**HEAD COACH GLENN MOORE**

Glenn Moore enters his eighth season as head coach at Baylor and his 11th full season as a collegiate head coach. Moore, who was selected to guide the Lady Bear program in June 2000, has a career record of 465-201 (.698). His teams have won at least 30 games each season of his Division I career.

The 2007 season was one for the ages, as Moore led Baylor to its fourth straight NCAA Softball Championship appearance and its first Women's College World Series berth. The Lady Bears finished 51-16, tying the school record for wins, and ended the season ranked fifth nationally, their highest ranking in school history. Moore also helped guide Baylor to the program's first Big 12 Conference regular-season title after collecting 14 league wins, the most in BU history. During the 2007 season, Moore collected his 400th career win on Feb. 17 with a victory over Iowa State, and also won his 300th game at Baylor on May 20 with a victory over Albany. For his efforts, Moore and his staff were recognized as the National Fastpitch Coaches Association Division I Midwest Region Coaching Staff of the Year.

In what has become a theme for Baylor softball, power-hitting and blazing speed were once again on display, as the 2007 Lady Bears led the Big 12 with 142 stolen bases and finished second in the league with 62 home runs. For the second straight season a player broke the school single season home run mark, as Ashley Monceaux blasted 20 home runs. In addition, Monceaux also broke the single-season records in batting average, hits, doubles, RBI, slugging percentage and OBP, while Tiffany Wesley set a new season record for stolen bases with 36.

The Lady Bears raked in numerous postseason awards in 2007 as Monceaux and Brette Reagan were named NFCA All-Americans, making it the second straight season that Baylor landed at least two players on the NFCA All-America squad. It was also the second consecutive year that a Baylor player took home the Big 12 Conference Freshman of the Year award, as Kirsten Shortridge earned the honor for her performance in the circle. In all, a school record six players earned All-Big 12 selections in 2007.

Baylor continued its excellence in the classroom, as five Lady Bears earned Academic All-Big 12 accolades, while two players were named *ESPN The Magazine* All-District selections.

In 2006, Moore became the first coach to lead Baylor to three consecutive NCAA Softball Championships as the Lady Bears finished 38-22 on the season and advanced to the NCAA Corvallis Regional final. Along the way, Baylor climbed as high as No. 10 in the national rankings and finished the season No. 20 in the polls.

The Lady Bears stepped it up 2006 Big 12 Conference under Moore as Baylor finished the season with a record of 12-6 in conference play, good for a third-place finish.

Hitting the long ball was the theme for Moore's team during the 2006 season as Baylor led the Big 12 Conference and established a new school record with 68 home runs on the season. The Lady Bears had four players hit at least 12 home runs as Chelsi Lake led the team with 18 home runs during the 2006 campaign.

Under Moore, several players received national recognition for their play during the 2006 season. For the first time in school history, Baylor landed at least two players on the NFCA All-America squad. Reagan picked up second-team honors while Lake was a third-team All-America selection. In addition, Reagan became the first player in school history to earn a Big 12 Player of the Year award as the freshman was chosen Big 12 Conference Freshman of the Year in a vote of league coaches.

In all, six players landed on the All-Big 12 Conference squad in 2006 while five players found their way onto the NFCA All-Midwest Region squad.

During Moore's tenure, six Lady Bears have received CoSIDA Academic All-America honors, and 22 players have received NFCA All-Midwest Region honors. In addition, Baylor players have earned 31 all-conference selections during his tenure while numerous Lady Bears have earned academic all-conference honors.

Moore is married to the former Janice Miller of Campti, La., who also made her mark on the Northwestern State campus. She is a former Southland Conference high jump champion and school record holder in the sport. The couple has two children: daughter Jacey Lynn (8) and son Ty Stewart (6).

**AND IT GOES ON AND ON AND ON AND ON...**

Baylor's doubleheader with No. 7 Oklahoma on April 30 turned out to be a marathon. From first pitch of game one to the final out of game two, 5 hours and 50 minutes had passed, helped by the 12 inning, 3 hour and 28 minute second game. Neither team was able to score in extra innings until the Sooners poured on five runs in the 12th to take the win.

Freshman Shaina Brock pitched valiantly, throwing 184 pitches over 11 innings of work.

The game was the longest for Baylor since a 1-0 win over North Carolina in 16 innings on May 20, 2004.

**ROUND TRIPPERS RARE**

Baylor has just 17 home runs on the year, the second lowest in the Big 12. The Lady Bears have hit three home runs in their last nine games, all off the bat of Brette Reagan.

**WESLEY WHITE HOT**

Sophomore Nicole Wesley has been white hot in conference play, compiling a .419 average to lead a Baylor squad that is hitting just .246 in Big 12 play.

