BUCKNELL DEPARTMENT OF ATHLETICS MISSION STATEMENT

The Department of Athletics and Recreation strives to set the standard of excellence for intercollegiate and intramural programs in higher education, thereby advancing and drawing attention to the mission, core values, and educational goals of Bucknell University.

The Department believes that student-athletes' academic programs must be their first priority. It is therefore committed to maintaining Bucknell's high national ranking for student-athletes' graduation rates and for producing Academic All-Americans, and to continued leadership of the Patriot League in Academic Honor Roll nominations, based on grade-point averages. The coaches' and staff's paramount responsibility is maintaining academic priorities and supporting student-athletes' education, even while providing the rigorous and serious NCAA Division I athletic opportunities Bucknell student-athletes seek.

Further, the Department promotes the personal growth of student-athletes and the general student body by encouraging personal health, development, and balance among intellectual, social, civic, and physical pursuits; by celebrating challenge and competition; and by preparing participants for service and leadership in the world. Coaches and staff direct a rich array of athletic programs and recreational opportunities aimed at increasing student engagement, as well as strengthening character, healthy living, teamwork, sportsmanship, and spirit. In creating shared experiences for students, faculty, and staff, as well as alumni, family, and friends, the Department's programs add substantially to Bucknell's sense of community and foster life-long relationships with Bucknell.

The Department embraces the University's decision to compete at the highest extramural level, in Division I of the National Collegiate Athletic Association (NCAA). Division I membership is valuable not only because this level of competition maximally challenges student-athletes, but also because it signals clearly Bucknell's high standards and seriousness of purpose in all extracurricular endeavors and it helps position Bucknell apart from other National Liberal Arts Colleges. Likewise, the competitive success the Department seeks, measured in part by consistent contention for the Patriot League Presidents' Cup, reflects positively upon Bucknell's student-athletes and the University alike, and it brings distinction and national recognition to Bucknell.

A student-centered operation, the Department is committed to providing equitable opportunities to women and men, as well as members of minority and majority groups of all kinds. The Department subscribes to, and complies with, all principles and regulations of the Patriot League, the Eastern College Athletic Conference, and the NCAA.

WHAT IT MEANS TO BE A BISON

"... THE PURSUIT OF ATHLETICS IN COLLEGE NEED NOT INTERFERE WITH A FELLOW'S STUDIES, AND IF YOU GIVE A BOY A WELL DEVELOPED BODY HIS BRAIN WILL GET THE BENEFIT OF IT."

— CHRISTY MATHEWSON IN HIS BOOK WON IN THE NINTH, WRITTEN IN 1910

The term "student-athlete" signifies something extraordinary on the campus of Bucknell University.

Being a Bison means that you have the rare blend of physical skills along with the drive and passion needed to succeed at the highest level of collegiate athletics.

Being a Bison also means that you are a scholar first and foremost. You believe that values associated with Division I athletics, such as time management, leadership, teamwork and grace under pressure, are but a part of a well-rounded college experience.

At Bucknell, our students, faculty and staff pride themselves as national leaders in upholding the scholar-athlete ideal that balances a challenging academic program with the demands of successful Division I athletics.

Being a Bison means that you have pledged to be a student-athlete in the purest sense. In doing so, you will be rewarded for a lifetime.

The 2008-09 Bison

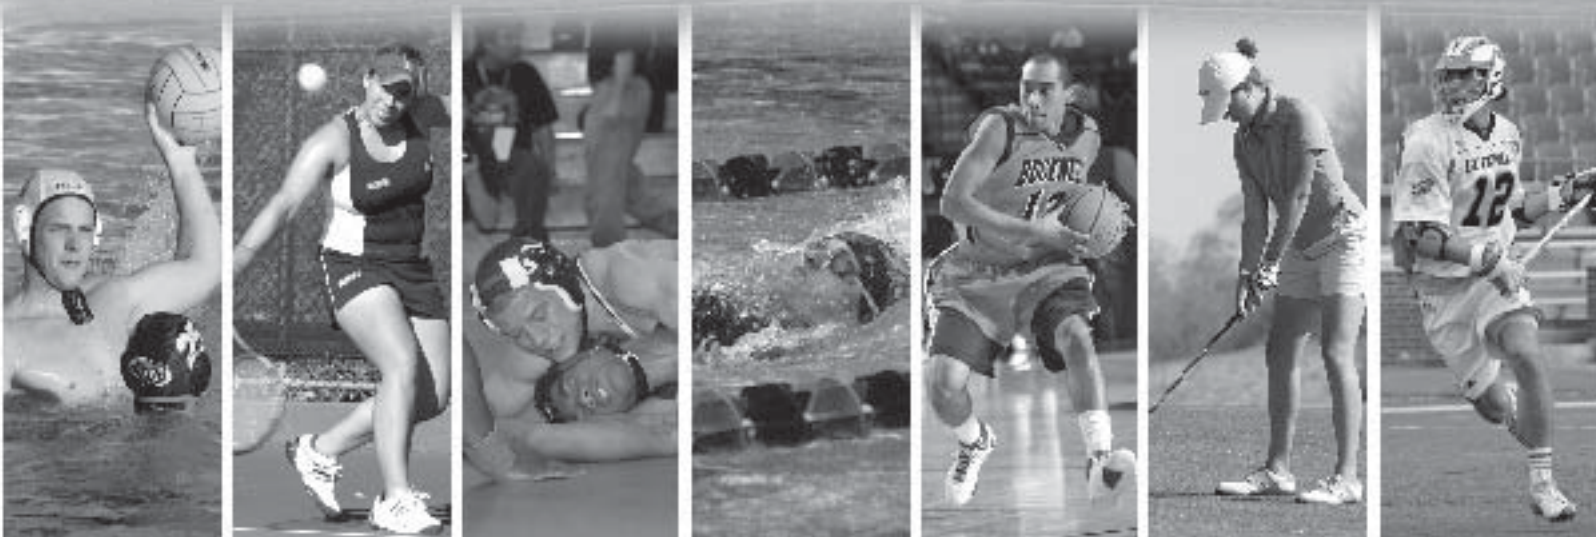

Bucknell Bison Athletics

Setting the Standard of Excellence

Bucknell takes great pride in its commitment to excellence on and off the playing fields. From Presidents' Cups to Academic All-Americans to graduation rates that are ranked annually in the national top-10, Bucknell is clearly at the head of the class when it comes to upholding the scholar-athlete ideal.

