviews will be conducted in the Ferrell Center’s Media Center following the NCAA 10-minute cooling off period.

Media are asked to submit a list of player interview requests to David Kaye prior to the under-four media timeout in the second half. The visiting SID will select the student-athletes to be interviewed in the postgame interview room.

BIG 12 TELECONFERENCE

In conjunction with the Big 12 Conference, Baylor head coach Scott Drew will participate in the league’s weekly teleconference during the season. Dates and times will be announced at a later date.

Media representatives wishing to participate in the teleconference should consult the league communications staff for further details.

A live audio stream of the teleconference can be heard at www.Big12Sports.com. A replay of the teleconference will be available after 4 p.m. CT the day of the teleconference.

BAYLOR SOCIAL MEDIA

In addition to following the most up-to-date information on Baylor’s Official Athletics Site, www.BaylorBears.com, the Baylor Athletic Communication office runs the Official Twitter, Facebook and Instagram accounts for Baylor Athletics (@Baylor Athletics), as well as Twitter, Instagram, Snapchat and Periscope for Baylor Basketball (@BaylorMBB).

BAYLOR VIDEO HIGHLIGHTS FTP SITE

Baylor provides broadcast-quality video of home game postgame highlights via FTP download. Contact Jeremy Otter (254-230-3440, Jeremy_Otter@baylor.edu) for more information.

BAYLOR MEDIA SITE

An all-encompassing media page can be found on Baylor’s website at: http://www.baylorbears.com/ot/77-media.html. Among the information available at this site are links and pdfs of statistics, game notes, quick facts and directions as well as photo/logo downloads and video FTP information.

For access information, please contact Kellen_Coleman@baylor.edu.

MEDIA PARKING

Media parking at the Ferrell Center is available in Lot C, rows C1 and C2. To access the media parking area, enter the Ferrell Center parking lots via the Daughtry Ave. entrance and turn left at the first break. Rows C1 and C2 are the first two rows on the right-hand side (Brazos River side).

MEDIA ENTRANCE / MEDIA WILL CALL

The credentialed media entrance is located on the west side (facing Baylor Ballpark) of the Lt. Jack Whetsel Jr. Practice Facility, adjacent to the Stone VIP Room entrance. The Media Will Call table is located outside the Stone Room. To access the media room, take the elevator down to level one and follow the signs.

Garland is professor of Christian Scriptures at Baylor’s George W. Truett Theological Seminary, where he also served as the seminary’s fourth dean from June 2007 to June 2015. During this time, he also served as interim president of Baylor from August 2008 through May 2010 and as interim provost from July 2014 to June 2015.

Garland joined the seminary faculty in 1997 as professor of Christian scriptures, was appointed associate dean for academic affairs in 2001, and was named The William M. In addition to his research, teaching and administrative duties, he directed Truett’s self-studies for accreditation by the Association of Theological Schools from 2000-02 and 2005-07. He was honored to have The David E. Garland Chair of Preaching provided for the seminary through the initial gift of an anonymous donor and the subsequent gifts from others.

Before joining the Truett faculty, Dr. Garland served as The Ernest and Mildred Hogan Professor of New Testament and chair of the Biblical Division at the Southern Baptist Theological Seminary, where he taught for 21 years.

A magna cum laude graduate of Oklahoma Baptist University and U.S. Navy veteran, he received his master of divinity and doctoral degrees from Southern Baptist Theological Seminary and also completed postgraduate work at Eberhardt-Karls Universitat in Taubingen, Germany, and Macquarrie University in Sydney, Australia. He is an elected member of the prestigious Studiorum Novi Testamenti Societas.

Dr. Garland has authored, co-authored and edited 23 books, which include commentaries on the Gospels of Matthew, Mark and Luke, Colossians and Philemon, and 1 and 2 Corinthians, and the Theology of Mark, and Acts. He also has published more than 50 academic journal articles. He and his late wife, Diana, inaugural dean and namesake of Baylor’s Diana R. Professor Jeremy Counseller is in his third year as Baylor’s Faculty Representative to the Big 12 Conference and the NCAA. He has been a member of the Baylor Law faculty since 2003.

Professor Counseller graduated from Baylor Law School with honors and was a member of the Baylor Law Review, the Order of the Barristers, and the interscholastic moot court and mock trial teams. He also earned an M.B.A. from Baylor’s Hankamer School of Business and a B.A. summa cum laude from Stephen F. Austin State University.

Following his graduation from law school, Professor Counseller served as a law clerk to the Honorable Reynaldo G. Garza of the United States Court of Appeals for the Fifth Circuit. Professor Counseller then entered private practice in Houston, Texas, with Bracewell & Patterson, LLP (now Bracewell & Giuliani LLP), where he was an associate in the trial section. Mr. Counseller also served as an Assistant Criminal District Attorney in McLennan County, Texas, where he prosecuted both misdemeanors and felonies.

Professor Counseller has authored articles and presented papers on various evidentiary and procedural issues. He is also the co-author and editor of the Handbook of Texas Evidence (Civil Practice). INTRODUCTION

Cougar Pride, Houston Athletics’ fundraising arm, set an annual donation mark that eclipsed the previous year.

Pride members contributed $4.5M to Houston Athletics’ fundraising arm, set an annual donation mark that eclipsed the previous year.

No. 6 in the BCS standings en route to a 13-1 record and its 13th conference crown in 13 seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly $100M and constructed $160M in new facilities during his tenure, including a new on-campus football stadium, a men’s and women’s basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation’s top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics’ fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed $4.5M to eclipse the previous mark of $3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston’s first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA post-season berths and a pair of American team titles. That successful surge led to Houston’s highest national finish in the Learfield Directors’ Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, student-athletes earned: 765 total Dean’s List honors, 213 All-Conference and All-American awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades’ Akron tenure was also marked by the construction of a $61.6M on-campus football stadium, the creation of a women’s golf program, three-time recognition for the department’s diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades’ tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet—as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men’s basketball, men’s golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor’s degree in health sciences from the University of Arizona (1993) and a master’s of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette University (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters - Nicolette, Natalie and Noelle.