**REAGAN CLIMBS HOME RUN LADDER**

Junior Brette Reagan's home run against Oklahoma on April 30 gave her 30 in her career. She needs eight more to reach Kelly Osburn in second with 38 and 14 more to tie Chelsi Lake's mark of 44.

**WALK IT OUT**

Reagan became Baylor's all-time leader in walks on April 29 and now has 109 for her career.

**TOO MANY TWO OUT RUNS**

Baylor's pitching staff has given up 168 runs heading into these last three games, but 67 of them (40 percent) have come with two outs. That averages to 1.52 extra runs a game coming with two outs on the board.

**LADY BEARS LEAD BIG 12 OFFENSE**

Baylor's .307 overall team batting average ties for the league lead with Texas A&M. The Lady Bears have four of the top 20 individual batting averages in the Big 12. Nicole Wesley (.383) is third, Brette Reagan (.381) is fourth, Kirsten Shortridge (.362) is ninth and Jordan Daniels (.349) is 13th. No other conference foe has as many players in the top 20.

**STEALING THIS MUCH SHOULD BE CRIMINAL**

The 2008 Lady Bears are continuing their reputation of speed on the basepaths, stealing 82 bases in just 44 games. That mark is second in the conference behind Missouri, who has played 14 more games.

**FINALLY!**

Baylor had gone 35.1 straight innings without holding a lead in a ballgame until the top of the sixth in an April 2nd game against Texas, when Meagan Weldon hit a sac fly to right to score Oberg and give BU a 2-1 advantage.

**BUCK THE TREND**

The Lady Bears' come from behind win on April 2 against Texas was just their second of the season when trailing after six innings. The other happened on March 8 against Illinois-Chicago when Baylor scored three in the seventh to win 7-6.

**NEAR NO-HITTERS**

On March 2 against Louisiana-Monroe, freshman Shaina Brock found herself one out away from a no-hitter. A come-backer to the circle that would have been the third out was bobbled by Brock allowing another batter to come to the plate. She doubled down the left field line, ending the no-no, however Brock got the next batter out, recording the 19th one-hitter in Baylor softball history.

Kirsten Shortridge also had a near no-hitter on April 13 at Nebraska. Her one hit allowed was a fly ball down the left field line that Tiffany Wesley had to chase down and see go in and out of her glove

**RAIN, RAIN, GO AWAY**

The weather has been just another foe that they Lady Bears have had to focus on this season. Baylor has had eightn games cancelled due to weather, and one postponed. Included in those rainouts were two games at the Baylor's Getterman Classic, a doubleheader at home against Oklahoma Christian, a game against Team USA that was scheduled for March 6 and most recently, an April 27 showdown with Missouri.

**REAGAN RIPS ON ROADTRIP**

Junior Brette Reagan found the softball parks very friendly on the team's recent roadtrip to San Antonio and Florida. She hit .522 (15-for-27) with two home runs and eight RBI to help lead Baylor to a 5-3 mark.

**CLEAR THE BASES**

Junior Brette Reagan hit the first grand slam of her career on Feb. 23 against Cal State Fullerton at the Palm Springs Classic. The bases-clearing blast was the first by a Lady Bear since Kelsey Sage hit one against Purdue on Feb. 10, 2007.

**DANIELS NAMED BIG 12 PLAYER OF THE WEEK**

Senior Jordan Daniels was named Big 12 Softball Player of the Week, the conference office announced on Feb. 19. The selection was the first of Daniels' career and the 14th time in program history a Lady Bear has been honored.

Daniels hit .643 (9-for-14) with two doubles, three home runs and seven RBI in Baylor's four games at the Gettnerman Classic and led the tournament field in almost every offensive category, including a 1.429 slugging percentage. Her three run blast on to tie the game in the fourth against Purdue marked the first of her Lady Bear career, as she was responsible for seven of the 23 Baylor runs over the weekend.

**LADY BEARS PICKED THIRD IN BIG 12 CONFERENCE PRESEASON POLL**

In a pre-season vote conducted by league coaches, the Baylor softball team has been picked to finish third in the Big 12 Conference the league office announced Thursday. The Lady Bears were picked to finish second last season.

Texas A&M (79 points) received seven of the possible 10 first-place votes to edge out second-place Oklahoma, which earned 70 points, including one first-place tally. Baylor came in third (64 points) with two first place nods followed by Missouri, Texas and Nebraska. Filling the remaining spots in the preseason ranking were Texas Tech, Oklahoma State, Kansas and Iowa State.

**BAYLOR LANDS PAIR ON NATIONAL PLAYER OF THE YEAR WATCH LIST**

Junior Brette Reagan and sophomore Kirsten Shortridge have been selected to the initial "Watch List" for the seventh annual USA Softball National Collegiate Player of the Year Award, the Amateur Softball Association announced.