- According to federal data released in the fall of 2006 by the NCAA and reported on by the Associated Press and The Chronicle of Higher Education, Bucknell's four-year student-athlete graduation rate was highest in the nation among student-athletes who entered college between the 1996-97 and 1990-2000 academic years. Bucknell was one of four institutions to graduate at least 90 percent of its student-athletes who enrolled during that four-year period. Bucknell posted a 93-percent rate, followed by Davidson (90 percent), Duke (90 percent) and Georgetown (90 percent).
- Bucknell has claimed 112 Patriot League Scholar-Athletes of the Year since the league's inception as an all-sports conference in 1990-91. That is more than twice the next-highest total.
- A total of 344 Bison appeared on the Patriot League Academic Honor Roll in 2007-08 after recording a GPA of 3.2 or better during their sport's competition season. Among all BU student-athletes, 244 made the Dean's List with GPAs of 3.5 or better in the spring of 2008.
- 24 of Bucknell's 27 varsity squads posted team GPAs of 3.0 or better in the spring of 2008.
- In addition to the 116 *ESPN The Magazine* Academic All-Americans produced since 1970, Bucknell has also claimed 254 Academic All-District honorees over the same span, including a school-record 20 in 2006-07.
- With five more Patriot League championships in 2007-08, Bucknell has now earned 70 crowns in 18 years in the league. In addition, Bucknell has had 90 conference players of the year, 78 PL coaches of the year and a whopping 456 individual league champions from sports such as cross country, track & field, swimming & diving, tennis and golf.
- Bucknell has captured the Patriot League Presidents' Cup, signifying the league's all-sports champion, 14 times in the 18-year history of the affiliation, including 10 of the last 11 years. Bucknell claimed the overall, men's and women's Cup standings in 2007-08, when the Bison teams won five Patriot League titles. It was the 11th straight year and the 14th time overall, that the Bison took home the women's title. In 2007-08, Bucknell won Patriot League titles in women's cross country, women's indoor track & field, women's basketball, women's rowing and baseball. Additionally, the women's soccer squad collected its second consecutive regular-season crown.
- Bucknell ranks FIFTH in the nation (to Nebraska, Notre Dame, Penn State and Stanford) in total number of *ESPN The Magazine* All-America selections.
- A major element in ensuring Bucknell's commitment to athletics excellence is the Kenneth G. Langone Athletics & Recreation Center, which opened fully in 2003. One of the finest collegiate athletics facilities of its kind, the center includes the 4,000-seat Sojka Pavilion, the Olympic class Kinney Natatorium, the Krebs Family Fitness Center and the Berger Family Weight Room. A Hall of Fame area, a display of Bucknell's Medal of Honor recipients, a new Academic All-America wall, a sports medicine suite, modern offices for coaches and staff, and locker room and classroom space are also included in the facility's layout.

Bucknell Bison Athletics

A National Model in Promoting the Scholar-Athlete Ideal

Bucknell Athletics is first and foremost a student-centered organization, one that strives to be a national model when it comes to operating by a true scholar-athlete model. At Bucknell, student-athletes' academic programs are their first priority, and providing a competitive Division I athletics program only advances the mission, values and residential learning goals of the university. To that end, the Department of Athletics and Recreation proactively seeks ways to assist student-athletes in their daily academic pursuits. Below are just some of the student-athlete support programs currently in place.

FACULTY ATHLETICS REPRESENTATIVE: The faculty athletics representative (FAR) is a member of the faculty or administrative staff who is designated to represent Bucknell in its relationships with the NCAA and the Patriot League. Bucknell's FAR is Mitch Chernin, Professor of Biology. The FAR can enhance the student-athlete experience by promoting a balance between academics, athletics and the social lives of student-athletes, which affords them opportunities to enjoy the full range of collegiate experiences available to students generally.

SIDELINE COACH PROGRAM: This program is a truly unique initiative in Division I college athletics, and it involves the invitation of a member of the faculty, administration, staff or community by one of Bucknell's 27 varsity teams. The participant has the opportunity to discuss the overall program with the respective coaching staff, including practice preparation and strategy for the upcoming contest. The sideline coach attends a practice session and an actual intercollegiate competition, where he/she is introduced to the team and gains rarely seen insight into the relationships that exist between player-coach and player-player. The purpose of the Sideline Coaches Program is to foster a better understanding by the faculty and administration of the roles played by coaches and athletes in the university's competitive intercollegiate athletic arena.

ACADEMIC ENHANCEMENT CENTER: In the Fall of 2005, the Department of Athletics opened a study/computer lab for student-athletes on the concourse level of Sojka Pavilion. The center is outfitted with computers, a laser printer, four television monitors and a projection unit with computer, VCR and DVD player. Additionally, the study lab can be used as a meeting place for group projects, tutorial area or just a secluded and quiet study space before or after practice.

LAPTOP PROGRAM: The Department of Athletics owns a number of laptop computers that may be signed out by student-athletes for use on away trips.

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC): Representatives from each varsity team comprise the SAAC, which is designed to enhance the total student-athlete experience by promoting opportunity, protecting student-athlete welfare, and fostering a positive student-athlete image. The Committee is an invaluable resource for promoting communication between athletics administration and student-athletes; promoting communication between athletics and campus-wide administration; providing feedback and insight, as well as soliciting responses into department issues and proposed NCAA legislation; building a sense of community within the athletics program involving all athletics teams; organizing community service projects and efforts; creating a vehicle for student-athlete representation on campus-wide committees; serving as a collective voice of campus student-athletes; and disseminating information to the student-athlete body.

