A "first-class" venue capable of seating 4,000 spectators for sporting and other campus events, the pavilion has walk-down access to all seats and unobstructed views of the playing surface or concert stage for all spectators. The seating bowl features approximately 1,500 fixed seats and 2,500 retractable seats, enabling an "expandable" open floor area with sufficient space for three basketball courts for recreational activities and varsity practices. The spacious upper-level concourse includes two concession areas, restrooms, handicapped seating and several suites that overlook the floor. Behind the scenes, on the floor level, Sojka Pavilion provides a green room for performance acts and other functions, a catering kitchen for special events, ticket windows, locker room space for home and visiting teams and officials, and a loading dock capable of accommodating team buses and production trucks for televised events.