Reagan, a two-time All-Big 12 selection, is the only two-time All-American in Lady Bear softball history. The Magnolia, Texas, native started all 67 games on Baylor's Big 12 Championship team in 2007 and was second with a .341 average. She also added 10 home runs and 46 RBI, while also setting a new Baylor single-season record with 45 walks. Heading into the 2008 season, the junior is tied for fifth on the Baylor all-time home run list with 22 and is eighth on the RBI list with 90.

Shortridge was the 2007 Big 12 Conference Freshman of the Year and a first-team All-Big 12 Conference selection last season. She went 17-6 with a 2.14 ERA in 34 appearances in 2007. The Keller, Texas, native threw 167 innings, striking out 125 with opponents batting just .211 against her. Shortridge also had a solid season at the plate, as she ranked first among freshman and 12th in the Big 12 Conference with a .340 batting average after registering 16 multiple-hit games on the season, third among Baylor players.

The award, which is considered one of the most prestigious honors in women's collegiate softball, is designed to recognize outstanding athletic achievement by female collegiate softball players across the country.

The 2008 Pre-Season Watch List is comprised of 50 players representing 34 schools and 14 different NCAA Division I Conferences. The ASA will announce the 25 finalists on April 9. A player does not have to appear on the initial watch list to be considered as a Top 25 finalist, but once the Top 25 is named the remaining finalist must be selected from that list.

Just days before the start of post-season play, a list of 10 finalists will be named and released on May 7. The final three finalists will be announced May 21 while the winner of the 2008 USA Softball National Collegiate Player of the Year Award will be announced prior to the start of the 2008 NCAA Women's College World Series in Oklahoma City.

**REAGAN NAMED FIRST-TEAM PRESEASON ALL-AMERICA**

For the first time in her career, junior Brette Reagan was named first-team preseason All-America by both espn.com and CSTV. This marked the second-straight season that a Lady Bear player has been named preseason first-team by espn.com, as Chelsi Lake earned the honor in 2007. It is the first time a Baylor player has been named to the CSTV list, however.

**STRUGGLING AT HOME**

Baylor has just a 11-10 record at home in 2008, although Gettman Stadium has been kind to the Lady Bears as BU owns a career 184-65 (.739) mark at the home park since the stadium opened in 1999.

Last year, Baylor went a program-best 30-3 (including 2-1 in postseason play) in the friendly confines of Gettman Stadium as no Lady Bears team has lost more than 10 games at home in a single season.

In the stadium's seven years of existence, attendance has steadily risen as Baylor set attendance records in 2007. Last season, Baylor had five sellout crowds and 11 of the top-20 crowds in stadium history. The Lady Bears also broke total season attendance and season average records with 24,222 people coming through the gates, an average of 847 per contest.

**BAYLOR RANKED PRESEASON TOP 10**

For the fourth consecutive season, the Baylor softball team found itself in the USA Today/NFCA Top 25 Preseason Poll. The Lady Bears started out the 2008 season ranked No. 8 in country; their highest preseason mark in program history. In addition, the Amateur Softball Association (ASA) announced its 2008 ESPN.com/USA Softball Collegiate Top 25 Preseason Poll ranking Baylor No. 9.

Baylor is one of five Big 12 Conference school ranked in the preseason polls as Texas A&M (No. 2, No. 3), Oklahoma (No. 5, No. 5), Texas (No. 22, No. 24) and Missouri (No. 25, No. 21) join the Lady Bears in the polls.

Arizona, the two-time defending national champion, opens the season as the top-ranked team in both polls.

**INTERVIEWS**

Baylor softball head coach Glenn Moore is available for interviews most weekday mornings between 9 and noon. Moore will also be available briefly prior to daily practice and at the end of practice. On game days, Moore will only be available for post-game interviews except in cases of special dispensation.

Athletes will be made available for interviews at the same times as Coach Moore, save weekday mornings. With the exception of post-game interviews, all requests for athletes must be made no less than 24 hours in advance.

**WEBSITES**

Fan-based websites, containing at least one or more of the following: chat rooms, message boards, recruiting information, scouting reports and links to news sites, as well as other fan-based features, shall not be issued credentials. Local and national organizations which maintain a news-based website in connection with its regular newspaper or magazine, as well as radio or television broadcast, shall be issued credentials on a game-by-game basis. Live, real-time updates of Baylor home games are the property of Baylor University and unauthorized transmission of such will not be permitted.

**UNAUTHORIZED USE  
OF PRESS CREDENTIALS**

Press credentials will be issued to working press only. Press credentials are not transferable and use by anyone other than members of the working press is unauthorized. Press credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year.

**STRONG SCHEDULING**

The 2008 schedule begins at home for the seventh straight season as Baylor hosts Syracuse, Purdue and Centenary in the seventh annual Gettnerman Classic.