OTHER PROGRAMMING: The Department of Athletics, through the identification of outside speakers and periodic "Brown Bag Luncheons," thrives to enhance the quality of the student-athlete experience as well as to educate student-athletes on a variety of issues that may affect them throughout their collegiate career. Some recent topics of interest have been alcohol, nutrition, body image, hazing, sexuality, diversity, career development, study skills, religious life and gambling.

SEASON OUTLOOK

The Bucknell wrestling team has had a successful first two years under head coach Dan Wirnsberger, who brought the program back to varsity status after his hire in May 2005. However, the bar will be raised this year as the squad will finally have experienced wrestlers as the first class of Wirnsberger's recruits enter their junior years in 2008-09.

The Bison have won 21 dual matches over the last two years and have had four wrestlers qualify for the NCAA Championships a total of six times. Wirnsberger expects to improve on that success now that he has talented wrestlers with experience for the first time.

"We are more mature and a year older," said Wirnsberger in the preseason. "We have a good group of juniors, experienced sophomores and a talented freshman class. I am excited about our progress and we continue to strive to reach our goals of becoming All-Americans and national champions."

With that experience, which Wirnsberger states is now taking on a larger leadership role, the Bison will face a difficult schedule in 2008-09 as they host preseason No. 5 Missouri in their season opener and make a trip to No. 1 Iowa in January. A handful of other ranked squads will also square off against Bucknell, which battled five ranked foes in 2007-08.

125 - Projected Starter..... José Matos or Derek Reber

Sophomore José Matos and freshman Derek Reber, a standout at Lewisburg Area High School who chose Bucknell and will wrestle in front of his hometown fans for four years, will battle for the starting position at 125. Matos posted a 12-11 record as a freshman and placed in the top five at three different tournaments.

"José has a year under his belt and he knows what he is capable of, so we will expect even more from him this year," mentioned Wirnsberger.

Reber won a PIAA state title and was a NHSCA Senior National Finalist before arriving at Bucknell and posted a 3-1 win over Matos in the team's preseason intrasquad match.

"The 125-pound weight class is loaded with talent and we are expecting at least one of these two young men (Matos, Reber) to make an impact on the national scene."

133 - Projected Starter..... David Marble

There is only one wrestler on the roster at 133 pounds and it is easy to see why. That wrestler is David Marble, a junior who has qualified for the NCAA Championships in each of his first two years as a Bison. Marble, who was nationally ranked most of last year, has a two career wins at the NCAA Championships and he finished second in the 133-pound weight class at the EIWA Championships last March.

Marble, who works closely with Bison assistant coach Dave Hoffman, has piled up a 51-22 career record with six wins by pinfall and 32 dual-match victories.

"David has been one of our most consistent performers the last two years," described Wirnsberger about the third-year team captain who was ranked nationally by a handful of preseason polls. "With his work ethic and experience, he could undoubtedly contend for an NCAA title."

141 - Projected Starter..... Luke Chohany Keep an eye on.....Adam Healey

A starter in Bucknell's final 18 dual matches last season, Luke Chohany should hold onto his starting spot as he moves into his junior year. After wrestling just twice as a freshman in 2006-07, Chohany piled up 20 wins last year to rank fifth on the team. Six of those victories were against EIWA foes in dual matches as Chohany was 6-1 in those situations.

"Luke is our most dedicated student-athlete on the mat and in the classroom" commented Wirnsberger. "With his success in the second half of last year, I expect Luke to carry that momentum into this season and have a breakout campaign."

Depth at 141 is not a concern for Wirnsberger, who can also turn to freshmen Adam Healey and Wade Baldwin, who are both dedicated and talented young athletes.

149 - Projected Starter..... Kevin LeValley Keep an eye on..... Jack Conroy, John Regan

Coming off a freshman campaign when he was the full-time starter, won seven of his first eight matches and posted a team-high 11 wins by major decision, Kevin LeValley should hold onto that position. However, junior Jack Conroy sophomore Gavin Johnston and freshman John Regan will push LeValley as the year moves along.

"With a terrific freshman year under his belt, we expect Kevin to perform at a very high level this season," predicted Wirnsberger, who is very confident about the talent and depth the team possesses at 149 pounds.

"We feel extremely comfortable and confident with Conroy or Regan stepping into the starting role due to their strong work in the wrestling room."

157 - Projected Starter..... Ryan Ochalek Keep an eye on.....Tyler Riccio

Wirnsberger sees as many as five wrestlers competing for time at 157 pounds, but Ryan Ochalek moved to the front of the line in the preseason thanks to the strides he made when training over the summer. Tyler Riccio, Scott Sechler and freshman Nicholas Czaplak will push Ochalek for the starting spot in the young weight class that has three sophomores and one freshman.

165 - Projected Starter..... Andy Rendos

Andy Rendos, a two-time NCAA qualifier and the program's seventh-best wrestler by winning percentage (.764), is slotted to start at 165 pounds once again. With 55 career wins the third-year team captain paces all current Bison and is in position to challenge Bobby Ferraro's career mark by the end of his career.

"With as much success as Andy has had the past two seasons, we know he is capable of moving up the ranks and contending for All-America status and an NCAA title," said Wirnsberger of his wrestler who was showered with preseason accolades. "He has progressed well in the offseason and will be looking to make a national statement this season."

174 - Projected Starter..... Shane Riccio

The second of Bucknell's three weight classes with just one wrestler is the 174-pound weight class. Despite the lack of depth, there is much talent here as NCAA qualifier Shane Riccio posted a 25-11 record last year on his way to a wild card entry in the national tournament. Riccio was particularly strong in dual matches, going 15-2 and posting a 14-bout winning streak at one point.

