

HIGH SCHOOL CAMPS

ELITE CAMP (JUNE 9-10)

The purpose of our Elite Camp is to make everyone who attends a better football player. We emphasize championship technique in the game of football and life, to give each player and team attending the competitive edge. Through selected non-contact drills, our goal is to improve a young player's performance in the game of football.

Campers will be able to receive personalized instruction from the Boise State football coaching staff. We stress individual technique and football fundamentals, which will allow campers to return to their respective programs with an improved understanding.

Camp participation is open to any and all entrants (limited only by number, age, grade level and/or gender).

BOISE STATE TEAM SHOWCASE (JUNE 16-19)

For players looking for contact drills, extensive position work and 11-on-11 scrimmage situations, our Boise State Showcase and Team Camp is also available. The three and a half day camp is a padded, contact camp that contains individual position work, skill development, 7-on-7 round robin games and team scrimmages. Individual campers can attend the camp and will be put together to form team rosters and compete during scrimmages and team-focused practice periods. These teams will be coached by members of the Boise State coaching staff and guest coaches.
