1. Minors are not allowed to drive or ride in personal vehicles during the dates of the program unless they receive specific permission to do so from the Camp Director. While we understand that some participants will drive to the campus, our policy is that they must turn their car keys in to the Camp Director for the duration of the workshop. **Any vehicles parked on campus must have a University Parking Permit or a visitor parking pass.** Parking permits will be issued during on-site registration by the Camp Directors, and clear instructions will be given as to where parking is authorized. **It will be the responsibility of the participant to secure a permit, properly place the permit in the vehicle, park the vehicle in an authorized space, and turn the keys in to the Camp Director for safekeeping during the program. Neither Baylor University, nor the program staff, will be responsible for damage to your vehicle or for any parking tickets, fines, or towing charges that result from violations.**

2. Participants are to remain on campus for the duration of the program unless program activities require otherwise. If a participant needs to leave campus for some reason, prior written permission from the parent or guardian, and approval of Camp Director must grant specific permission.
