

2018 Elite Training Volleyball Camp

Dates: July 20-22, 2018

Grades: Incoming 10th-12th

Camp Description

- The Elite Training Camp is designed for the volleyball player who has high level club team and/or varsity experience to receive high level training. Our staff will challenge players, with an emphasis on refining technique and learning the tactical aspects of the game through high level competition. This session is ideal for the experienced player who strives to be the best and continue their playing career beyond high school. We expect players that attend this session to be serious about their development as a volleyball player. A positive attitude and outstanding work ethic are a must in this environment. Camp participation is open to any and all entrants (limited only by number, age, grade level and/or gender).
