

2006 NCAA WOMEN'S TENNIS CHAMPIONSHIPS

First & Second Round – Baylor University – Waco, Texas

POSTMATCH QUOTES

First Round – May 12, 2006

Baylor 4 vs. Texas Southern 0

Baylor head coach Joey Scrivano:

“Well, we were the better team today. I’m really proud of our walk-ons. [Rachel] Clark did a great job on court six and Sammi [Gottlich] gave a solid effort at No. 3 doubles. We just wanted to reward their efforts all season. It’s a special thing to be able to play in the NCAA tournament.

“Texas A&M is always tough. They know us really well and we know them really well. Mentally we knew going into the tournament we would probably have a conference rival in our regional play. It will be a great match to watch and hopefully we’ll get a good crowd. We need to play smart and disciplined, and hopefully we’ll win.”

Texas Southern head coach Alberto Rojo:

“They were playing against their opponents and nerves when the matches began. But they began to settle down for the singles.

“This is a stepping stone for us. Most of my players are freshmen and sophomores and they played well for their first time competing at this level. We will be back again next year and we will definitely get past the first round.”
