MEDIA INFORMATION

GENERAL INFORMATION

Working press and photographer credentials for Baylor’s home matches will be handled by Baylor Athletic Communications Director Julie Bennett and Emilie Fogleman. All requests should be made as early as possible and be limited to working press only. Requests made within 24 hours of the match may not be considered.

Credentials can be picked up in the Athletic Communications Office located in the Simpson Center, second floor, or at media will call at the main entrance of the Ferrell Center the day of the event.

WEB SITES & NEW MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualification) can request one (1) credential for the purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to “fan-submitted” or un-edited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

UNAUTHORIZED USE OF CREDENTIALS

Press credentials will be issued to working press only. Press credentials are not transferable and use by anyone other than members of the working press is unauthorized. Press credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year. All press credentials remain the property of the Baylor Athletic Department and must be returned upon request.

ADDITIONAL INTERVIEWS

Baylor student-athletes and coaches will be available for in-person or phone interviews before or following practice. Player interviews must be coordinated through Director of Athletic Communications Julie Bennett at least 24 hours in advance. If a telephone interview is desired, the student-athletes will be provided with the number and will telephone the interviewer at a time that does not interfere with the student-athlete’s academic schedule. Student-athlete’s personal numbers will not be given out under any circumstances.

POST-EVENT INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Head coach LaPrise Harris-Williams and selected student-athletes will be made available for interviews after the NCAA 10-minute cooling off period on the floor of the Ferrell Center.

Media are asked to submit a list of student-athletes interview requests to Julie Bennett or Emilie Fogleman prior to the end of the event.

The visiting SID will select the student-athletes to be interviewed following the event. If no visiting SID is available, media are asked to submit their request to Julie Bennett or Emilie Fogleman.

PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of the Ferrell Center as specified by the NCAA and Big 12 Conference.

Photo credentials are subject to revocation by the Baylor Athletic Communications Office at any time.

BAYLOR ON THE WEB

Baylor maintains a comprehensive athletic department website covering all 19 varsity sports. BaylorBears.com features all the information Baylor fans need, including stats, news releases, notes, features and more.

Find full coach and player biographies, as well as event previews and recaps at BaylorBears.com.

SOCIAL MEDIA

In addition to following the most up-to-date information on Baylor’s Official Athletics Site, www.BaylorBears.com, you can also track the Baylor acrobatics & tumbling team by following the Official Twitter Account of Baylor Athletics, @BaylorAthletics, and BU Acrobatics & Tumbling, @BaylorAcroTumb. Baylor Athletics also maintains an official Facebook page at www.facebook.com/BaylorAthletics.

DIRECTIONS TO HIGHERS ATHLETIC COMPLEX

The Highers Athletic Complex, which includes the Simpson Center and the Allison Indoor Practice Facility, is located on the south bank of the Brazos River at 1500 South University Parks Drive in Waco. Those traveling to the Highers Complex via Interstate 35 should take the University Parks Drive exit (#335B); the facility is located one-half mile east of Interstate 35 (left side of road), just past the Mayborn Museum.
COACHING STAFF

Felecia Mulkey, after guiding the Oregon Ducks to four consecutive National Collegiate Acrobatics & Tumbling Association (NCATA) national championships in five seasons as the Ducks’ head coach, begins her first season as Baylor’s head coach.

Mulkey, a native of Atlanta, Ga., comes to Baylor as the Bears’ third head coach.

"I am truly excited to be taking this next step in my coaching career. It’s a chance for me to move closer to my family and to assume the reins of an established program and take it to the next level. I enjoyed an amazing five years at Oregon but am eager to accept this challenge," said Mulkey. "I am extremely impressed with the commitment and support of the Baylor administration on all levels for the Acrobatics & Tumbling program and its student-athletes."

In her five seasons at Oregon, Mulkey guided the Ducks to a 43-3 overall record while winning four national titles and 30 event titles. She coached 11 student-athletes to All-America honors with two earning athlete of the year awards.

Off the mat, Mulkey works tirelessly in growing the sport of acrobatics and tumbling. She continues to play a key role in the progression of acrobatics & tumbling’s effort to gain NCAA sport status. Prior to the 2010-11 season, Mulkey was a catalyst in developing the scoring format that is currently in practice in acrobatics and tumbling meets.

Prior to her stint at Oregon, Mulkey built the Kennesaw State competitive cheer program into a national powerhouse. The Owls finished fourth in the 2008 All-Women's Division I Collegiate Championships after capturing national titles in 2004 and 2005.