"Shane has added size and strength in the offseason, which will benefit him greatly," mentioned Wirnsberger. "Through consistent training and preparation, he will put himself in position to earn All-America status."

184 - Projected Starter..... David Thompson Keep an eye on..... Rob Waltko

Wirnsberger expects returning starter David Thompson to play a bigger role in 2008-09 as he embarks on his second season. Thompson was 17-13 last year with four major decisions, three pins and one technical fall accounting for nearly half of his victories.

In addition to Thompson, Wirnsberger expects Rob Waltko to have some success at 184 pounds after committing to training all summer in Lewisburg.

197 - Projected Starter..... Jay Hahn Keep an eye on.....Nathan Jones

Wirnsberger views the 197-pound weight class as a key one for the success of the team in 2008-09. Last year three different wrestlers started at the weight, including current junior Sean LoCurto and current sophomore Jay Hahn.

After adding much-needed size and weight to grow into the weight class, Wirnsberger expects Hahn to begin the season as the starter. Hahn was just 5-15 last year, but wrestled in three different weight classes, including 197.

In addition to LoCurto, who has half of his six career wins by pin, Wirnsberger thinks freshman Nathan Jones will have success. Jones was an Ohio state champion who has the talent and ability to excel.

HWT - Projected Starter.....William McCormick

William McCormick is the only heavyweight on the roster this year for Bucknell, meaning he will have to mature quickly. As a freshman in 2007-08, McCormick posted a 6-7 record wrestling strictly in tournaments.

"We are looking for Will to continue his development and get better as the year goes on," commented Wirnsberger. "We are looking for much-needed improvement from this weight over last year."

21-20-2 (BUCKNELL)
47-42-2 (CAREER)

Dan Wirnsberger, who officially became the 15th coach of the Bucknell wrestling program on May 10, 2005, enters his fourth season at the helm for the Orange and Blue in 2008-09.

Hired to guide Bucknell's program back into the national spotlight after a four-year hiatus where it was not a varsity sport, Wirnsberger has succeeded. After spending a transitional year recruiting and laying the groundwork for a successful program, Wirnsberger brought the Bison back onto the mat in 2006-07 with flying colors.

Under Wirnsberger's direction, the 2006-07 Bison returned to the mat in grand fashion, setting a school record for dual-meet victories by compiling a record of 12-9-1, 3-3-1 in the EIWA, including a 17-16 win over nationally ranked Columbia. At the EIWA tournament, he led the Orange and Blue to a ninth-place finish out of 14 schools and saw three Bucknell grapplers earn bids to the NCAA Championships.

Facing a tougher schedule in its second season back as a varsity program at Bucknell, Wirnsberger helped the squad to a 9-11-1 mark in 2007-08. The Bison posted a 4-4 mark against EIWA competition. Once again, three wrestlers qualified for the NCAA Championships and Bucknell moved up one spot to eighth place at the competitive EIWA Championships.

A three-time wrestling All-American at Michigan State University, Wirnsberger previously served as the head coach of Bloomsburg University's Division I program from 2002 to 2005. As head coach of the Huskies, Wirnsberger qualified 10 student-athletes for the NCAA Tournament, including six in 2005, his final season at the helm, and he coached the program's first-ever Olympic Trials qualifier. He helped four Bloomsburg wrestlers capture Eastern Wrestling League titles and six win PSAC crowns. Named the 2005 PSAC Coach of the Year after leading the Huskies to the team title for the first time since 1990, Wirnsberger's recruiting classes were ranked 14th and 19th, respectively, in 2003 and 2004, while his first two recruiting classes at Bucknell have been ranked 14th and 25th by Wrestling International Newsmagazine (W.I.N.).

In 2004-05, Bloomsburg posted a 10-6 dual-meet record (4-2 EWL) and crowned three EWL champions while finishing fifth at the league tournament.

Prior to becoming head coach of the Huskies, Wirnsberger spent six years as an assistant coach at Virginia Tech, where he helped coach a team that featured three All-Americans and finished in the top-25 at the NCAA Tournament in 2000 (19th) and 2001 (23rd). The Hokies qualified a school-record five wrestlers for NCAA's in 2000, and the following year the program was invited to compete at the National Team Duals at Penn State.

At both Bloomsburg and Virginia Tech, Wirnsberger gained extensive experience in the areas of national recruiting, fundraising and summer camp administration.

A 1995 graduate of Michigan State with a degree in criminal justice, Wirnsberger posted a 35-8 record and was the Big Ten Champion and NCAA runner-up at 158 pounds in 1995. That was his third of three straight All-America plaques, and he earned team Most Valuable Wrestler honors. Overall in his career, Wirnsberger compiled a record of 120-44, the third most wins in school history. In NCAA competition, he logged 11 wins for the Spartans in three trips to nationals. During his career at Michigan State, the team went from a struggling program to a 12th-place national ranking his sophomore year, 25th his junior year and third in the nation his senior season.

A three-year captain of the Spartans, Wirnsberger continued his wrestling career at the Dave Schultz Wrestling Club while training for the 1997 World Team Trials. He qualified for the trials after placing sixth at the USA Senior Freestyle Tournament, his first senior competition. Participating at a higher weight class of 167 pounds, Wirnsberger defeated such renowned opponents as twotime NCAA champion Marcus Mollica of Arizona State and Iowa's NCAA champion Darryl Weber.

Wirnsberger began his coaching career with the Mason (Mich.) Youth Wrestling Program. He later moved back to his native South Carolina, where he served as head wrestling coach at Greer High School. In addition to his head coaching duties, Wirnsberger was the junior varsity football coach and taught classes for autistic students at Greer Middle School.

Wirnsberger resides in Lewisburg, Pa., with his wife, Dana, and their sons, Cade (4) and Max (1).

