

BSU SOCCER

Finishing & Goalkeeping Academy

Details:

Just because it gets dark and cold, doesn't mean soccer stops! BOISE STATE FINISHING & GOALKEEPING ACADEMY is there to sharpen your scoring or shot blocking skills in the comforts of the Bronco's own Caven-Williams indoor facility!

Academy sessions are open to any and all 10-18 year old boys and girls and junior college prospects to the age of 22.. All field players will work with Head Coach Jim Thomas and Assistant Coach Ed Moore on elite finishing technique development; from power and placement to curling and knuckling to side volleys and scissor kicks.

Goalkeepers will work with BSU goalkeeping coach, Maite Zabala. They will train along side the Finishing

Academy touching on handling, shot blocking and crossing; with the conclusion of the session bringing both pieces together for live situational finishing/ goalkeeping.

We currently anticipate two sessions. Session 1 (10-13 yr old) & Session 2 (14-18 & JC prospects yr old). *Due to influx in enrollment, we reserve the right to move players on the age cusp for coach to player ratio issues.*

Dates: January 7, 14, 21 & February 4, 10, 11, 17, 18

Where: Caven-Williams Complex

Times: 5:30-6:45pm & 6:45-8pm

Contact: Please contact Maite Zabala for any questions you may have!
