

Boise State Track and Field Officials Needed

Interested in helping to put on high quality NCAA Track and Field Meets? Boise State hosts 5 indoor track and field meets and 1 outdoor track and field meet each year. Running successful meets takes quite a bit of organization and a lot of great people so we would love to have you help officiate at a few or all of our home meets. No experience needed – we will train you.

Please signify which track & field meets you would be able to work. Either e-mail this form back to travishartke@boisestate.edu or you can send it to Travis Hartke, Boise State Track and Field, 1910 University Drive, Boise, ID 83725-1020. If you have any questions, you can call Travis as well at 208-789-1725.