Dan Wirnsberger

Dan Wirnsberger

COACHING STAFF/SUPPORT STAFF

DAVE HOFFMAN
ASSISTANT COACH
VIRGINIA TECH '06
THIRD YEAR

Dave Hoffman enters his third season at Bucknell and his second as Dan Wirsberger's top assistant. Hoffman earned the promotion after he spent his first season with the Orange and Blue coaching the varsity lightweights and helping guide 133-pounder David Marble to an appearance at the NCAA Championships in 2007. His work with Marble continued last year as Marble earned his second consecutive berth in the NCAA Championships.

Hoffman, a Spring City, Pa., native, graduated from Virginia Tech in 2006 where he was a four-time NCAA Championship qualifier and an All-American his senior year. During his career with the Hokies, Hoffman compiled a record of 116-32, including 19 major decisions, five technical falls and 38 falls. He also earned Freshman All-America honors from Amateur Wrestling News in 2002.

At The Hill School in Pottstown, Pa., Hoffman was a five-time prep All-American and two-time prep national champion, one of only two wrestlers in school history to achieve All-America status five times. He posted a record of 195-17 in his prep school career.

DUSTIN MANOTTI
ASSISTANT COACH
CORNELL '06
SECOND YEAR

Dustin Manotti, who was a four-time All-American at Cornell, enters his second season as an assistant coach for the Bucknell wrestling program.

Manotti, a native of nearby Mifflinburg, Pa., enjoyed an illustrious wrestling career for the Big Red as he became just the second wrestler in program history to take home All-America honors four times, with his best NCAA finish coming his senior year when he took third at 157 pounds.

In addition, Manotti made his mark on Cornell's record book, graduating as the third-winningest wrestler in program history with 133 career victories and was also ranked 10th in overall winning percentage at .836 (133-26). He was a three-time All-Ivy selection, earning first-team honors in 2005 and second-team recognition in 2003 and 2004. As a freshman in 2003, Manotti was named the Ivy League Rookie of the Year.

While wrestling for Mifflinburg Area High School, Manotti placed three times at the Pennsylvania state tournament, including a runner-up showing as a junior.

Manotti graduated from Cornell in 2006 with a bachelor of science in communications. He served as an intern for the National Wrestling Coaches Association (NWCA) during the summer of 2005 and has spent time as a volunteer wrestling coach in the Cortland School District in Cortland, N.Y.

DONNY OOTON
VOLUNTEER ASSISTANT COACH
BROCKPORT '07
FIRST YEAR

Donny Ooton is in his first season as a member of the Bison staff. The volunteer assistant coach was an accomplished wrestler at both Virginia Tech and Brockport.

Ooton, a high school All-American and a three-time Virginia state champion at Great Bridge High School, started his college career at Virginia Tech before transferring to Brockport for his final two seasons. While with the Hokies, Ooton, who was a teammate of current Bison assistant Dave Hoffman, placed third at both the 2004 Navy Classic and the 2005 ACC Championships at 141 pounds.

At Brockport, Ooton was a two-time Division III All-American at 149 pounds and he was the Empire Wrestling Conference champion. Additionally, he placed third at the 2006 Brockport Oklahoma Gold Classic.

Over his four-year college career, Ooton posted an 88-36 record. He graduated from Brockport in 2007 with a bachelor's degree in physical education.

JASON TAYLOR
ATHLETIC TRAINER
LOCK HAVEN '03
FOURTH YEAR

Jason Taylor is in his fourth year with the Bucknell athletic training staff and will be working with the wrestling team once again in 2008-09.

Taylor, who also works closely with the Bison softball team, is an outsourced athletic trainer, employed by Geisinger HealthSouth. He attended Lock Haven University and graduated with a bachelor of science degree in athletic training in 2003.

Taylor, who is originally from Athens, Pa., currently resides in Selinsgrove, Pa., with his wife, Kara.

LAUREN HALL
STUDENT MANAGER
JUNIOR
SECOND YEAR

Lauren Hall enters her second year as a student manager for the Bison. Hall, a native of Kingston, N.H., is majoring in biology with a minor in dance and is a member of the Bucknell Dance Company.

The Bison coaching staff with lead donor Bill Graham '62 during a 2007-08 match.

SUPPORT STAFF/2007-08 REVIEW

JERRY SHRECK
STRENGTH & CONDITIONING
COORDINATOR
SEVENTH YEAR

ROBERT MIDKIFF
**ASSISTANT PROVOST/
 ACADEMIC ADVISOR**
21ST YEAR

The strength and conditioning program at Bucknell received a major boost in 2003 with the completion of the sparkling 15,000-square-foot Krebs Family Fitness Center and Berger Family Weight Room, as well as the hiring of Jerry Shreck as the program's first full-time strength and conditioning coordinator.

A 1996 graduate of East Stroudsburg University with a degree in movement studies and exercise science, Shreck is charged with implementing detailed daily strength and conditioning routines for each of Bucknell's athletic programs.

The general philosophy of the Bison strength program is year-round periodization with a high-intensity base, supplemented with functional and sport-specific training. Training programs for most teams employ explosion techniques with power bands and plyometrics.

The ultimate goal of the strength and conditioning program is the prevention of injuries and training athletes to their peak physical condition.

A native of nearby Montgomery, Pa., Shreck had served as the athletic trainer for the Bucknell men's basketball team for three seasons prior to his appointment as strength and conditioning coordinator. He is a member of the National Strength and Conditioning Association and the National Council of Strength and Fitness.

Dr. Robert Midkiff works closely with the Bison wrestling student-athletes and is a valuable resource for them as they balance their academics and athletics.

Midkiff, who has worked at Bucknell in a number of roles for more than two decades, is currently an assistant provost and dean of summer school. He has oversight of academic affairs for the university, including the hiring and evaluation of faculty.