Mulkey, a 1998 Kennesaw State health and exercise science graduate, oversaw the development of a program that finished no worse than third nationally from 2001 through 2007. Her success resulted in the program ascending to the Division I level in 2006.

Prior to transferring and taking over the head coaching reigns at the Kennesaw, Ga., school in May 1997, Mulkey cheered for two years at Southern Union State (Wadley, Ala.), and led the Bison to an eighth-place national finish in 1995.

In addition to directing the Owls’ spirit and competitive programs, Mulkey served as the school’s sports operations director from 2007-2008. She also worked as marketing director of the American Lung Association in Smyrna, Ga., from July 1998 through July 2000, as well as the sports marketing and promotions director at her alma mater from 2000-06.

THE MULKEY FILE

EDUCATION
Alma Mater: Kennesaw State, 1997

COACHING EXPERIENCE
1997-2009 Gymnastics coach
2009-2014 Oregon, head coach
2014- Baylor, head coach

Angela Ucci (pronounced oo-chee) begins her first season as a Baylor assistant coach.

Ucci has served as an assistant coach at the University of Oregon under current Baylor head coach Felecia Mulkey for the past five seasons. The Ducks claimed the NCATA national championship four of the five seasons and have produced 11 All-Americans and two Performers of the Year.

"Angela is a fantastic addition to our team and to the Baylor athletics department," said Mulkey. "She shares the same drive and passion as I do for not only improving our own team, but for nationally advancing acrobatics and tumbling in general."

Ucci’s strength as a coach includes training specific tumbling technique for the sport of acrobatics and tumbling. This technical expertise allowed the Ducks to consistently capture individual event titles as Ucci has coached 14 national tumbling event champions over the past four seasons.

Ucci, a native of Kennesaw, Ga., has 10 years of all-around experience in gymnastics, starting out her career competing nationally for the Gymnastics Academy of Atlanta before joining Mulkey’s squad at Kennesaw State University (KSU) in 2003. While with the Owls, Ucci was a five-time All-American selection while competing as a back base for the club competitive cheerleading team.

Ucci was also a member of both of Mulkey’s two national championship teams at KSU in 2004 and 2005.

After graduating from Kennesaw State in 2008 with a degree in exercise and health science, Ucci started a small tumbling program out of Workout Anytime in Kennesaw where she was also employed as a personal trainer. She simultaneously worked as a gymnastics coach for World of Gymnastics and was the curriculum director at World of Cheer.

Emily Maike, a 2012 graduate of the University of Oregon (human physiology), begins her second season with the program after coming to Baylor after a stint in the business world in addition to an internship in the Oregon Athletic Department and working with Oregon’s A&T summer camp.

Maike, a native of Chesaning Mich., also attended Michigan State and was a member of Oregon’s two-time national championship squad.
### 2014 (Junior)
- Participated in all seven meets with team.
- Qualified for four events at the NCATA Individual Championships including toss duo, acro six element and twice for quad tumbling.
- Named to Big 12 Commissioners Honor Roll for Spring 2013.
- Earned second-team Academic All-Big 12 honors.

### 2013 (Sophomore)
- Participated in six of seven meets with team.

Personal: Full name is Taylor Sterling Watson ... Born Oct. 6, 1995, in Orange Park, Fla. ... Parents are Robert and Andrea Watson ... Biochemistry major ... Volunteers with Hands on Atlanta and Hosea Feed Hungry and Homeless.
MEET FORMAT

MEET STRUCTURE AND TEAM PARTICIPATION
Two to four teams compete at a meet. The typical duration is roughly two hours. A meet is made up of six events: Compulsory, Acro, Pyramid, Tosses, Tumbling and Team Event. A halftime intermission will take place between Pyramid and Toss.

All event competition is in team rotation throughout each event. The rotation order is predetermined by the Head Official prior to the beginning of the meet, but the home team always performs last.

SCORING
Scoring is based upon pre-determined difficulty start values. Each skill performed is valued by the Officials of the NCATA prior to the meet. Teams submit their skill sequences 72 hours prior to the meet. Officials perform two primary functions at the meet:

1. Monitor the skills being performed to ensure that each element is correctly performed to equate to the posted start difficulty value.
2. Evaluate the execution and technique of the skills performed. Scores are posted immediately following the conclusion of the event and overall standings are displayed throughout the meet. The highest combined score after all events wins the meet. The maximum score in each meet is 300 points.

EVENT 1: COMPULSORY (40 POSSIBLE POINTS)
Four heats construct the Compulsory Event: acro, pyramid, toss, and tumbling. During each heat the teams perform the exact same skills, allowing the officials to compare the technique and execution of each team. No athlete crossover rules apply from the Compulsory to other events.