"I like opening up at home and playing in Gettnerman Stadium in front of our home crowd," Moore said. "It benefits our girls to have another day of practice and not have to spend that day as a travel day."

Following that is a trip to Palm Springs, Calif., where the Lady Bears will play five of their six games against teams that advanced to the 2007 NCAA Tournament, including No. 20 Oregon, UMass, No. 1 Arizona, No. 14 UCLA and No. 21 Cal State Fullerton.

A trip to Clearwater, Fla., for the USF Under Armour Invitational will be highlighted by a chance to play the USA National Team. Add those tournaments to an already tough Big 12 schedule, and you have the makings of one of the nation's toughest schedules.

"You try to match your schedule to your team," Moore said. "The Palm Springs tournament will give us all the testing we need to see where our team is at early. I think the USF Under Armour Invitational will be the best field they have ever had. We are going to grow up a whole lot early in the year. I am going to tell you one thing, we are not going to take a step back."

**BAYLOR SIGNS FIVE DURING EARLY SIGNING PERIOD**

Baylor softball head coach Glenn Moore announced the signing of five student-athletes to National Letters of Intent Wednesday. The class, made up entirely of high school athletes, includes five players from three states.

"This is another very good class," Moore said. "We have outstanding students in this class who are also some of the best athletes in the country. Speed and versatility, with a very well developed left handed pitcher, will make this class one of the best in the country."

The signing class includes the following players: Whitney Canion (LHP, Aledo HS, Aledo, Texas), Bree Hanafin (SS/OF, Yorktown HS, Arlington, Va.), Megan Turk (UTL, Smithson Valley HS, Bulverde, Texas), Kayce Walker (OF, Franklin HS, Franklin, Texas) and Sydney Wilson (INF, St. Joseph Academy, Baton Rouge, La.)

**Whitney Canion, LHP**

Canion, an all-state selection at Aledo High School, helped lead her team to a district title in 2007 after wrapping up MVP honors during the title run. The 5-11 lefty is a member of the Texas Glory Gold summer team.

"Every pitching staff needs a lefty," Moore said. "Whitney is one of the best in the country. Along with Lisa Ferguson and Kirsten Shortridge, Whitney was a student in the pitching school of Ken Graves. She will be a big time pitcher in Division-I softball."

**Bree Hanafin, SS/OF**

Hanafin, a first team all-district and all-region selection last season, is a two-time Yorktown High School MVP. The shortstop, who also lettered in track, is a member of the Virginia Shamrocks Gold.

"Bree is the prototype athlete every coach wants," Moore said. "She has the triple threat of the short game, power (both sides of the plate) and speed. She plays shortstop and outfield for Tommy Orndorff's national powerhouse program, the Virginia Shamrocks."

**Megan Turk, UTL**

Turk helped lead Smithson Valley to its 10th straight district title in 2007. A member of the Texas Royals Gold summer team, Turk is also one of the top players on the SVHS basketball team.

"Megan is a very hard worker and loves getting dirty," Moore said. "She comes from Smithson Valley (home of former Baylor softball player, Harmony Schwethelm) where she was coached by Wayne and Lisa Daigle, and no one prepares their athletes for college better than the Daigles."

**Kayce Walker, OF**

Walker, who has been named all-district, offensive player and newcomer of the year during her three years at Franklin, is a product of Stoney Burk's Impact Gold from Houston. She also lettered in basketball and volleyball during her three years at FHS.

"Like all of the 2008 class, Kayce is a tremendous student first," Moore said. "However, she can play the game just as well. We believe Kayce has the potential to become one of the top slappers in the nation. She has the wheels and will utilize that speed in the outfield."

**Sydney Wilson, INF**

Wilson, a first team all-metro selection in last season, was named MVP of St. Joseph Academy for the second-straight year in 2007.

"Sydney is a competitor," Morre said. "She's a middle infielder with big time pop and a great arm. Sydney is another athlete from a legendary program and one of the top summer ball coaches in the Nation, the Louisiana Patriots and long time coach, Ben Guidry. "

**BAYLOR SOFTBALL RADIO NETWORK**

The ISP-Baylor Radio Network crew will again this season provide live play-by-play broadcast for Baylor softball games.

Derek Smith handles play-by-play duties with former Baylor player Chelsi Lake providing color analysis. Smith is in his third season serving as play-by-play voice for the Lady Bears and also serves as a public address announcer for Baylor men's and women's basketball games. Lake is in her first season in the broadcast booth.

Selected games can be heard on the flagship station of the Baylor Lady Bears, ESPN Radio 1660 AM or 104.9 FM in Waco. Also, every Baylor game is also available worldwide on the internet at [www.BaylorBears.com](http://www.BaylorBears.com).