A native of West Virginia, Midkiff earned a bachelor's degree in psychology with a minor in criminal justice from The Ohio State University in 1982. He then received a master's degree in educational psychology from Arizona State University. A Ph.D. from Arizona State followed two years later and he has been at Bucknell ever since.

A lifelong sports fan, Midkiff is particularly fond of wrestling and soccer. He has served as a soccer coach, referee, referee instructor and a coach of youth wrestling. All three of Midkiff's sons participated in wrestling during high school or are currently high school wrestlers.

Midkiff lives in nearby Mifflinburg, Pa.

Strength & Conditioning Coordinator Jerry Shreck has outstanding facilities at his disposal for training the Bison wrestlers.

Kevin LeValley was one of three Bison to start in all 21 dual matches in 2007-08.

NCAA ALL-AMERICANS

Tom Marchetti

1989 - 4th place - 167 lbs.

Bryan Burns

1991 - 8th place - 190 lbs.

Bobby Ferraro

1994 - 8th place - 177 lbs.
 1995 - 7th place - 177 lbs.

BUCKNELL ATHLETICS HALL OF FAME - WRESTLING MEMBERS

The Bucknell Athletics Hall of Fame was established in 1979 to honor the very best in the history of Bison athletics. Four former wrestlers are among the 205 outstanding student-athletes, coaches, administrators and friends of Bucknell whose contributions to Bucknell athletics are forever preserved in the Hall of Fame.

Ed Curran ('88) - Ed Curran was a three-time East Coast Conference wrestling champion during his time as a member of the Bison. Hall of Famer Tom Scotton is the only other Bucknell wrestler to make that claim. He qualified for the NCAA Tournament three times and was a quarterfinalist in 1986. As a senior, Curran posted a 23-4 record at 134 pounds, and he finished with an impressive career record of 71-20-1, which was then the second-highest victory total at Bucknell. He was the Outstanding Wrestler at both the Bloomsburg Invitational and Cornell Invitational in 1987. Curran was just as successful off the wrestling mat, where he made the Dean's List every semester, won the prestigious University Prize for Men and was a Second Team Academic All-American. He also earned the ECAC Medallion and graduated *magna cum laude*. Entered Hall of Fame with the Class of 2005.

Bobby Ferraro ('94) - A first-ballot Hall of Fame choice and Bucknell's only two-time wrestling All-American, Bobby Ferraro graduated with an impressive 118-21-1 career mat record and four East Coast Wrestling Association gold medals. He became just the third grappler in school history to earn All-America honors with an eighth-place finish in the 177-pound class at the NCAA Championships during his senior season, and then he repeated the distinction with a seventh-place finish as a graduate student in 1995. Ferraro finished 31-8 in 1994, falling just one victory shy of the school record, and he tied a 37-year-old school mark by recording pins in five straight matches. With a 30-6 record in 1995, Ferraro broke the school career victory record and finished second all-time with 44 falls. In becoming just the second man to win four ECWA titles, Ferraro in 1995 also helped the Bison to their second-ever team championship. He was the ECWA Championships Outstanding Wrestler in 1992 and never lost a conference bout. A two-time team captain, he won the Christy Mathewson Award as Bucknell's top senior athlete. Entered Hall of Fame with the Class of 2004.

Richard P. Kaufmann ('68) - A three-year letterman in football and wrestling, Richard P. Kaufmann captained the 1967 football team and was co-captain of the wrestling team as a junior and senior. Kaufmann's career dual match wrestling record was 17-12-2, and as a senior he won Bucknell's Outstanding Multiple Sport Athlete Award and the Christy Mathewson Award as the outstanding athlete in the senior class. He began his football career at Bucknell as a fullback, but was moved to defensive end at the beginning of his junior year. He was twice named to the All-Pennsylvania second team and All-Middle Atlantic Conference first team at the new position. The top accounting student in his Bucknell class and a *cum laude* graduate, Kaufmann received an MBA from Harvard and later returned to the ministry. He served as executive pastor of Redeemer Presbyterian Church in New York City and previously served as pastor of New Life Presbyterian Church in Escondido, Calif. Entered Hall of Fame with the Class of 1996.

Thomas M. Scotton ('78) Named All-East by *National Mat News* in 1978 and selected Bucknell's outstanding wrestler four times, Scotton never lost a dual collegiate match on his way to three ECC championships and appearances at the NCAA Championships and holds several Bison mat records. Twice co-captain, he had a career record of 89-4-1. Entered Hall of Fame with the Class of 1983.

2008
 WRESTLING

BUCKNELL AT NCAA CHAMPIONSHIPS

1976 - Arizona

Tom Scotton (ECC 134-pound champion)
Dec. Amos Goodlow (Michigan), 21-10
Lost to Rudy Johnson (Portland State), 6-2

BUCKNELL WRESTLING HISTORY/EIWA

BUCKNELL WRESTLING HISTORY

Wrestling at Bucknell dates back to 1944, when World War II servicemen stationed at Bucknell introduced a wrestling program. The sport gained varsity intercollegiate status in 1947 and joined the Middle Atlantic Conference a year later.

Coach Herb Maack's fledgling squad did not win a dual meet over those first two seasons, but the groundwork was laid for a successful wrestling future at Bucknell. The Bison posted its first winning season (4-2) in 1949, finishing fourth in the MAC. In its most successful six-year period in program history from 1958 to 1963, the Bison went 36-8-3, including undefeated seasons in both 1958 (7-0) and 1962 (9-0). The 1962 squad, co-captained by Bill Graham, finished third in the MAC.

Bucknell had many outstanding wrestlers in its early days, including MAC champions Jim Mullins (1947), Tom Fusia (1949), Bart Cappellini (1953), Dave Murdock (1958) and John Ayre (1959). But it wasn't until lightweight dynamo Tom Scotton came along in 1974-75 that Bucknell wrestling hit the national radar screen.

