A distinguished scholar and academic leader, she previously served as dean and professor of management at The George Washington University School of Business from 2014 to 2017 and as dean of Pepperdine University’s Graziadio School of Business and Management from 2002 to 2014.

Dr. Livingstone’s presidency marks her return to Baylor after time on the Waco campus from 1991 to 2002. She was an assistant professor and an associate professor in the Department of Management before serving for four years as associate dean of graduate programs for the Hankamer School of Business.

While at Pepperdine, Dr. Livingstone oversaw a $200 million expansion of the school’s graduate campuses, the addition of an executive conference center and a significant increase in scholarship support for students. At GWU, she led the development of a strategic plan for the business school that built on the school’s culture of service and its unique location in our nation’s capital to enhance the school’s global focus.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership and creativity with deep expertise in the area of university accreditation. She has been extensively published and cited in academic and professional outlets, with her publications including articles in American Business Review, Journal of Organizational Behavior, Journal of High Technology Management Research and the book Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics and Trust. She also has served as a member of the Board of Directors of Capital Southwest Industrals, a public company traded under the symbol “CSWI” on the NASDAQ since 2015.

Dr. Livingstone’s many academic and professional accomplishments include serving as chair of the board of the international Association to Advance Collegiate Schools of Business (AACSB) from 2014 to 2015. The AACSB is the professional organization for business schools and accredits 786 of the best business schools globally across 53 countries and territories. She chaired the AACSB Committee on Accreditation Policy from 2015 to 2016.

Dr. Livingstone is a member of Oklahoma State’s Spears School of Business Hall of Fame and was the first recipient of the Outstanding Ph.D. Alumnus Award. She also was recognized in 2015 with the OSU Distinguished Alumnus Award.

BAYLOR FACULTY ATHLETICS REPRESENTATIVES
Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University’s Vice President and Director of Athletics on July 13, 2016.

Since his arrival, Rhoades has surrounded himself with a dynamic leadership team. Together, Rhoades and his administrative team have charted a new mission for the Baylor Athletics department: Preparing Champions for Life. No team or individual is successful without a championship process, and Preparing Champions for Life is centered on four pillars: Academic Achievement, Athletic Success, Social Responsibility and Spiritual Development.

As the executive director of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. Rhoades also oversaw a transformation of the business of athletics, resulted in acrobatics and tumbling’s third consecutive NCATA Championship, Big 12 Championship titles for women’s basketball and equestrian, as well as the women’s indoor track and field program’s first conference title. Additionally, the football team won the Motel 6 Cactus Bowl, earning back-to-back bowl victories for the fourth time in program history.

Baylor continued its successful run academically in 2016-17, recording its 17th and 18th consecutive semesters with 3.0 or better GPAs (3.27 in the fall, 3.26 in the spring). Baylor led the Big 12 in Graduation Success Rate (GSR) for the third straight year after 125 student-athletes earned degrees in the calendar year. Eleven of 15 BU athletics programs tracked by the NCAA matched or improved their Academic Progress Rate (APR), nine programs led the Big 12 with perfect one-year APR scores, 11 performed equal to or better than the national average and softball received an Academic Performance Program Award after recording a perfect multi-year APR score of 1,000. A total of 142 Bears were named to the Academic All-Big 12 Team and a school record and conference-leading 61 were named to the Academic All-Big 12 Rookie Team.

The Bears remain committed to giving back, as a total of 502 coaches, student-athletes, administrators and staff packed a school-record 139,968 meals at the annual Feed My Starving Children initiative. For the ninth consecutive year, Baylor’s Sports Mission Team traveled to share the love of Christ and serve as ministry partners in Maceio, Brazil. Additionally, more than 200 student-athletes regularly participated in Fellowship of Christian Athletes.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southwestern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers’ head football coach; wrestler J’den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers’ men’s swimming and diving team place a program-best eighth at the NCAA Championships; and Missouri’s football program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes—wrestling (sixth), men’s swimming and diving (eighth) and women’s swimming and diving (11th)—Missouri finished 43rd in the final 2015-16 Learfield Directors’ Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reigned the Cougars’ entire program, hiring 14 new head coaches, including 2015 FWAA First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success.

In nearly every academic measurement, including grade-point average and the NCAA’s Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston’s football team appeared in four bowl games during Rhoades’ six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly $100M and constructed $160M in new facilities during his tenure, including a new on-campus football stadium, a men’s and women’s basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation’s top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics’ fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed $4.5M to eclipse the previous mark of $3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston’s first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston’s highest national finish in the Learfield Directors’ Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean’s List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades’ Akron tenure was also marked by the construction of a $61.6M on-campus football stadium, the creation of a women’s golf program, three-time recognition for the department’s diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades’ tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet—as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chrysit negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men’s basketball, men’s golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor’s degree in health sciences from the University of Arizona (1993) and a master’s of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1992-93) before joining the UTEP staff in 1998.

Rhoades and his wife, Amy, have three daughters - Nicolette, Natalie and Noelle.
Betty Lou Mays Soccer Field is set in the plush backdrop of the Brazos River on University Parks Drive. The field is part of the Jim and Julie Turner Riverfront Athletic Complex, which includes Baylor Ballpark, Getterman Stadium and the Hurd Tennis Center.

The 2017 season marks the 19th year for the Baylor soccer team at Betty Lou Mays Soccer Field. The former Baylor Soccer Stadium was named during the 2000 season in honor of the late Betty Lou Mays of Amarillo, Texas. Mrs. Mays was the wife of Troy Mays, a 1945 graduate of Baylor; the two were longtime supporters of Baylor Athletics.

