CAMPUS PARKING & RELOCATION GUIDELINES
For the most up-to-date information, please visit: Baylor.edu/Students/Gameday

TAILGATING POLICIES

ANIMALS
Policy: Animals must be kept on a leash of six-feet or shorter in all tailgating areas. Owners must remain in control of their animals at all times and are responsible for cleaning up any messes by their animal. Owners assume all financial responsibility for any damages to property or injury to individuals caused by the animal. Only service animals are allowed inside McLane Stadium.

Reason: This policy mirrors the Baylor University policy for animals on campus. A non-exhaustive list of prohibited animals includes: Pit Bulls, Rottweilers, German Shepherds, Doberman Pinschers, any hybrid mixed with above breeds, non-domesticated animals & animals with a history of aggressive behavior.

BANDS AND MUSIC
Policy: Loud music, live bands and other live performances are not allowed in the tailgating areas. Music must be confined to your tailgating area and speakers must be directed into your tailgate area.

Reason: This policy is intended to protect the enjoyment of other fans. Musical tastes and tolerable noise levels vary greatly from tailgate party to tailgate party, and we ask everyone to respect their neighbors.

BARRICADES AND FENCING
Policy: Fans may not erect or move barricades, barrels, fencing or any other traffic control devices. All signs and instructions must be obeyed.

Reason: Only University personnel are authorized to erect or remove fencing on campus.

COMMERCIAL ACTIVITY AND SOLICITATIONS
Policy: Commercial activity and solicitations are not allowed on property. Companies may not issue sample products or display signage without proper approval from Baylor IMG College. Food, drink and other items may not be sold or given to the general public.

Reason: This is a matter of legal liability and institutional control. Baylor Athletics does not allow the sale or distribution of goods and services on the campus without proper credentials and insurance.

CONDUCT
Policy: The person(s) purchasing the tailgating spot are responsible for the conduct of their guests.

Reason: The close configuration of tailgate areas requires that our guests be good neighbors and conduct themselves in a manner that provides for the comfort and enjoyment of all. Inappropriate behavior will result in the permanent loss of all tailgating privileges.

FLAMMABLES AND TRASH
Policy: Charcoal must be disposed of in hot coal barrels and trash in trash/recycling receptacles throughout the tailgating areas. Grease, coals or other trash may not be disposed of on the ground or into the Brazos River. Please do not place charcoal or other flammables in trashcans, under trees or leave in the tailgating or parking areas.

Reason: Even items that appear to be extinguished may remain flammable and cause fires. Trash that is disposed of on the ground or into the Brazos River is degrading to the appearance of our beautiful campus.

GENERATORS
Policy: Portable generators are permitted as long as they do not create excessive noise, emission hazards or other safety concerns.

Reason: Generators have a tendency to be loud and intrusive for other tailgaters. Please be respectful of tailgaters in surrounding spots.

GLASS CONTAINERS
Policy: Glass containers are strongly discouraged for use during tailgating activities.

Reason: Broken glass can cause a safety hazard, not only for tailgaters, but also for students on campus during the week.

GRILLS AND SMOKERS
Policy: All grills & smokers must be attended at all times and may not obstruct sidewalks, drive lanes or pedestrian walkways. Grills and smokers on trailers are allowed into the on-site tailgating area and must fit within your designated space. Grills and smokers on trailers are not allowed into the Umphrey Law Center tailgating spots.

Reason: Umphrey Law Center tailgating spots don’t have the necessary drive lanes to maneuver trailers without damaging the surrounding landscape. Grills and smokers may be carried or wheeled into spots at the Umphrey Law Center.
MOTORIZED VEHICLES
Policy: Use of ATV’s, golf carts, gators, scooters, mopeds and other motorized recreational vehicles are prohibited. Only properly credentialed motorized vehicles are allowed on game day at Baylor University.
Reason: The use of motorized vehicles other than automobiles and motor homes can be a danger to pedestrians, especially children.

RESTROOMS
Policy: Restrooms will be available at the Clyde Hart Track & Field Stadium. Portable restrooms will also be available throughout the tailgating and parking areas. Individuals may not arrange to have portable restrooms in their tailgating area.
Reason: Unless Baylor Athletics manages the activity of providing portable restrooms, these units can be left in areas unserviced, resulting in unsanitary conditions.

RVs - EXHAUST EXTENSIONS
Policy: All motor homes require exhaust extensions that reach the top of the motor home. For the safety of everyone, motor homes without an extension should not operate a generator. This also applies to generators used by fifth wheels.
Reason: Exhaust fumes are dangerous and annoying to other tailgaters.

