MEDIA INFORMATION

The Baylor Athletics Communications Office appreciates your interest in Baylor Basketball and looks forward to assisting you during the 2017-18 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media’s needs, as well as those of our student-athletes and coaches to create a positive working environment for all concerned.

If additional information or assistance is required, please contact David Kaye, Assistant AD for Communications, or any other member of the Baylor Athletics Communications staff. We appreciate your coverage of Baylor Basketball and look forward to working with you this season.

MEDIA CREDENTIALS

Requests for working media, radio, video or photo credentials should be made by sports editors or sports directors of accredited media outlets at www.sportsystems.com/baylor. All requests should be made as early as possible and are limited to working media only. Requests made within 24 hours of the game may not be considered.

Credentials can be shipped overnight if shipping account information is provided. Credentials that are not shipped in advance will be available for day-of-game pickup at the Ferrell Center’s media call table (media entrance on the west side of the Whetzel Practice Facility).

Media parking at the Ferrell Center is available on a limited basis. Credentials also serve as a parking permit; the parking attendants will direct media members to the media parking area. Upon request, printable parking passes can be e-mailed to those picking up credentials at media call. Requests from individuals not employed by a media outlet will not be considered.

Unauthorized Credential Use

Credentials will be issued to working media only. Media credentials are not transferable and use by anyone other than members of the working media is unauthorized. Media credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year.

WEB-BASED MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualifications) can request one (1) credential for the sole purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to “fan-submitted” or un-edited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

BASELINE PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of the Ferrell Center as specified by the NCAA and Big 12 Conference. No photographers will be permitted to shoot from the sidelines. All photographers must remain in the Ferrell Center’s designated photo areas along the baselines. Photo credentials are subject to revocation by the Baylor Athletics Communications Office at any time.

POSTGAME INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Coach Drew and player interviews will be conducted in the Ferrell Center’s Media Center following the NCAA 10-minute cooling off period.

Media are asked to submit player interview requests to David Kaye prior to the under-four media timeout in the second half. The visiting SID will select the student-athletes to be interviewed in the postgame interview room.

BIG 12 TELECONFERENCE

In conjunction with the Big 12 Conference, Baylor head coach Scott Drew will participate in the league’s weekly teleconference during the season. Dates and times will be announced at a later date.

Media representatives wishing to participate in the teleconference should contact the league communications staff for further details.

A live audio stream of the teleconference can be heard at www.Big12Sports.com. A replay of the teleconference will be available after 4 p.m. CT the day of the teleconference.

BAYLOR SOCIAL MEDIA

In addition to following the most up-to-date information on Baylor’s Official Athletics Site, www.BaylorBears.com, the Baylor Athletics Communications office runs the Official Twitter, Facebook and Instagram accounts for Baylor Athletics (@BaylorAthletics), as well as Twitter, Facebook and Instagram for Baylor Basketball (@BaylorMBB).

For access information, please contact Kellen_Coleman@baylor.edu.

MEDIA PARKING

Media parking at the Ferrell Center is available in Lot C, rows C1 and C2. To access the media parking area, enter the Ferrell Center parking lots via the Daughtry Ave. entrance and turn left at the first break. Rows C1 and C2 are the first two rows on the right-hand side (Brazos River side).

The credentialed media entrance is located on the west side (facing Baylor Ballpark) of the Lt. Jack Whetzel Jr. Practice Facility, adjacent to the Stone Room entrance. The Media Will Call table is located outside the Stone Room. To access the media room, take the elevator down to level one and follow the signs.

Coach of the Year Tom Herman. Rhoades also oversaw a transformation program, hiring 14 new head coaches, including 2015 FWAA First-Year (eighth) and women's swimming and diving (11th), Missouri top 11 NCAA matches where he spent the previous year (2015-16) leading the 20-sport South student-athletes regularly participated in Fellowship of Christian Athletes.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

known as an outstanding fundraiser, Houston raised nearly $100M and constructed $160M in new facilities during his tenure, including a new on-campus football stadium, a men’s and women’s basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation’s top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics’ fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed $4.5M to eclipse the previous mark of $3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston’s first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston’s highest national finish in the Learfield Directors’ Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Rhoades’ Akron tenure was also marked by the construction of a $61.6M on-campus football stadium, the creation of a women’s golf program, three-time recognition for the department’s diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades’ tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet—as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men’s basketball, men’s golf, licensing, Miner Athletic Club and the athletics ticket office.
