## Boise State Football

### High School Camp Series

#### ELITE CAMP – JUNE 10-11

The purpose of our Elite Camp is to make everyone who attends a better football player. We emphasize championship technique in the game of football and life, to give each player and team attending the competitive edge.

Through selected non-contact drills our goal is to improve a young player's performance in the game of football. Campers will be able to receive personalized instruction from the Boise State football coaching staff. We stress individual technique and football fundamentals, which will allow campers to return to their respective programs with an improved understanding.
