

2017 Setter Training Camp

Dates: June 5, 2017

Grades: Incoming 9th-12th

Camp Description

- The Positional Setter Training Camp is designed for the volleyball player who has club team and/or varsity experience. This camp offers an opportunity for players entering grades 9-12, to experience setter specific training including setting technique, dumping, defense and location. Our staff will challenge players, with an emphasis on refining technique and learning the tactical aspects of the game required from the setting position. This session is ideal for the experienced setter who strives to be the best. Camp participation is open to any and all entrants (limited only by number, age, grade level and/or gender).