RV SPOTS
Policy: Reserved RV spots are located on-site and at the Ferrell Center. Access into these reserved spots is available from 5:00p.m. - 10:00p.m. the day prior to game day and no earlier than 6:00a.m. (for 11:00a.m. kickoffs) & 8:00a.m. (for all other kickoff times) on game day.
Reason: Reserved RV spots require a Baylor Bear Foundation donation & are sold out for the 2016 season. To be added to the wait list, please call athletic marketing at 254.710.8110 or email Athletic_Marketing@Baylor.edu.

SECURITY AND SAFETY
Policy: It is the responsibility of each tailgate party to secure tailgating items prior to entering the stadium. All valuables should be locked and placed out of sight, all flames and fires extinguished and all barbecue pits, tents, tables and chairs secured. Please obey all posted safety signage & use extreme caution driving into or leaving tailgating areas.
Reason: Baylor Athletics is not responsible or liable for accidents, damage, loss or theft of materials, items or personal property left in the tailgating area. Any person damaging University property will be responsible for the cost of repair.

TENTS AND TAILGATING AMENITIES
Policy: Tents or canopies must be secured and may not utilize stakes that penetrate the ground more than 12 inches. Tailgating amenities - including tents, canopies, furniture, grills, generators, cables or satellite dishes - may not obstruct sidewalks, drive lanes or pedestrian walkways.
Reason: Stakes longer than 12 inches can damage utilities beneath the Baylor campus and can be dangerous to tailgaters. Sidewalks, drive lanes and pedestrian walkways are necessary routes for pedestrians to reach McLane Stadium. Please be courteous of other tailgaters.

SETUP AND TEARDOWN
Policy: On-Site tailgating setup may begin no earlier than 5:00p.m. on “set-up day” – the day immediately preceding a Baylor home football game. Sites must be vacated by 10:00p.m. on set-up day – overnight occupancy is only allowed for RVs. Setup for on-site tailgating spots may begin no earlier than 6:00a.m. (for 11:00a.m. kickoffs) & 8:00a.m. (for all other kickoff times) on game day. With approval from Baylor Athletics, professionally installed & secured on-site tents may stay up for the duration of the 2016 football season.

Reason: Since there is no “set-up day” for tailgating spots at the Umphrey Law Center, Overnight occupancy is not allowed. Setup for tailgating spots at the Umphrey Law Center may begin no earlier than 6:00a.m. (for 11:00a.m. kickoffs) & 8:00a.m. (for all other kickoff times) on game day. Fans must have all items - including tents - cleared and cleaned by 5:00p.m. the day after the game. Tailgating is not allowed in the Dutton or Speight garages.

Reason: On game day, tailgaters will have access to their assigned spots as soon as parking lots open. If your tailgating spot is located on-site, and you are interested in keeping your on-site tailgating tent up for the entire 2016 football season, please contact Athletic_Marketing@Baylor.edu. This is not an option for tailgaters at the Umphrey Law Center - as it would interfere with campus activities during the week. Tailgating is not allowed in parking garages.
Reserved boat slips are located in the Baylor Basin. These 18 slips require a Baylor Bear Foundation donation and are sold out for the 2016 season. Other gameday sailgating opportunities in the Baylor Basin are being explored. More information about these opportunities will be available prior to the season.

- If you plan to sailgate on the Brazos River on game day, please take the time to familiarize yourself with the following document from Texas Parks & Wildlife, as they will have a presence on the water and be enforcing these laws:

**REQUIRED SAFETY EQUIPMENT**

McLANE STADIUM
GUIDELINES AND PROCEDURES

ANIMALS
Policy: Service animals are welcome in McLane Stadium. All other animals will not be allowed to enter.
Reason: A service animal is trained to perform tasks for an individual with a disability.

ANNOUNCEMENTS
Policy: Public address announcements are restricted to emergency situations only.
Reason: Many in-stadium announcements are requested, but only emergency situations can be addressed through PA announcements in McLane Stadium. To properly address these situations, Baylor Police are responsible for determining the level of importance of any requested emergency announcement.

ARTIFICIAL NOISEMAKERS
Policy: Big 12 Conference rules do not permit artificial noisemakers to be brought into or used in McLane Stadium.
Reason: The Big 12 implemented this rule in order to prevent the distraction of the participants and officials in the game.

BAGS & BACKPACKS
Policy: Backpacks are not allowed in McLane Stadium. Bags and purses 12” x 6” x 12” or smaller will be allowed in McLane Stadium.
Reason: National and local security officials have designated backpacks and large bags as security risks. Unattended bags create a security threat. Bags may not be left at the gates and will be confiscated, removed and discarded immediately.

BANNERS & POLES
Policy: Banners may not be hung and poles may not be brought into McLane Stadium unless approved by Baylor Athletics.
Reason: Banners or poles in McLane Stadium can be a nuisance to other fans by obstructing their view of the game, and can create safety concerns for those in the area.