A number of upgrades over the past few years have really made “Betty Lou” a great soccer environment. Most recently, the program received a very generous $1.5 million gift from Billy and Elaine Williams of Naples, Fla., that helped create the $3.3 million Williams Family Soccer and Olympic Sports Center that opened in August of 2015 and was dedicated to the Williams family on Aug. 20, 2015.

In 2013, a new press box was added, featuring a pair of radio/TV booths, more media seats and amenities.

Thanks to a generous gift from the Troy Mays Foundation, over $250,000 worth of improvements were made to the Bears’ home in 2007. Through the gift, a gated fence was placed along the perimeter of the stadium to enclose the soccer field. The fence is supported by a number of brick-laid posts that are similar to those seen around the Baylor campus. In addition, a brick façade was added around the stands and the press box. The improvements give the facility more of a “stadium-feel.”

When Baylor introduced its soccer program in 1996, the Bears played at Baylor Soccer Field, next to the Baylor Marina. The Bears played at that location from 1996 through 1998, compiling a 26-2-1 record at home, including a perfect 8-0 mark in 1998. Baylor Soccer Field was the site of the program’s first-ever soccer game, played on Aug. 30, 1996, as the Bears beat Pittsburgh, 12-2, in front of 227 fans.

In 1999, the team moved just down the street to open what was originally called Baylor Soccer Stadium. The 3,000-seat stadium improved upon the old field by adding lights for night games, an improved press box, and a natural-turf playing field that features underground irrigation.

New benches and dugout areas were added prior to the 2000 season, highlighted with red brick and green steel to match the theme that runs throughout campus and the rest of the Turner Athletic Complex. Two years later, an upgraded sound system was installed to further improve the fans’ enjoyment of the game.

The largest crowd ever to see a regular season game at Betty Lou Mays Field came in 2002 as Baylor tied Texas A&M, 1-1, in front of 1,488 fans. The second-largest regular season crowd (1,372) attended the first game at the new facility against San Diego in 1999. The game marked the first time that Baylor played on its new home field and came on the heels of the Bears winning the first Big 12 championship in school history for any program the previous season.

The spring of 2001 saw the biggest crowd ever when Baylor hosted the Mexican Women’s National Team. A crowd of 1,810 fans saw the Bears beat the visiting Nationals, 3-1, on April 18, 2001, making the exhibition the largest home crowd in Baylor soccer history.
Thanks to a gift of $1.5 million from Billy and Elaine Williams of Naples, Fla., Baylor University created the Williams Family Soccer and Olympic Sports Center, an on-campus, $3.3-million facility approved by Baylor’s Board of Regents at its October 2013 meeting. The building opened in August of 2015 and was dedicated to the Williams family on Aug. 20, 2015.

Located near the entrance to the field, the 14,500-square-foot building provides the program and other student-athletes with a range of amenities. Its features include a coaches suite and locker and training rooms dedicated to the soccer program, encompassing approximately 2,300 square feet and including 35 player lockers. The facility also provides the team and other sports housed in the Turner Complex with a 5,000-square-foot weight room and visiting team locker rooms, as well as public restrooms and areas for concessions and laundry.

MEDI A INFORMATION

The Baylor Athletic Communications Office appreciates your interest in Baylor Soccer and looks forward to assisting you during the 2017 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media’s needs, as well as those of Baylor’s student-athletes and coaches to create a positive work environment for all concerned.

If additional information or assistance is required, please contact Jonathan Hill, Assistant Director of Athletic Communications, or any other member of the Baylor Athletic Communications staff. We appreciate your coverage of Baylor Soccer and look forward to working with you this season.

GENERAL INFORMATION

All requests for working media, radio, television or photo credentials should be made in writing by sports editors or sports directors of accredited media outlets on company letterhead. All requests should be made as early as possible and should be limited to working media only. Requests made within 24 hours of the game may not be considered. All credential requests should be sent via e-mail to Jonathan Hill, Assistant Director of Athletic Communications, at Jonathan_Hill1@baylor.edu.

Credentials will be available for day-of-game pickup at Betty Lou Mays Soccer Field media media will call (trainer or ticket office in the plaza outside between Getterman Stadium and Baylor Ballpark.)

There is no media parking at Betty Lou Mays Soccer Field and is available to the public on a first-come, first-serve basis.

Requests from individuals not employed by a media outlet will not be considered.

WEB-BASED MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualification) can request one (1) credential for the sole purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to “fan-submitted” or un-edited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

UNAUTHORIZED USE OF CREDENTIALS

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of Getterman Stadium as specified by the NCAA and Big 12 Conference.

Photo credentials are subject to revocation by the Baylor Athletic Communications Office at any time.

ADDITIONAL INTERVIEWS

Baylor players and coaches will be available for in-person or phone interviews before or after practice. Player interviews must be coordinated through Assistant Director of Communications Jonathan Hill at least 24 hours in advance. If a telephone interview is desired, the player will be provided with the number and will telephone the interviewer at a time that does not interfere with the student-athlete’s academic schedule. Student-athlete’s personal numbers will not be given out under any circumstances.

PRACTICE COVERAGE

All Baylor Bears practices are closed to the media and the public, unless otherwise authorized by Baylor Athletic Communications staff or the Baylor Soccer staff.

POSTMATCH INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Head coach Paul Jobson and requested players will be made available for interviews after the NCAA 10-minute cooling off period on the field at Betty Lou Mays Soccer Field.

Media are asked to submit a list of player interview requests to Jonathan Hill prior to the end of the game. The visiting SID will handle all requests for postgame media with the visiting team. If no visiting SID is available, media are asked to submit their request to Jonathan Hill.

PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of Getterman Stadium as specified by the NCAA and Big 12 Conference.

No flash photography is allowed during game action at Betty Lou Mays Soccer Field. Photographers will be removed from the facility, if not in compliance.
