

2006-07: A DECADE OF POSTSEASON

Bears Make 10th Straight NCAA Appearance...

Baylor earned its 10th consecutive NCAA Regional berth in 2006-07, extending the longest active postseason streak at Baylor. The Bears shot 937 (309-311-317) to finish in 18th place at the NCAA Central Regional at Rich Harvest Farms in Sugar Grove, Ill. Baylor was in sixth place after the first round, but dropped 12 spots to 18th in the second round. Seniors Jeremy Alcorn, Jeremy Frye and Chase Thomas led the way for the Bears, with Alcorn the top finisher in 58th place overall.

Baylor Finishes Eighth at Big 12 Championships...

The Baylor men's golf team dropped one spot, finishing the tournament in eighth place, at the 2007 Big 12 Men's Golf Championships. The final round was delayed due to inclement weather, as the course was cleared for 30 minutes after lightning was detected in the immediate area. Baylor finished the tournament at 73-over par (304-300-307=913), two shots behind Missouri and four shots behind Nebraska. Bill Allcorn was the top finisher for the Bears, shooting 12-over par (75-73-74) to finish in a tie for 11th place overall. Chase Thomas, the Bears' top finisher in each of the last two Big 12 Championships, tied for 22nd with a score of 17-over par (77-76-74).

Bears Share Title at Hootie at Bulls Bay...

The Baylor men's golf team carded a 277, its lowest round of the year, to tie for the team championship at 13-under par at the Hootie at Bulls Bay Intercollegiate on March 27. Three pars and one birdie on the first playoff hole for each team forced the schools into a second playoff. Four pars on the second still could not decide a winner, and Wake Forest drained three birdie putts on the third playoff hole to claim the championship. Baylor, which equaled its previous low round on Monday with a 280 score, used par or better rounds from all four of its scored players to shoot 7-under par on the day. Baylor's 54-hole score of 840 is the third lowest in school history. Last season

the Bears carded a 789 at The Maxwell, and Baylor scored 823 during the 2001 season at the Baylor Henry Griffitts Classic.

Williams Records First Collegiate Ace...

Junior Wes Williams shot a team-best 5-under par on the final day at the Hootie at Bulls Bay Intercollegiate. The strong round was highlighted by an ace on the par-three seventh hole. "That was Wes' second career hole-in-one, but his first one in a competition," said head coach Greg Priest. "You never know how someone is going to react after a hole-in-one. Sometimes they get so excited that they mess up the rest of the round. But Wes stayed composed and ended up shooting a really good round."

Allcorn, Thomas Earn Academic Honors...

Sophomore Bill Allcorn and senior Chase Thomas were selected to the 2007 Academic All-Big 12 Men's Golf Team, the league office announced on April 17. Allcorn currently holds a 3.72 gpa in Economics, and has helped the Bears to two top-three finishes during the spring season. Thomas majored in Accounting with a 3.33 GPA. He played in five spring tournaments and recorded a 73.71 stroke average, fourth-best on the team. Both players were also selected as 2007 GCAA Cleveland Golf All-American Scholars by the Golf Coaches Association of America. Allcorn and Thomas are the third and fourth Academic All-American Scholars during the tenure of head coach Greg Priest.