CAMERAS, TRIPODS AND MONOPODS
Policy: Cameras with lenses 4” or smaller are permitted in McLane Stadium. Tripods, monopods & selfie sticks are not allowed into McLane Stadium.
Reason: Large lens cameras, tripods, monopods & selfie sticks interfere with the game and others’ enjoyment of the game.

CHAIRBACK SEATS (PORTABLE)
Policy: Portable chairbacks and seat cushions will not be allowed in McLane Stadium, however, fans may rent chairs from IMG College Seating for the season at www.BUBearChairs.com or on gameday at locations throughout the stadium.
Reason: Wide chairback seats overlap into the seat of the fan next to you & many encroach into the legroom of the fan behind you. The guest relations staff at Floyd Casey Stadium frequently was contacted with this complaint. The chairbacks and cushions available from IMG College Seating are customized for the benches at McLane Stadium.

DRONES
Policy: Drones and other Unmanned Aircraft Systems (UAS) may not be flown or operated from or over Baylor property.
Reason: Drones and UAS may cause a safety hazard and violate the temporary flight restriction that covers McLane Stadium

FIELD ACCESS
Policy: Access to the field shall be limited to participating student-athletes, coaches, officials, support personnel and properly credentialed individuals at all times.
Reason: For the safety of participants and spectators alike, at no time before, during or after a contest shall spectators be permitted onto the field.

Reason: This policy is for the convenience and safety of all ticket holders. Even the smallest of Baylor fans sitting on their parents’ lap can be an inconvenience to the fan sitting in the next seat and a safety risk for the child.

UMBRELLAS
Policy: Umbrellas are not allowed in McLane Stadium. Umbrellas left at the gate/entrance will be confiscated and discarded during security sweeps.
Reason: Umbrellas are a sight obstruction for other fans, and can be a safety hazard. Fans should bring appropriate rain gear in case of inclement weather.

VIDEO CAMERAS
Policy: Video cameras are not permitted in McLane Stadium.
Reason: Baylor Athletics is obligated to protect the television and digital rights granted by the Big 12 Conference to television networks and other media. By prohibiting video cameras except for use by credentialed working media, Baylor Athletics can best manage that obligation.

WATER BOTTLES
Policy: Fans may bring clear, empty water bottles into McLane Stadium to fill at water fountains located around the 100 & 200 level concourses. Limit one per person & bottles may not exceed 1L in size. Glass containers and backpack-style hydration systems are not allowed.

Dear Alumni, Faculty, Staff & Friends:

One of the most important elements of the Baylor University athletics program is the loyalty and enthusiasm of our fans. Baylor University is grateful for all of the ways that you contribute to the success of our athletics program. However, we must be cautious not to let enthusiasm for our programs lead us into conflict with the very specific member institution. Baylor is responsible for the actions of all individuals and entities involved in the promotion of its intercollegiate athletics program. A violation of NCAA rules by a student-athlete, staff member or representative of athletics interests can result in serious individual or institutional sanctions.

The NCAA defines a “representative of athletics interests” in a manner that encompasses many, if not all, of the people that regularly attend Baylor sporting events. This page summarizes the rules applicable to Baylor athletics representatives. It is intended to aid in your understanding of the NCAA guidelines which govern interaction between athletics representatives and prospective and enrolled student-athletes. Please read it carefully and contact the Office of Athletics Compliance at 254-710-1234 should you have any questions or concerns.

Again, we appreciate your interest in and support for our student-athletes and sport programs. We are counting on you to help us continue our pursuit of excellence and dedication to responsible sport by fully cooperating in our commitment to rules compliance.

CONSEQUENCES FOR NCAA VIOLATIONS:
The consequences for acting contrary to NCAA legislation can be quite severe. Athletics representatives found to be in violations resulting in the imposition of sanctions, can be subject to the loss of all benefits and privileges received from Baylor University.

KEY TERMS EVERY ALUMNI OR FRIEND SHOULD KNOW

REPRESENTATIVE OF ATHLETICS INTERESTS:
A “representative of athletics interests” (booster) is an individual or group that has ever:
• Been a member of an organization promoting Baylor Athletics
• Contributed to the Athletics Department or its booster organizations.
• Assisted in evaluating or recruiting prospective student-athletes.
• Provided benefits to prospective student-athletes, enrolled student-athletes or their family members. Otherwise promoted the Baylor Athletics Program.

Keep in mind that it is very easy to meet one or more of these criteria. As a representative of the university’s athletics interests, you are bound by NCAA, Big 12 Conference and Baylor University rules. Once you become an athletics representative you retain this status forever.

PROSPECTIVE STUDENT-ATHLETE:
A “prospect” generally is a student that has started classes for the ninth grade. A student that has not started classes for the ninth grade becomes a prospect if the student receives any benefits that the institution does not provide to all prospective students in general. An individual remains a prospect until he or she starts classes at Baylor or reports for evaluation of the prospect.