Scotton went 16-0 as a freshman and was featured in Sports Illustrated's "Faces in the Crowd." An illness kept him out of post-season action that season, but Scotton came back as a sophomore and won his first of three straight East Coast Conference titles. The 126/134-pounder won his first 41 career matches before finally suffering a loss at the 1976 NCAA Championships. Scotton, a Bucknell Athletics Hall of Famer, finished his career 55-0-1 in dual matches and 89-4-1 overall. All four losses came at the NCAA Championships.

Bucknell captured its first-ever conference team championship in 1986-87. Led by NCAA quarterfinalist Ed Curran and fellow ECC Champions Kevin Bullis and Mike Bomberger, the Bison saw eight wrestlers place in the top four of their weight classes and easily outdistanced host Rider.

Tom Marchetti, then only a sophomore, became Bucknell's first wrestling All-American when he finished fourth at 167 pounds at the 1990 NCAA Cham-

pionships. A year later, Bucknell's first as a member of the East Coast Wrestling Association, 190-pounder Bryan Burns repeated the feat and joined Marchetti as the first Bucknell grapplers to win 30 matches in a season. Marchetti was the first Bison to eclipse the 100-victory mark and finished his outstanding career with 106 wins.

The only other Bison wrestler to win more matches than Marchetti was Bobby Ferraro, a local product from Lewisburg Area High School and the son of head coach Bob Ferraro. The younger Ferraro won 118 matches in his terrific career and is Bucknell's only two-time All-American. He won four straight ECWA titles from 1992-95. Ferraro, a 2004 Bucknell Athletics Hall of Fame inductee, placed eighth at the NCAA Championships at 177 pounds in 1994 and seventh in the same division as a graduate student in 1995.

Ferraro also led the Bison to its only other conference team championship in 1995. Jason Prokopchik and Steve Caruso joined Ferraro in the winner's circle, making that threesome Bucknell's most recent conference champions.

All told, Bucknell has claimed 49 individual league champions in its 66-year history.

The Bucknell wrestling program competed for three seasons in the Eastern Intercollegiate Wrestling Association before the university reclassified the sport as club-varsity following the 2001-02 campaign.

Then, thanks to the generosity of Bill Graham '63, Bucknell announced in May 2004 that wrestling would return to varsity status for the 2005-06 season. In the summer of 2005, Dan Wirnsberger was introduced as head coach of the Bison wrestling squad and the team's application to rejoin the EIWA was accepted.

Wirnsberger has guided the Bison to a solid 21-20-2 record in the program's first two years back after a four-year hiatus. Four different Bucknell grapplers have combined for six trips to the NCAA Championships over that span.

Wirnsberger upgraded the schedule for the 2008-09 campaign and the Bison will face preseason nationally ranked teams No. 1 Iowa, No. 5 Missouri and No. 22 Old Dominion, among others.

Bucknell Wrestling - 1961-62 - Undefeated (9-0-0)

The Return of Bucknell Wrestling - 2006-07 (12-9-1)

EIWA HISTORY

The Eastern Intercollegiate Wrestling Association (EIWA), as it is known today, had its beginning in 1904. Then, students from a number of schools in the East met and proposed the creation of a group whose responsibility it would be to organize intercollegiate wrestling as a formal sport. One year later wrestlers from Columbia, Pennsylvania, Princeton and Yale competed in the first EIWA tournament.

Under the management of J. Edward Weisenfluh, a student at Penn, the first tournament was held April 7, 1905, in the Gymnasium of Weightman Hall on the Penn campus in Philadelphia. At this first meeting the Intercollegiate Wrestling Association was born. Thereafter, three meetings were held each year, once just before the tournament, once just after the meet, and once in October at which a new tourney site was selected.

No team scoring was kept at the first EIWA tournament in 1905. All that was recorded was the total number of bouts won by each wrestler, in the following weight classes: 115, 125, 135, 145, 158, 175 and heavyweight. Based on that system, Yale won, followed in order by Columbia, Princeton and Pennsylvania.

Remaining strictly a student organization for three and one-half decades, the group gradually assumed the name "Eastern" to dis-

tinguish itself from the faculty-controlled "Western" Association, now known as the Big Ten. Ultimately, after the 1939 meet, the students capitulated to faculty control, and the Eastern College Athletic Conference, organized in 1938, has since provided formal structure for the EIWA, which now functions as an allied entity of the ECAC.

"The Easterns" have survived both as the oldest intercollegiate wrestling organization and as a unique athletic event with unusually widespread spectator appeal.

Today, membership in the EIWA numbers 14 schools: American, Army, Brown, Bucknell, Columbia, Cornell, East Stroudsburg, Franklin & Marshall, Harvard, Lehigh, Navy, Penn, Princeton and Rutgers.

2008 EIWA CHAMPIONSHIP RESULTS

| Place | Team | Points |
|-------|---------------------|-------------|
| 1. | Cornell | 128.0 |
| 2. | Penn | 127.5 |
| 3. | Army | 90.0 |
| 4. | Navy | 84.0 |
| 5. | Lehigh | 67.5 |
| 6. | American | 62.5 |
| 7. | Columbia | 47.5 |
| 8. | Bucknell | 43.5 |
| 9. | Brown | 39.0 |
| 10. | Harvard | 34.5 |
| 11. | Rutgers | 29.5 |
| 12. | East Stroudsburg | 15.0 |
| 13. | Franklin & Marshall | 13.0 |
| 14. | Princeton | 10.5 |

Shane Riccio placed fifth at the 2008 EIWA Championships at 174 pounds

ABOUT BUCKNELL

About Bucknell

Bucknell University is one of the top liberal arts colleges in the nation. Our academic programs encompass:

- The traditional liberal arts disciplines—arts, humanities, natural sciences, and social sciences.
- Professional programs in accounting, management, education, engineering, and music.
- Preprofessional programs in law and medicine.

With more than 3,500 undergraduates and nearly 150 graduate students, we combine the personal attention of a small college with the resources of a large university.

