

# 2006 NCAA MEN'S TENNIS CHAMPIONSHIPS

## First & Second Round – Baylor University – Waco, Texas

## POSTMATCH QUOTES

**Second Round – May 14, 2006**  
**Baylor 4, Tulsa 0**

**Baylor head coach Matt Knoll:**

"This was a great weekend for our program. I'm glad to get out of here quick before it started raining again. Our doubles were strong today and set the tone for the match.

Lars' (Poerschke) match was a high-level match. It was a point that Tulsa thought they could pick up. Lars sustained his intensity throughout the match and that helped our momentum.

"The NCAA Round of 16 is the big show for us. That's where the action starts and we're excited to be going back."

**Tulsa head coach Vince Westbrook:**

"Baylor is a seasoned team and I have a lot of youngsters; we showed it today. But we'll be back next year and ready to compete with more experience. But Baylor is a great team."