EXTRA BENEFIT:
An extra benefit is any special arrangement by a Baylor employee, booster, alum, donor, etc., to provide a student-athlete, prospect, or their family or friends a benefit not expressly authorized by NCAA legislation. Examples of extra benefits include, but are not limited to:
• Gifts of money, awards or other tangible items.
• Use of vehicles or payment of transportation costs incurred by prospect, prospect’s relatives or friends.
• Free or reduced housing arrangements.
• Promise of employment after graduation or employment of prospect’s relatives or friends.
• Special discounts or payment arrangement

INFORMATION FOR PROSPECTIVE STUDENT-ATHLETES

BENEFITS OR SPECIAL ARRANGEMENTS FOR PROSPECTS:
Athletics representatives may not provide any benefits or special arrangements to a prospect or his or her family or friends. Coaches and institutional staff members are prohibited from soliciting funds or other privileges from athletics representatives to benefit a prospect’s high school, prep school, college, club, team or league.

EMPLOYMENT FOR PROSPECTS:
Athletics representatives may arrange employment for prospects after completion of the prospect’s senior year in high school. Compensation must be based on work actually performed and at a rate commensurate with the going rate in the locality for similar services. Employed prospects may not receive benefits (e.g., transportation or meals) that are not provided to all other employees.

NO CONTACT WITH PROSPECTS:
Athletics representatives are not authorized or permissible recruiters. NCAA rules prohibit athletics representatives from engaging in in-person, on or off-campus recruiting contacts, as well as written or telephone communication with prospects or their family members. If a prospect initiates telephone contact with you, or if you have an inadvertent face-to-face encounter with a prospect or his or her parents, do not enter into a recruiting conversation. Please refer all questions about the athletics program to the appropriate coach or athletics department staff member. Only authorized institutional staff members are permitted to be involved in the recruitment process.

NO CONTACT WITH PROSPECT’S SCHOOL:
Athletics representatives are not the prospect’s coach, principal or counselor in an attempt to evaluate a prospect nor may they visit the prospect’s school to pick up film or transcripts in order to facilitate the evaluation of the prospect.

ATTENDANCE AT PROSPECT’S EVENTS:
Athletics representatives, on their own initiative, may attend events (e.g., contests, banquets) where prospects are present so long as no contact is made with the prospect or the prospect’s family.

INFORMATION FOR COACHES:
Athletics representatives may make Baylor coaches aware of prospects in their area by contacting the coaches directly or by forwarding news articles pertaining to particular prospects.

PRE-ESTABLISHED RELATIONSHIP:
Athletics representatives having a pre-established relationship (i.e., the relationship existed before the student was recruited by Baylor) with a prospect or the family member of a prospect may continue normal contacts so long as such contacts are not made for recruiting purposes and are not arranged by members of the Baylor coaching staff.

INFORMATION FOR ENROLLED STUDENT-ATHLETES

AGENTS:
Student-athletes lose their amateur status and are not eligible for intercollegiate competition in a particular sport if:
• The student-athlete or his or her family members enter into a written or oral agreement with an agent.
• The student-athlete or his or her family members accept or receive benefits from an agent, “runner” or financial planner.

EMPLOYMENT FOR ENROLLED STUDENT-ATHLETES:
Employment for enrolled student-athletes may not be arranged by Athletics Representatives without first receiving prior approval from the Office of Athletics Compliance. NCAA rules require the student-athlete and employer sign a written statement confirming that the employment satisfies all NCAA conditions prior to the commencement of the employment arrangement. Compensation must be based on work actually performed and at a rate commensurate with the going rate in the locality for similar services. Employed student-athletes may not receive benefits (e.g., transportation or meals) that are not provided to all other employees.

STUDENT-ATHLETE PARTICIPATION IN PROMOTIONAL ACTIVITIES:
Use of a student-athlete’s name, picture or appearance to support any charitable, educational or nonprofit promotional activities requires written approval from the Director of Athletics. Forms may be obtained from the Office of Athletics Compliance. Student-athletes may not recommend, promote or participate in the advertisement of a commercial organization or its product or service.

OCCASIONAL MEALS:
Athletics representatives may provide an enrolled student-athlete or an entire team with an occasional meal. Occasional meals are limited to infrequent and special occasions and must take place in an individual’s home (although it may be catered). Any occasional meal must receive prior written approval from the Office of Athletics Compliance.

Please read it carefully and contact the Office of Athletics Compliance at 254-710-1234 should you have any questions or concerns.

Again, we appreciate your interest in and support for our student-athletes and sport programs. We are counting on you to help us continue our pursuit of excellence and dedication to responsible sport by fully cooperating in our commitment to rules compliance.