The Campus:

Beautiful and centrally located

- More than 100 facilities for learning, living, and recreation.
- Recent additions: music building, residence hall, geology/psychology building, engineering building, and athletics center. The new West Fields complex is home to field hockey, women's lacrosse, and men's and women's soccer.
- Approximately three hours from Baltimore, New York, Philadelphia, and Washington D.C.

Academics: Broad opportunities to learn

- More than 50 majors leading to bachelor of arts, bachelor of science, bachelor of engineering, bachelor of science in education, bachelor of science in business administration, or bachelor of music.
- Arts & Sciences Departments and Programs: Animal Behavior, Art and Art History, Biology, Cell Biology/Biochemistry, Chemistry, Classics, Comparative Computer Science, East Asian Studies, Economics, Education, English, Environmental Geology, Environmental Studies, French, Geography, Geology, German, History, International Relations, Latin American Studies, Management, Mathematics, Music, Neuroscience, Philosophy, Physics and Astronomy, Political Science, Psychology, Religion, Russian, Sociology and Anthropology, Spanish, Theatre and Dance, Women's and Gender Studies.
- Engineering Departments: Biomedical, Chemical, Civil and Environmental, Computer Engineering, Computer Science, Electrical and Mechanical Engineering.

The Faculty: Focused on the students

- More than 330 full-time faculty
- More than 95% of faculty members hold doctoral degrees.
- Undergraduate learning is highest priority.
- Faculty members are active scholars who conduct research, produce creative works, and publish their findings, often in collaboration with students.

Undergraduate Research:

Hands-on learning

- Students conduct research in the lab and off campus in conjunction with faculty mentors.
- High degree of independence.
- Great preparation for graduate school and career.

Campus Life: Never a dull moment

- Learning outside of class: academically oriented student organizations, guest lecturers, campus publications, concerts, art exhibitions, theatre, trips off campus, and more.
- More than 150 student-run organizations to suit nearly every interest, from a capella singing to Zen Buddhist meditation.
- Volunteer and service projects on- and off-campus, including abroad
- 13 fraternities and 6 sororities.
- Diverse religious life programs.
- Athletics: varsity intercollegiate program, club sports for both men and women, and intramural programs.

Residential Colleges:

Housing options with an academic twist

- Seven themed programs open to first-year students: arts, environment, global, humanities, language and culture, social justice, and society and technology.
- Students take a course together, live together, and participate in out-of-class activities such as informal discussions, guest lectures, and off-campus trips.

Career Services: Preparation for the future

- Full- or part-time internships at companies, non-profits, or governmental agencies.
- Resume writing and interviewing guidance.
- Two-day job shadowing externships.
- On-campus employment expos and off-campus networking nights.

THE PLAN FOR BUCKNELL

Bucknell is a unique national university where liberal arts and professional programs complement each other, where 3,350 full-time students are educated for a lifetime of critical thinking and strong leadership. For 160 years, the University has remained true to its fundamental purpose: to educate and prepare students for lives that make a difference and have a positive impact on the world.

In keeping with that purpose, the University has developed **The Plan for Bucknell**, which includes its collective vision — “To provide students with the premier undergraduate experience in American higher education.”

The Plan comprises five strategies.

Strengthen the Academic Core aims to ensure that a Bucknell education is challenging and engaging, with openness to new ideas and a culture of innovation;

Deepen the Residential Learning Experience will provide a residential learning and living experience that complements the academic program, integrates the athletics and recreation program and promotes personal growth and development and civic and ethical responsibility;

Enhance Diversity is a commitment to diversity in all its forms within a civil and supportive environment of open exchange to prepare Bucknell graduates to live and work in a globally integrated and intercultural world;

Build Bridges will bring the world to Bucknell — through visiting scholars and sports teams, international students and alumni, guest speakers, international focus semesters, and electronic communications — and bring Bucknell to the world through strategic partnerships and community engagement activities as well as opportunities for off-campus study and faculty research;

Secure Our Financial Future will secure resources necessary to engage new opportunities, lessen dependence on tuition, and ensure our financial future.

The Plan for Bucknell was unanimously approved by the Board of Trustees on April 29, 2006, having previously been approved by the students and faculty. We have begun implementing it and are determined to make it a reality over the next decade. To read the complete version of **The Plan for Bucknell** or to request a published version, see <http://www.bucknell.edu/ThePlanforBucknell>.

FIRST-CLASS WRESTLING FACILITIES

BUCKNELL WRESTLING FACILITIES

DAVIS GYM: THE HOME OF BISON WRESTLING

In the summer of 2007, an eye-catching scoreboard/videoboard was installed on the north wall in Davis Gym, the home of the Bison wrestling and volleyball teams. Made possible by a generous donation from Bucknell University trustee Bill Graham '62, the Daktronics messaging center features a pair of twin 6'x10' LED screens flanking the Bison logo. The board is topped with an attractive metal arch truss, and the system will be used for both volleyball and wrestling, as well as any number of additional events taking place in Davis Gym.

A smaller secondary scoreboard has been added to the south wall, while wrestling matches will also feature a three-sided, matside scoreboard.

THE WILLIAM A. GRAHAM-IV VARSITY WRESTLING ROOM

On Dec. 2, 2006, the Bucknell wrestling squad celebrated a festive day that began with the dedication of the William A. Graham IV Varsity Wrestling Room by collecting victories over Princeton and Binghamton by the scores of 46-0 and 27-8, respectively. The day began with several dozen Bucknell wrestling alumni and other dignitaries, including President Brian C. Mitchell, celebrating the dedication of the wrestling practice facility in a ceremony in the McGee Room in Sojka Pavilion prior to the Bucknell versus Northern Iowa men's basketball game. Bill Graham played a pivotal role in bringing back Bison wrestling as his generous donation helped Bucknell return the program to varsity status in addition to providing funding for Bison women's athletics.
