**FOR IMMEDIATE RELEASE**

**(Brea, CA) Association of Collegiate Water Polo Coaches All American Academic Team Announced.**

The ACWPC is proud to announce the 2006 Men's All-American Academic Team. The athletes demonstrated excellence in the classroom as well as in the pool. "Managing a strenuous course load while participating in an intercollegiate sport is a very challenging task", said ACWPC Executive Director, Mike Lewis. "We are proud to see such a large number of athletes (164) meet the criteria of a GPA of 3.2 and above. This is emblematic of water polo's tradition of supporting both academic and athletic prowess."

The ACWPC is a non-profit organization devoted exclusively to the interest of college water polo. For more information on the association please visit our web site at: [www.collegewaterpolocoach.org](http://www.collegewaterpolocoach.org)