Acro Heat (10 possible points)
One preset sequence performed by two synchronized groups from each team.
- Straight up heel stretch
- Power press (hold stretch on way down, flyer changes position on the way up)
- Arabesque
- 270 degree front flip cradle dismount (flyers feet to side)
- Unassisted Rewind to Sponge
- Dip to heel stretch
- 720 degree twist cradle dismount

Pyramid Heat (10 possible points)
One preset pyramid performed by one group from each team.
- All feet start on the floor
- 4-2-1. Two shoulder level stunts as second level support (two bases, back, flyer) built before toss up
- Basket up from back (three bases tossing, one flyer)
- Three catchers in front
- 270 degree flip off of the front
- Second level dismounts at the same time as the top flyer, to below shoulder level

Toss Heat (10 Points)
One preset basket toss performed by two synchronized groups from each team.
- Two synchronized back tuck tosses
- Four bases tossing, one flyer, two groups

Tumbling Heat (10 Points)
Four preset skills performed by eight athletes from each team.
- No changing athletes between compulsory skills
- Athletes must be positioned in windows
- Skills must be performed in the following order:
  a. Standing tuck (to front);
  b. Toe-touch tuck (to front);
  c. Handspring tuck (to front);
  d. Round-off handspring layout from left to right in two lines.

EVENT 2: ACRO EVENT (30 POSSIBLE POINTS)
Three heats constructs the Acro Event where each team sends a maximum of four athletes to compete an acro sequence to counts in a maximum of 45 seconds. Athletes may compete in two heats, however no more than two athletes may crossover together from one heat to another. Timing begins with the first movement. Exceeding the 45 seconds will result in a time deduction. In each heat, teams must attempt all required number of elements in addition to the required skill. The required skill counts as an element.
- Heat 1: Required 360 degree flipping skill, five elements (10 pts)
- Heat 2: Required twisting skill, six elements (10 pts)
- Heat 3: Required release skill, seven elements (10 pts)

EVENT 3: PYRAMID EVENT (30 POSSIBLE POINTS)
Three heats constructs the Pyramid Event. Each team sends a maximum of 24 athletes and there is no crossover rule. Timing begins with the first movement. Exceeding 30 seconds will result in a time deduction. In each heat, teams must attempt the required skill while changing the pyramid structure or flyer plane from heat to heat.
- Heat 1: Flipping (10 pts)
  a. Entry/dismount must contain flip greater than 90 degrees
- Heat 2: Twisting (10 pts)
  a. Entry/dismount must contain twist skill greater than 90 degrees
- Heat 3: Release (10 pts)
  a. Entry/dismount must contain a release skill

EVENT 4: TOSS (30 POSSIBLE POINTS)
Three heats constructs the Toss Event. Each heat has required elements. A maximum of four athletes may toss a single flyer. Athletes may crossover and compete in two heats, one of which must be the synchronized toss.
- Heat 1: Two elements must be performed in a single toss (10 pts)
- Heat 2: Two synchronized tosses (10 pts)
- Heat 3: Open-no skill requirements (10 pts)

EVENT 5: TUMBLING EVENT (60 POSSIBLE POINTS)
Six heats constructs the Tumbling Event. Athletes may compete in the both the synchronized portion and in one single pass, but tumble a maximum of two times.
- Dou- Two athletes execute synchronized identical tumbling pass (10 pts)
- Trio- Three athletes execute synchronized identical tumbling pass (10 pts)
- Quad- Four athletes execute synchronized identical tumbling pass (10 pts)
- Aerial- single pass; must execute one flip before final flip in pass (10 pts)
- Six Element single pass; six elements including last skill (10 pts)
- Open single pass; no requirements (10 pts)

EVENT 6: TEAM EVENT (110 POSSIBLE POINTS)
One heat constructs the Team Event. Athletes perform synchronized choreographed skills set to music in a maximum of 2 minutes and 30 seconds using a minimum of 18 athletes and a maximum of 24 athletes combining required and optional skills. The required skills include:
- 30 acro elements (20 pts)
- Five tosses (20 pts)
- Four pyramids (2.5 high) (20 pts)
- One Jump/Standing Tumbling Pass per number of athletes on the mat (20 pts)
- One Running Tumbling Pass per number of athletes on the mat (20 pts)

- Additional scored categories:
  a. Routine construction (5 pts)
  b. Dance/Composition/Artistry - 50 percent of the team must perform two, eight counts
